Explanation of Responses:

- Represents an award of restricted stock units ("RSUs"). Each RSU represents a contingent right to receive one share of the Issuer's common stock upon the vesting and settlement of the RSU.
- The RSUs will vest as to 34% on the first anniversary of the grant date and as to 33% on each of the second and third anniversaries of the grant date.
- Represents a target number of price hurdle performance stock units. These performance stock units will vest in installments upon the Company's common stock achieving specified price per share targets ranging from 1.25 to 2.0 times the Company's price per share on the grant date during a three-year performance period. If the minimum price per share target is not achieved prior to the end of the three-year performance period, none of the performance stock units will vest.
