**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On December 21, 2021, the board of directors (the “Board”) of Clean Energy Fuels Corp. (the “Company”), upon the recommendation of its nominating and corporate governance committee, appointed Lorraine Paskett as a new director of the Company, effective immediately. Ms. Paskett is not expected to serve on any committees of the Board.

Ms. Paskett, 54, has worked for more than 25 years in the public and private sectors and has extensive experience in energy (gas and electric) and water sectors, ethics and compliance rules, climate change policy, air and water quality, safety and communication protocols, and sustainability and resiliency. Ms. Paskett has served as the Vice President at AES Corporation since April 2021 where she oversees all external policy and market rule development matters in California which include supporting a transition from fossil energy to renewable and zero carbon energy resources, renewable energy developments, energy storage, and future opportunities for advanced fuels. Before AES Corporation, Ms. Paskett founded Cambridge LCF Group, LLC, where she served from June 2012 to April 2021. Cambridge LCF Group, LLC provided strategic advice for companies in the gas and electric sectors with a focus on advanced fuels and climate. Prior to that Ms. Paskett served in various positions (notably at PG&E, First Solar and LADWP) as well as holding government positions. From December 2015 to January 2020, Ms. Paskett served on the Metropolitan Water District Board of Directors representing the City of Los Angeles and served on the board of directors for the California Hydrogen Business Council. Ms. Paskett holds a bachelor’s degree in Political Science from CSU Sacramento and a juris doctorate degree from McGeorge School of Law.

Ms. Paskett’s compensation for her services as a director will be consistent with that of the Company’s other non-employee directors, as described in the Company’s definitive proxy statement filed with the Securities and Exchange Commission (“SEC”) on May 7, 2021. Generally, this compensation consists of annual cash compensation of \$60,000 and equity awards of the types and in the amounts determined by the compensation committee of the Board on an annual basis and typically consisting of stock options, restricted stock units or a combination thereof. In addition, the Company will enter into an indemnification agreement with Ms. Paskett in the same form as the indemnification agreements the Company has entered into with its other directors, which has been filed or incorporated by reference as [Exhibit 10.4 to the Company’s Annual Report on Form 10-K for the year ended December 31, 2019 filed with the SEC on March 10, 2020](#). In general, the indemnification agreement provides for, among other things, indemnification of Ms. Paskett by the Company to the full extent authorized or permitted by law, subject to certain limited exceptions.

Ms. Paskett’s spouse is a partner at Akin Gump Strauss Hauer & Feld LLP (“Akin Gump”), a law firm that provides legal services to the Company. Since January 1, 2020, the Company has paid \$695,211 in legal fees to Akin Gump.

There are no arrangements or understandings between Ms. Paskett and any other persons pursuant to which Ms. Paskett was selected as a director of the Company, and except as disclosed herein, Ms. Paskett has no interest in any transaction that would require disclosure under Item 404(a) of Regulation S-K promulgated by the SEC.

**Item 7.01 Regulation FD Disclosure.**

On December 22, 2021, the Company issued a press release announcing the changes to its Board described in Item 5.02 of this Current Report on Form 8-K. A copy of such press release is attached hereto as Exhibit 99.1.

As provided in General Instruction B.2 of Form 8-K, the information in this Item 7.01 of this Current Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Title: President and Chief Executive Officer

**Press Release****Clean Energy Appoints Energy Sector Leader Lorraine Paskett  
to Board of Directors**

**NEWPORT BEACH, Calif.** – December 22, 2021 – Clean Energy Fuels Corp. (NASDAQ: [CLNE](#)) announced today that Lorraine Paskett, vice president of AES Corporation, has been appointed to the Board of Directors effective immediately.

“Lorraine is an esteemed industry leader with more than 25 years of experience in the energy and environmental sectors,” said Clean Energy Board of Directors Chairman Stephen Scully. “With her background in climate change reform and the renewable energy market, I’m confident that she will bring a great perspective to our board, and we’re proud to have her join us.”

Ms. Paskett oversees all external matters in California for AES US Business which includes supporting a transition from fossil fuel to renewable and zero carbon energy, new opportunities for energy storage, renewable energy development, and advanced fuels and emerging technologies in the electric and gas markets.

Previously, she founded and served as principal of Cambridge LCF Group, which provided strategic advice for companies in the gas and electric sectors, with a focus on advanced fuels and climate. In her role there, she was involved in many conventional gas, advanced fuels, climate change, and LCFS initiatives.

Ms. Paskett also served as a senior executive for the Los Angeles Department of Water and Power, leading water resource policy and providing a comprehensive approach for sustainable utility practices, including consumer water conservation and water reuse projects.

“Clean Energy has staked out a leadership position in providing customers with ways to immediately and significantly reduce their carbon emissions and address climate change through their operations,” said Ms. Paskett. “I’m excited to work with fellow board members as the company continues to expand the use of renewable fuels and contribute to the company’s future growth and success.”

Ms. Paskett holds a bachelor’s degree in Political Science from the California State University at Sacramento and went on to graduate from McGeorge School of Law in 1995. She has been a member of the California State Bar since 1995.

**About Clean Energy**

Clean Energy Fuels Corp. is the country’s largest provider of the cleanest fuel for the transportation market. Our mission is to decarbonize transportation through the development and delivery of [renewable natural gas](#) (RNG), a sustainable fuel derived from organic waste. Clean Energy allows thousands of vehicles, from airport shuttles to city buses to waste and heavy-duty trucks, to reduce their amount of climate-harming greenhouse gas. We operate a vast [network](#) of fueling stations across the U.S. and Canada. Visit [www.cleanenergyfuels.com](http://www.cleanenergyfuels.com) and follow [@ce\\_renewables](#) on Twitter.
