EXPLANATORY NOTE

DEREGISTRATION OF SECURITIES

This post-effective amendment no. 1 relates to the registration statement on Form S-3 (as amended), File No. 333-187085 (the “Registration Statement”), of Clean Energy Fuels Corp., a Delaware corporation (the “Company”), declared effective by the Securities and Exchange Commission (the “SEC”) on May 8, 2013. The Registration Statement registers 6,329,112 shares of the Company’s common stock for resale by the selling stockholders named therein, which shares were issuable upon conversion of certain 7.5% convertible notes due 2018 and 2019 that were previously issued by the Company (collectively, the “Convertible Notes”).

On December 4, 2018, the Company purchased all of the Convertible Notes that remained outstanding from the holders thereof. Following such purchase, no Convertible Notes are outstanding, and no shares of the Company’s common stock could be issued upon conversion thereof. As a result, the offering of the Company’s securities pursuant to the Registration Statement has terminated.

As of such purchase, none of the Convertible Notes had been converted and no shares of the Company’s common stock had been issued pursuant to any such conversion. As a result, all 6,329,112 shares of the Company’s common stock registered pursuant to the Registration Statement remain unsold at the termination of the offering.

In accordance with undertakings made by the Company in the Registration Statement to remove from registration, by means of a post-effective amendment, any securities that had been registered but that remain unsold at the termination of the offering, this post-effective amendment no. 1 removes from registration any and all securities of the Company that were registered under the Registration Statement and remain unsold at the termination of the offering.
