Item 1.01 Entry into a Material Definitive Agreement.

On November 7, 2012, Clean Energy Fuels Corp. ("Clean Energy"), through two wholly owned subsidiaries (the "Borrowers"), entered into a Credit Agreement ("Credit Agreement") with General Electric Capital Corporation ("GE"). Pursuant to the Credit Agreement, GE agreed to loan to the Borrowers up to an aggregate of \$200 million to finance the development, construction and operation of two liquefied natural gas ("LNG") production facilities (individually a "Project" and together the "Projects"), each with an expected production capacity of approximately 250,000 LNG gallons per day. Clean Energy expects to sell the LNG produced by the Projects through America's Natural Gas Highway®, a nationwide network of LNG truck fueling stations, which Clean Energy is building along major transportation corridors in the United States.

The Borrowers' ability to obtain loans under the Credit Agreement (collectively, "Loans" and, with respect to each Project "Tranche A Loans" and "Tranche B Loans") for the Projects is subject to the satisfaction of certain conditions, including each of the (i) acquisition of title to, or leasehold interests in, the sites upon which the Projects will be constructed, (ii) receipt of all governmental approvals necessary in connection with the design, development, ownership, construction, installation, operation and maintenance of the Projects, (iii) commitment of all utility services necessary for the construction and operation of the Projects, and (iv) execution of an engineering, procurement and construction ("EPC") Contract for each Project by Clean Energy and GE Oil & Gas, Inc.

The Credit Agreement further provides that (i) if initial Loans are not made prior to December 31, 2014, the Credit Agreement will automatically terminate, (ii) each Project must be completed by the earlier of (a) the date thirty months after the funding of the initial Loans with respect to such Project and (b) December 31, 2016 (with respect to each Project, the "Date Certain"), (iii) the then existing Loans with respect to each Project must be converted into term loans with eight year amortization schedules ("Term Loans") on or before the Date Certain with respect to such Project (the date of such conversion with respect to each Project, the "Conversion Date"), provided that if such Loans are not converted into Term Loans by the applicable Date Certain, such Loans must be repaid by the applicable Date Certain, (iv) each Term Loan will be due and payable on the eighth anniversary of the Conversion Date with respect to such Term Loan, and (v) at any time prior to the applicable Conversion Date, the Loans may be prepaid in whole, and at any time after the applicable Conversion Date, the Loans may be prepaid in whole or in part. Clean Energy expects the Loans to bear interest at an annual rate equal to the then-current LIBOR rate plus 7.00%, provided that for purposes of the Credit Agreement the then-current LIBOR rate will always be at least 1.00%. The Credit Agreement includes various customary covenants, including debt service coverage ratios, and also provides for customary events of default which, if such events occur, would permit or require the Loans to become or to be declared due and payable.

The Loans are secured by (i) a first priority security interest in all of the Borrowers' assets, including the Projects, and (ii) a pledge of the Borrowers' outstanding ownership interests. In addition, Clean Energy has executed a guaranty in favor of GE ("Guaranty"), pursuant to which Clean Energy has

guaranteed all of the Borrowers' obligations under the Credit Agreement, including repayment of all Loans.

Clean Energy and GE also entered an equity contribution agreement (the "EC Agreement") pursuant to which Clean Energy agreed to pay at least 25% of the budgeted cost of the Projects and all additional costs that exceed such expected budgeted costs, in each case, in the form of equity contributions to the Borrowers ("Equity Contributions"). Clean Energy expects the aggregate total amount of Equity Contributions to be approximately \$67 million. The EC Agreement also requires Clean Energy to provide, concurrent with GE's extension of the initial Loans under the Credit Agreement, letter(s) of credit in an amount equal to Clean Energy's then-current unfunded Equity Contributions.

Concurrently with the execution of the Credit Agreement, and in consideration of the lending terms for the Loans, lender fees forgone by GE, and the significant strategic benefits to Clean Energy of the transactions contemplated by the Credit Agreement, and as an upfront commitment fee payment, Clean Energy issued to GE a warrant (the "Warrant") to purchase up to an aggregate of five million shares of Clean Energy's common stock, par value \$0.0001 per share ("Shares"), at a price per share of \$0.01. The Shares subject to the Warrant are exercisable pursuant to the following schedule: (i) 500,000 Shares are immediately exercisable, (ii) an additional 1,250,000 shares will become exercisable at the time that the first Tranche A Loan is made under the Credit Agreement, (iii) an additional 1,250,000 shares will become exercisable at the time that the first Tranche B Loan is made under the Credit Agreement, (iv) an additional 1,000,000 shares will become exercisable at the time that Tranche A Loans in aggregate principal amount of at least \$15 million have been made under the Credit Agreement, and (v) the

2

remaining 1,000,000 Shares will become exercisable at the time that Tranche B Loans in aggregate principal amount of at least \$15 million have been made under the Credit Agreement; provided, however, that if no Loans are made as contemplated by (ii) through (v) above pursuant to the Credit Agreement, an additional 500,000 Shares will be exercisable. The Warrant terminates on November 7, 2022.

In connection with the Warrant, on November 7, 2012, Clean Energy and GE entered into a warrant agreement (the "Warrant Agreement") and a registration rights agreement (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement Clean Energy agreed, subject to the terms and conditions of that agreement, to (i) file with the Securities and Exchange Commission one or more registration statements relating to the resale of Shares issuable upon exercise of the Warrant, and (ii) at the request of the Warrant holder, and if a registration statement with respect to the Shares is not then effective, participate in one or more underwritten offerings of Shares issuable upon exercise of the Warrant. If Clean Energy does not meet certain of its obligations under the Registration Rights Agreement with respect to the registration of Shares, it will be required to pay certain liquidated damages.

The issuance of the Warrant and the Shares issuable upon exercise of the Warrant has not been registered under the Securities Act of 1933, as amended (the "Securities Act"). The Warrant and the Shares issuable upon exercise of the Warrant were and will be sold in reliance upon exemptions from registration under Section 4(2) of the Securities Act. The Warrant and the Shares issuable upon exercise of the Warrant may not be offered or sold in the United States absent registration under or exemption from the Securities Act and any applicable state securities laws. GE represented that it is an accredited investor as defined in the rules and regulations under the Securities Act and that it was acquiring the Warrant and the Shares issuable upon exercise of the Warrant for investment only and not with a view towards, or for resale in connection with, the public sale or distribution thereof.

The foregoing description of the Credit Agreement, Guaranty, EC Agreement, Warrant, Warrant Agreement and Registration Rights Agreement is a summary of the respective terms of such agreements. Clean Energy's press release, issued on November 13, 2012, announcing the Credit Agreement and the other transactions contemplated thereby is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

THIS WARRANT AND THE SECURITIES ISSUABLE UPON THE EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT.

WARRANT

TO PURCHASE SHARES OF CLEAN ENERGY FUELS CORP.

THIS CERTIFIES THAT, pursuant to the Warrant Agreement dated November 7, 2012 (the “**Warrant Agreement**”) by and between GE Energy Financial Services, Inc. (the “**Holder**”) and Clean Energy Fuels Corp. (the “**Issuer**”), the Holder, or its successor or permitted assign, is entitled, at any time during the Exercise Period (as defined herein), to purchase from the Issuer, an aggregate of up to 5,000,000 shares of Common Stock, par value \$0.0001 per share, of the Issuer (the “**Shares**”) (subject to adjustment and limitation as provided herein), in whole or in part, at a purchase price of \$0.01 per Share (the “**Exercise Price**”), all on the terms and conditions and pursuant to the provisions hereinafter set forth. This Warrant is issued in consideration of the execution of the Credit Agreement.

1. DEFINITIONS. All capitalized terms defined in the Warrant Agreement and not otherwise defined herein shall have the meanings ascribed to such terms in the Warrant Agreement.

2. EXERCISE OF WARRANT.

2.1 General. At any time and from time to time after the Closing Date and until 5:00 p.m., New York time, on the tenth (10th) anniversary of the Closing Date or such earlier date as provided in Section 4.2 below (the “**Exercise Period**”), the Holder may exercise this Warrant, on any Business Day, for all or any part of such number of Shares, at the stated Exercise Price, equal to the sum of:

- (a) 10% of the aggregate number of Shares purchasable hereunder as an upfront commitment fee, *plus* (b) or (c)
- (b)
 - (i) after the first Tranche A Loan (as defined in the Credit Agreement) is made, 25% of the aggregate number of Shares purchasable hereunder,
 - (ii) after the first Tranche B Loan (as defined in the Credit Agreement) is made, 25% of the aggregate number of Shares purchasable hereunder,
 - (iii) after Tranche A Loans in aggregate principal amount of at least \$15,000,000 have been made, 20% of the aggregate number of Shares purchasable hereunder, and

1

(iv) after Tranche B Loans in aggregate principal amount of at least \$15,000,000 have been made, 20% of the aggregate number of Shares purchasable hereunder, *or* (in the alternative)

(c) if no Borrowings (as defined in the Credit Agreement) are made prior to December 31, 2014, 10% of the aggregate number of Shares purchasable hereunder.

Upon the occurrence of any of the events described in the foregoing clauses (b) and (c), the Issuer shall deliver written notice thereof to Holder.

2.2 Cash Exercise. The Holder may exercise this Warrant, in whole or in part and at any time and from time to time during the Exercise Period, by delivering to the Issuer at the Issuer’s principal offices at the address set forth in the Warrant Agreement: (i) a written notice of the Holder’s election to exercise this Warrant specifying the number of Shares to be purchased, (ii) payment of the Warrant Price and (iii) this Warrant. “**Warrant Price**” shall mean an amount equal to (i) the number of Shares being purchased upon any exercise of the Warrant pursuant to this Section 2, multiplied by (ii) the Exercise Price as adjusted pursuant to the terms of the Warrant as of the date of such exercise. Such notice shall be substantially in the form of the subscription form appearing at the end of this Warrant as Annex A, duly executed by the Holder or its agent or attorney. Upon receipt thereof, the Issuer shall, as promptly as practicable, and in any event within five (5) Business Days thereafter, execute or cause to be executed and deliver or cause to be delivered to the Holder a certificate or certificates reflecting the Holder’s ownership of the aggregate number of Shares issuable upon such exercise, together with cash in lieu of any fraction of a Share, as hereinafter provided in Section 2.5. The Share certificate or certificates so delivered shall be in such denomination or denominations as the Holder shall request in the notice and shall be registered in the name of the Holder or, subject to any restrictions on Transfer, such other name as shall be designated in the notice. This Warrant shall be deemed to have been exercised and such Warrant Shares shall be deemed to have been issued, and the Holder or any other Person so designated to be named therein shall be deemed to have become a holder of record of such Shares for all purposes, as of the date of delivery of the Warrant Shares by the Issuer. If this Warrant has been exercised in part, the Issuer shall, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant, or, at the request of the Holder, appropriate notation may be made on this Warrant and the same returned to the Holder. Payment of the Warrant Price and all taxes required to be paid by the Holder, if any, pursuant to Section 2.4, shall be paid by the Holder prior to delivery of the Warrant Shares by the Issuer and shall be made at the option of the Holder by certified or official bank check or by wire transfer of immediately available funds.

2.3 Cashless Exercise.

(a) In lieu of the payment of the Warrant Price, the Holder shall have the right (but not the obligation), to require the Issuer to convert this Warrant, in whole or in part, into Shares as provided for in this Section 2.3 (the “**Conversion Right**”). Upon exercise of the Conversion Right, the Issuer shall

deliver to the Holder (without payment by the Holder of any of the Warrant Price) that number of Warrant Shares (the “**Conversion Shares**”) equal to the quotient

obtained by dividing (x) the value of this Warrant (or portion thereof as to which the Conversion Right is being exercised if the Conversion Right is being exercised in part) at the time the Conversion Right is exercised (determined by subtracting the aggregate Warrant Price of the Warrant Shares as to which the Conversion Right is being exercised in effect immediately prior to the exercise of the Conversion Right from the aggregate Current Market Price of the Warrant Shares as to which the Conversion Right is being exercised immediately prior to the exercise of the Conversion Right) by (y) the Current Market Price of one (1) Warrant Share immediately prior to the exercise of the Conversion Right.

(b) The Conversion Rights provided under this Section 2.3 may be exercised in whole or in part and at any time and from time to time during the Exercise Period. In order to exercise the Conversion Right, the Holder shall surrender to the Issuer, at its offices, this Warrant, and the Notice of Conversion in the form attached hereto as Annex B duly executed. The presentation and surrender shall be deemed a waiver of the Holder’s obligation to pay all or any portion of the aggregate purchase price payable for the Warrant Shares as to which such Conversion Right is being exercised. This Warrant (or so much thereof as shall have been surrendered for conversion) shall be deemed to have been converted immediately prior to the close of business on the day of surrender of such Warrant for conversion in accordance with the foregoing provisions. If this Warrant has been exercised in part, the Issuer shall, at the time of delivery of the acknowledgement reflecting the ownership of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant, or, at the request of the Holder, appropriate notation may be made on this Warrant and the same returned to the Holder.

2.4 Payment of Taxes. When the Warrant Price is paid to the Issuer, all such Warrant Shares shall be validly issued, fully paid and nonassessable and without any preemptive rights. The Issuer shall pay all expenses in connection with, and all taxes and other governmental charges that may be imposed with respect to, the issue or delivery thereof, unless such tax or charge is imposed by law upon the Holder, in which case, the Holder shall pay such taxes or charges. The Issuer shall not be required to pay any tax or other charge imposed in connection with any Transfer involved in the issue or delivery of any certificate for Shares issuable upon exercise of this Warrant in any name other than that of the Holder, and in such case, the Issuer shall not be required to register such Shares in any name other than the Holder until such tax or other charge has been paid or it has been established to the reasonable satisfaction of the Issuer that no such tax or other charge is due.

2.5 Fractional Shares. The Issuer shall not be required to issue a fractional Share upon the exercise of this Warrant. As to any fraction of a Share which the Holder would otherwise be entitled to purchase upon such exercise, the Issuer shall pay a cash adjustment in respect of such final fraction (calculated on an aggregate basis for all Warrants exercised) in an amount equal to the same fraction of the Current Market Price per Share of a Warrant Share on the date of exercise.

2.6 Limitation on Conversion. Notwithstanding anything herein to the contrary, the Issuer shall not be obligated to affect any conversion of all or any portion of this Warrant, and the Holder shall not have the right to convert all or any portion of this Warrant, to the extent that,

after giving effect to an attempted conversion, the Holder (together with its Affiliates and its permitted assignees and any other Person whose beneficial ownership of Shares would be aggregated with the Holder and its permitted assignees for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the Securities and Exchange Commission, including any “group” of which Holder and its permitted assignees is a member) would have acquired a number of Shares as a result of one or more conversions or otherwise in excess of 19.99% of the number of Shares outstanding immediately prior to the Closing Date. The Holder and each permitted assignee shall supply all information necessary to ensure compliance with this Section 2.6, and the Issuer shall be entitled to rely on representations made to it by the Holder and its permitted assignees regarding the ownership limitation set forth in this Section 2.6.

3. **TRANSFER, DIVISION AND COMBINATION.**

3.1 Transfer. Subject to compliance with all applicable securities laws, this Warrant may be Transferred to an Affiliate of the Holder at any time and from time to time, in whole or, in the case of a partial Transfer, in a Transfer of not less than 1,000,000 Shares subject to this Warrant. Such Transfer shall be registered on the books of the Issuer to be maintained for such purpose, upon surrender of this Warrant at the principal office of the Issuer at the address set forth in the Warrant Agreement, together with a written assignment of this Warrant duly executed by the Holder or its agent or attorney. Upon such surrender, the Issuer shall execute and deliver a new Warrant or Warrants in the name of the transferee or transferees and in the denomination specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Such Warrant, if properly assigned in compliance with any restrictions on Transfer and properly registered on the books of the Issuer, may be exercised by a new Holder for the purchase of Shares without having a new Warrant issued.

3.2 Maintenance of Books. The Issuer agrees to maintain, at its aforesaid office or agency, a ledger recording the Holder(s) of this Warrant and any subsequent Transfer of this Warrant in compliance with Section 3.1.

4. **ADJUSTMENTS.** The number of Shares for which this Warrant is exercisable shall be subject to adjustment from time to time as set forth in this Section 4. The Issuer shall give the Holder notice of any event described below, which requires an adjustment pursuant to this Section 4 at the time of such event.

4.1 Distributions, Subdivisions and Combinations. If, at any time, the Issuer:

(a) takes a record of holders of its Shares for the purpose of entitling them to receive a distribution payable in, or other distribution of, Additional Shares,

(b) subdivides its outstanding Shares into a larger number of Shares, or

then the number of Shares for which this Warrant is exercisable immediately after the occurrence of any such event shall be adjusted to equal the number of Shares that a record holder of the same number of Shares for which this Warrant is exercisable immediately prior to the occurrence of such event would own or be entitled to receive after the happening of such event. If the Issuer subdivides its outstanding Shares into a larger number of Shares, the Exercise Price shall be proportionately decreased. If the Issuer combines its outstanding Shares into a lesser number of Shares, the Exercise Price shall be proportionately increased.

4.2 Reorganization, Consolidation, Merger and Other Changes. In case of any capital reorganization or change in the Common Stock (other than as a result of a subdivision, combination, or stock dividend provided for in Section 4.1), or a spinoff, consolidation or merger of the Issuer with or into another entity, or the sale of all or substantially all of its assets to another entity shall be effected in such a way that holders of Common Stock shall be entitled to receive stock, securities or assets with respect to or in exchange for Common Stock, then, as a condition of such reorganization, change, spinoff, consolidation, merger or sale (each a “**Change**”), lawful provision shall be made, and duly executed documents evidencing the same from the Issuer or its successor shall be delivered to the Holder, so that the Holder shall have the right at any time prior to the Expiration Date to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such Change by a holder of the same number of Shares as were purchasable by the Holder immediately prior to such Change. In any such case appropriate provisions shall be made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per share payable hereunder, provided the aggregate purchase price shall remain the same; provided, however, that notwithstanding the foregoing, if as a result of such Change, holders of the Issuer’s Common Stock shall receive consideration other than solely in shares of stock or other securities in exchange for their Common Stock, the Issuer may, at its option, fulfill its obligations hereunder by causing a notice to be mailed to Holder at least 10 days prior to the record date for the Change, which notice shall (i) describe the nature of the proposed Change and any material terms applicable thereto, (ii) indicate the record date applicable to the Change and (iii) set forth the first and last date on which the Holder may exercise this Warrant. The Holder shall have the opportunity to exercise this Warrant in full before the applicable record date for the Change, and thereby receive consideration with respect to any such Change, on the same basis as other previously outstanding shares of Common Stock of the Issuer. If the notice specified above is provided to the Holder in accordance with this Section 4.2, this Warrant to the extent not exercised before the consummation of the Change shall be cancelled and become null and void on the effective date of the Change.

4.3 Adjustment upon Dilutive Issuance.

(a) If the Issuer at any time, and from time to time, during the Exercise Period issues or sells any Shares, other than Exempted Securities, for a price per share less than a price equal to eighty percent (80%) of the Market Price on the day of such issue or sale (the foregoing a “**Dilutive Issuance**”), then immediately after such Dilutive Issuance the number of Shares then

purchasable hereunder shall be increased by an amount determined in accordance with the following formula:

$$S2 = [(A - B) * 0.93 * C] * (S1 \div D) \div A$$

For purposes of the foregoing formula, the following definitions shall apply:

“**S2**” means the number of additional Shares purchasable hereunder immediately after the Dilutive Issuance;

“**S1**” means the number of Shares purchasable hereunder immediately prior to the Dilutive Issuance;

“**A**” means the Market Price on the day of the Dilutive Issuance;

“**B**” means the per share price for which Shares were issued in the Dilutive Issuance;

“**C**” means the number of Shares issued pursuant to the Dilutive Issuance; and

“**D**” means the number of Shares deemed outstanding on a fully diluted basis immediately prior to the Dilutive Issuance (treating for this purpose as outstanding all Shares issuable upon exercise of Options outstanding immediately prior to such Dilutive Issuance or upon conversion or exchange of Convertible Securities outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such Dilutive Issuance).

(b) Notwithstanding any other provision of this Warrant, (i) no adjustment in the number of Shares purchasable hereunder shall be made pursuant to this Section 4.3 if the Market Price on the date of the Dilutive Issuance is greater than or equal to the Market Price on the Closing Date, and (ii) no adjustment shall be made in respect of any Shares issued under this Warrant prior to the date of the Dilutive Issuance.

(c) For purposes of this Section 4.3, the following terms shall have the following meanings:

(i) “**Exempted Securities**” means (1) Shares issued to (or issuable upon exercise of Options issued to) employees or directors of, or consultants or advisors to, the Issuer or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board of Directors of the Issuer; (2) Shares issued upon the exercise or exchange of or conversion of any Options or Convertible Securities outstanding on the Closing Date and (3) Shares issued pursuant to (or issuable upon the exercise or exchange or conversion of any Options or Convertible Securities issued pursuant to) mergers, consolidations, acquisitions or any other transactions with Persons with whom the Issuer has business relationships, provided such issuances are for other than primarily equity financing purposes.

(ii) “**Market Price**” shall mean, in respect of any Shares on any date herein specified, the last reported closing price on the Trading Market on which the Shares are listed.

4.4 **Timing of Issuance of Additional Shares Upon Adjustments.** In any case in which the provisions of this Section 4 shall require that an adjustment shall become effective immediately after a record date for an event, the Issuer, after such record date and before the occurrence of such event, may defer until the occurrence of such event issuing to the Holder the Additional Shares or other property issuable or deliverable upon exercise by reason of the adjustment required by such event over and above the Shares issuable or deliverable upon such exercise before giving effect to such adjustment; provided, however, that the Issuer shall, upon request of the Holder, deliver to the Holder a due bill or other appropriate instrument evidencing the Holder’s right to receive such Additional Shares or other property upon the occurrence of the event requiring such adjustment.

4.5 **When Adjustment Not Required.** If the Issuer takes a record of holders of its Shares for the purpose of entitling them to receive a distribution or subscription or purchase rights and, thereafter and before the distribution to holders thereof, legally abandons its plan to pay or deliver such distribution, subscription or purchase rights, then thereafter no adjustment shall be required by reason of the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

4.6 **Notice of Adjustments.** Whenever the number of Shares for which this Warrant is exercisable, or whenever the price at which such Shares may be purchased upon exercise of the Warrants, is adjusted pursuant to this Section 4, the Issuer shall prepare a certificate to be executed by its chief financial officer, if any, or its principal financial officer(s) in case there is no chief financial officer, setting forth, in reasonable detail, the event requiring the adjustment and the method by which such adjustment was calculated, specifying the number of Shares for which this Warrant is exercisable and describing the number and kind of any other Shares or Other Property for which this Warrant is exercisable, and any change in the purchase price or prices thereof, after giving effect to such adjustment or change. The Issuer shall promptly cause a signed copy of such certificate to be delivered to the Holder. The Issuer shall keep at its office or agency copies of all such certificates and cause the same to be available for inspection at said office during normal business hours by the Holder.

5. **NO IMPAIRMENT.** The Issuer shall not by any action, including, without limitation, through any amendment to its articles of incorporation, through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but shall at all times in good faith assist in carrying out all such actions as may be reasonably necessary or appropriate to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Issuer shall (a) take all such action as may be reasonably necessary or appropriate in order that the Issuer may validly and legally issue fully-paid and nonassessable Shares upon the exercise of this Warrant, and (b) use its reasonable best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Issuer to perform its obligations under this Warrant.

6. **RESERVATION AND AUTHORIZATION OF SHARES.** From and after the Closing Date, the Issuer shall at all times reserve and keep available for issue upon the exercise of Warrants such number of its authorized but unissued Shares as shall be sufficient to permit the exercise in full of all outstanding Warrants. All Shares, when issued upon exercise of this Warrant and payment therefor in accordance with the terms of this Warrant, shall be duly and validly issued and fully paid and nonassessable, and not subject to preemptive rights.

7. **TAKING OF RECORD; SHARES AND WARRANT TRANSFER BOOKS.** In the case of all distributions by the Issuer to holders of its Shares with respect to which any provision of Section 4 refers to the taking of a record of such holders, the Issuer shall in each such case take such a record as of the close of business on a Business Day. The Issuer shall not at any time, except upon dissolution, liquidation or winding up of the Issuer, close its transfer books so as to result in preventing or delaying the exercise or transfer of any Warrant.

8. **RESTRICTIVE LEGEND.** This Warrant and any Warrant issued upon transfer or partial exercise of this Warrant shall be imprinted with the following legend, in addition to any legend required under applicable state securities laws:

“THIS WARRANT AND THE SECURITIES ISSUABLE UPON THE EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT AND THE WARRANT AGREEMENT.”

Each Share certificate representing Warrant Shares shall bear the following legend:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT AND THE WARRANT AGREEMENT.”

Upon request of the holder of a Share certificate, the Issuer shall issue to that holder a new certificate free of the foregoing legend, if, with such request, such holder provides the Issuer with an opinion of counsel (including in-house counsel) reasonably acceptable to the Issuer to the effect that the securities evidenced by such certificate may be sold without restriction under Rule 144 (or any other rule permitting resales of securities without restriction) promulgated under the Securities Act.

9. **SUPPLYING INFORMATION.** The Issuer shall cooperate with each Holder of a Warrant and each holder of Warrant Shares in supplying such information as may be reasonably necessary for such holder to complete and file any information reporting forms presently or hereafter required by the SEC as a condition to the availability of an exemption from the Securities Act for the sale or transfer of any Warrant or Warrant Shares.

10. LOSS OR MUTILATION. Upon receipt by the Issuer of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Warrant (which evidence shall be, in the case of an institutional investor, notice from such institutional investor of such ownership and such loss, theft, destruction or mutilation), and

12. LIMITATION OF LIABILITY. No provision hereof, in the absence of affirmative action by holder to purchase Shares, and no enumeration of the rights or privileges of holder contained herein, shall give rise to any liability of holder for the purchase price of any Share or as a holder of Shares of the Issuer, whether such liability is asserted by the Issuer or by creditors of Company.

13. MISCELLANEOUS.

13.1 Nonwaiver and Expenses. If either party fails to comply with any provision of this Warrant, it shall pay to the other party such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the other party in enforcing any of its rights, powers, or remedies hereunder. No course of dealing or any delay or failure to exercise any right hereunder on the part of a party shall operate as a waiver of such right or otherwise prejudice its rights, powers, or remedies.

13.2 Non-Survival. The parties hereby agree that all the provisions of this Warrant shall terminate and be of no further force or effect on the exercise in full of this Warrant.

13.3 Miscellaneous Provisions in Warrant Agreement. The provisions set forth in Section 6 of the Warrant Agreement shall apply to this Warrant, *mutatis mutandis*, and are hereby incorporated by reference herein.

Unless the Administrative Agent shall have been notified by any Lender prior to the applicable date of the Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's

portion of the Borrowing on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date, and the Administrative Agent may (but shall have no obligation to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender on demand. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the applicable Borrower, and such Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover on demand from such Lender or such Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to such Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if such amount is recovered from such Lender, the cost to the Administrative Agent of acquiring overnight federal funds at the then applicable rate and (ii) if such amount is recovered from a Borrower, the then applicable rate of interest as provided herein. Notwithstanding anything to the contrary herein, any amounts repaid by the Borrowers pursuant to this **Section 2.8** shall be available for reborrowing as if such amounts had never been disbursed.

2.9 Evidence of Obligations and Notes.

(a) Each Lender will maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender as a result of the Loans of such Lender, including the amounts of principal, interest and other amounts payable and paid to such Lender from time to time under this Agreement and, subject to **Section 2.9(b)** hereof, the Notes. The entries made by each Lender pursuant to the foregoing sentence shall constitute *prima facie* evidence of the existence and amounts of the Loans and other Obligations therein recorded; *provided, however*, that the failure of any Lender to maintain such account or accounts, or any error therein, shall not in any manner affect the obligations of the Borrowers to repay or pay the Loans made by such Lender, accrued interest thereon and the other Obligations of the Borrowers to such Lender hereunder in accordance with the terms of this Agreement. Each Lender will advise each Borrower of the outstanding indebtedness hereunder to such Lender upon written request therefor. If any amounts paid by a Borrower pursuant to this Agreement and the Notes, if any, issued pursuant hereto are insufficient to repay or pay the principal amount of all outstanding Loans owed by such Borrower, all accrued and unpaid interest thereon and all other Obligations, such Borrower shall be responsible for the deficiency.

(b) Each Borrower agrees that, upon request to the Administrative Agent by any Lender, such Borrower will execute and deliver to such Lender (i) in the case of Tranche A Construction Loans or Tranche B Construction Loans, a promissory note duly executed and delivered by each Borrower substantially in the form of **Exhibit B-1** hereto with blanks appropriately completed in conformity herewith (each, a "**Tranche A Construction Note**" or a "**Tranche B Construction Note**", as applicable), and (ii) in the case of Tranche A Term Loans

(c) Each Borrower hereby designates the Administrative Agent to serve as such Borrower's agent, solely for the purpose of this clause, to maintain a register (the "**Register**") on which the Administrative Agent will record each Lender's Commitments, the Loans made by each Lender, the principal amount (and stated interest) with respect to each Loan, and each repayment in respect of the principal amount of the Loans, annexed to which the Administrative Agent shall retain a copy of each Assignment and Acceptance delivered to the Administrative Agent pursuant to **Section 11.11** hereof.

Failure to make any recordation, or any error in such recordation, shall not affect the Obligations. The entries in the Register shall be rebuttably presumptive evidence of the accuracy of the information so set forth, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person in whose name a Loan is registered as the owner thereof for the purposes of all Finance Documents, notwithstanding notice or any provision herein to the contrary. Any assignment or transfer of a Commitment or the Loans made pursuant hereto shall be registered in the Register only upon delivery to the Administrative Agent of an Assignment and Acceptance that has been executed by the requisite parties pursuant to **Section 11.11** and compliance with the other provisions set forth in **Section 11.11**. No assignment or transfer of a Lender's Commitments or Loans shall be effective unless such assignment or transfer shall have been recorded in the Register by the Administrative Agent as provided in this **Section 2.9(c)** and compliance with the other provisions set forth in **Section 11.11**.

(d) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and the outstanding principal amount of Loans evidenced thereby. Failure to make such notation shall not affect the Borrowers' obligations in respect of such Loans.

2.10 **Conversions.** The Borrowers shall have the option to convert on any Business Day the principal amount of the Loans made pursuant to one or more Borrowings from one Type of Loan into a Borrowing of another Type of Loan; *provided, however*, that (i) Loans of a particular Tranche may not be so converted to another Type unless the aggregate principal amount of such Loans to be so converted equals \$1,000,000 or an integral multiple of \$500,000 in excess thereof, (ii) except as provided in **Sections 2.12, 2.15** and **2.18**, no conversion of all or any portion of any Eurodollar Loan into a Base Rate Loan may be effected on any day other than the last day of an Interest Period applicable to such Eurodollar Loan, (iii) no partial conversion of Eurodollar Loans shall reduce the outstanding principal amount of such Eurodollar Loans made pursuant to a single Borrowing to be less than \$1,000,000, (iv) Base Rate Loans may only be converted into Eurodollar Loans if no Default or Event of Default has occurred and is continuing on the date of conversion or would result from such conversion, and (v) no conversion pursuant to this **Section 2.10** shall result in a greater number of Interest Periods than is permitted under **Section 2.7** hereof. Each such conversion shall be effected by the Borrower by giving the Administrative Agent at its Notice Office prior to 11:00 a.m. (New York City time) at least three (3) Business Days' prior notice substantially in the form attached hereto as **Exhibit G** (each a "**Notice of Conversion or Continuation**") specifying (w) the principal amount of the

41

Loans to be so converted, (x) the Borrowing or Borrowings pursuant to which such Loans were made, (y) the Type of Loan from which such amount is being converted and the Type of Loan into which such amount will be converted, and (z) if such amount is to be converted into Eurodollar Loans, the Interest Period to be initially applicable thereto or, if such amount is to be continued as a Eurodollar Loan, the portion thereof to be continued and the Interest Period applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Loans.

(b) The Borrowers agree to pay interest in respect of the unpaid principal amount of each Eurodollar Loan at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of (x) the Adjusted Eurodollar Rate in effect for such Interest Period and (y) the Applicable Margin.

(c) From and after the occurrence of an Event of Default, all Obligations payable by the Borrowers hereunder or under any other Finance Document (other than any Obligations pursuant to a Required Hedging Agreement) shall bear interest at a rate (the "**Default Rate**") equal to (x) in the case of Loans, the sum of (i) the interest rate otherwise applicable hereunder and (ii) 2.00% and (y) in the case of any other Obligations, the sum of (i) the Base Rate in effect from time to time, (ii) the Applicable Margin and (iii) 2.00%, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be payable (i) in respect of each Base Rate Loan, quarterly in arrears on each Quarterly Date, (ii) in respect of Eurodollar Loans, on the last day of each Interest Period applicable thereto; provided, however, that if any Interest Period for a Eurodollar Loan exceeds three months, interest on such Eurodollar Loan shall be payable every three months after the beginning of such Interest Period, and (iii) in respect of each Loan, on any repayment or prepayment (on the amount repaid or prepaid), conversion (on the amount converted), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand. Notwithstanding the foregoing, interest payable in accordance with **Section 2.11(c)** shall be payable as provided therein.

(e) On each Interest Determination Date in respect of any Eurodollar Loan, the Administrative Agent shall determine the Adjusted Eurodollar Rate for the applicable Interest Period to be applicable to such Eurodollar Loans or to any portion thereof and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.12 **Interest Periods.** At the time it gives any Notice of Borrowing or Notice of Conversion or Continuation in respect of the making or continuation of, or conversion into, any Eurodollar Loan (in the case of the initial Interest Period applicable thereto) or on the third Business Day prior to the expiration of any Interest Period applicable to any Eurodollar Loan (in

42

the case of any subsequent Interest Period), the applicable Borrower shall have the right to elect, by giving the Administrative Agent written notice thereof, the interest period (each, an "**Interest Period**") applicable to such Eurodollar Loans, which Interest Period shall, at the option of such Borrower, be a one, two, three or six month period; *provided, however*, that:

(i) all Eurodollar Loans comprising the same Borrowing shall have the same Interest Period;

(ii) the initial Interest Period for any Eurodollar Loan shall commence on the date of Borrowing of such Loan (including the date of conversion thereof from a Loan of a different Type) and each Interest Period occurring thereafter in respect of such Eurodollar Loan shall commence on the last day of the immediately preceding Interest Period;

(iii) if any Interest Period begins on a day for which there is no numerically corresponding day in the month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such month;

(iv) if any Interest Period would otherwise end on a day that is not a Business Day, such Interest Period shall be extended to the next succeeding Business Day unless the result of such extension would be to carry such Interest Period into another month, in which event such Interest Period shall end on the immediately preceding Business Day;

(v) no Interest Period shall extend beyond the Tranche A Final Maturity Date or Tranche B Final Maturity Date, as applicable;

(vi) no Interest Period with respect to a Term Loan may be elected that would extend beyond any applicable Term Loan Principal Payment Date unless the aggregate principal amount of Term Loans of the same Tranche outstanding having Interest Periods which end on or before such date shall be at least equal to or greater than the principal due in respect of such Term Loan on such date; and

(vii) no Interest Period in respect of any Loans shall be selected at any time when a Default or Event of Default exists.

If upon the expiration of any Interest Period, the Borrowers have failed to elect, or are not permitted to elect, a new Interest Period to be applicable to such Eurodollar Loans as provided above, the Borrowers shall be deemed to have elected to convert such Eurodollar Loans into Base Rate Loans effective as of the expiration date of such current Interest Period.

2.13 Termination and Reduction of Commitments.

(a) Unless otherwise previously terminated, the Tranche A Construction Loan Commitments shall terminate on the Tranche A Construction Loan Maturity Date; *provided* that if such date is also the Facility A Conversion Date, the Tranche A Term Loan Commitments shall terminate only upon and after giving effect to the conversion of the Tranche A Construction Loans into Tranche A Term Loans on such date.

43

(b) Unless otherwise previously terminated, the Tranche B Construction Loan Commitments shall terminate on the Tranche B Construction Loan Maturity Date; *provided* that if such date is also the Facility B Conversion Date, the Tranche B Term Loan Commitments shall terminate only upon and after giving effect to the conversion of the Tranche B Construction Loans into Tranche B Term Loans on such date.

(c) If the Initial Funding Date for Tranche A Construction Loans does not occur prior to December 31, 2014, then the Tranche A Construction Loan Commitments shall be terminated in their entirety on such date.

(d) If the Initial Funding Date for Tranche B Construction Loans does not occur prior to December 31, 2014, then the Tranche B Construction Loan Commitments shall be terminated in their entirety on such date.

(e) The Borrowers may at any time terminate, or from time to time reduce, any of the Commitments within a Tranche; *provided* that (i) each reduction of such Commitments shall be in an amount that is an integral multiple of \$5,000,000 (or, if less, such remaining Commitments), (ii) in the case of termination or reduction of Construction Loan Commitments, the applicable Borrower shall have demonstrated to the satisfaction of the Required Lenders the ability to pay, by means satisfactory to the Required Lenders, all remaining Facility A Project Costs necessary to cause the Facility A Project Completion Date to occur no later than the Facility A Date Certain and all remaining Facility B Project Costs necessary to cause the Facility B Project Completion Date to occur no later than the Facility B Date Certain, *provided* that, notwithstanding the foregoing, the Borrowers may terminate the Construction Loan Commitments in their entirety at any time if done so in connection with the full repayment of the outstanding Obligations and (iii) any reduction in the Construction Loan Commitments pursuant to this **Section 2.13(e)** shall automatically result in a corresponding reduction of the Term Loan Commitments of the same Tranche.

(f) The Borrowers shall notify the Administrative Agent of any election to terminate or reduce the Commitments under clause (c) above at least ten (10) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice from the Borrowers, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrowers to the Administrative Agent pursuant to this **Section 2.13** shall be irrevocable.

2.14 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of a Finance Party under any Finance Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable

44

Finance Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. The Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes and shall timely reimburse the Administrative Agent for any Other Taxes paid by the Administrative Agent.

(c) Indemnification by the Finance Parties. The Finance Parties shall jointly and severally indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts

payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that a Finance Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Finance Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.11(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Finance Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Finance Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by a Finance Party to a Governmental Authority pursuant to this Section 2.14, the Finance Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Finance Document shall deliver to the applicable Borrower and the Administrative Agent, at the time or times reasonably requested by such Borrower or the Administrative Agent, such properly completed and executed

45

documentation reasonably requested by such Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by a Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by such Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the applicable Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the applicable Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Finance Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Finance Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

46

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, as applicable, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Finance Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the applicable Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by such Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by such Borrower or the Administrative Agent as may be necessary for such Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the applicable Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Survival. Each party's obligations under this **Section 2.14** shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Finance Document.

(h) Defined Term. For purposes of this **Section 2.14**, the term "applicable law" includes FATCA.

47

2.15 Illegality.

(a) If any Lender determines that the introduction of any Law, or any change in any Law, or in the interpretation or administration of any Law, makes it unlawful, or that any central bank or other Governmental Authority has asserted that it is unlawful, for any Lender or its Applicable Lending Office to make a Eurodollar Loan and such determination is applied to other borrowers of such Lender or its Affiliates, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligation of such Lender to make such Loan shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist.

(b) If any Lender determines that the introduction of any Law, or any change in any Law, or in the interpretation or administration of any Law, makes it unlawful, or that any central bank or other Governmental Authority has asserted that it is unlawful, for any Lender or its Applicable Lending Office to make a Eurodollar Loan and such determination is applied to other borrowers of such Lender or its Affiliates, the Borrowers shall, upon its receipt of notice of such fact and demand from such Lender (with a copy to the Administrative Agent), prepay in full the Eurodollar Loans of such Lender then outstanding, together with interest accrued thereon and amounts required under **Section 2.16** or **2.17**, if any, either on the last day of the Interest Period in respect of such Eurodollar Loan, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loan. If the Borrowers are required so to prepay any Eurodollar Loan, then concurrently with such prepayment, the Borrowers shall, notwithstanding any otherwise applicable restriction, prohibition or requirement herein, borrow (and be deemed to have so borrowed) from the affected Lender a Base Rate Loan in the amount of the principal amount of the Eurodollar Loan so prepaid.

(c) If the obligation of any Lender to make or maintain Eurodollar Loans has been so terminated or suspended, the Borrowers may elect, by giving notice to such Lender through the Administrative Agent, that all Loans which would otherwise be made by such Lender as Eurodollar Loans shall instead be Base Rate Loans.

(d) Before giving notice to the Administrative Agent under this **Section 2.15**, the affected Lender shall designate a different Applicable Lending Office with respect to its Eurodollar Loans if such designation will avoid the need for giving such notice or making such demand and will not, in the sole judgment of such Lender, be illegal or otherwise disadvantageous to such Lender.

2.16 Increased Costs and Reduction of Return.

(a) If, due to any Change in Law, there shall be:

(i) any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loans,

(ii) subject any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

48

(iii) any reduction in the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount),

then the Borrowers shall be liable for, and shall from time to time, within thirty (30) days of demand therefor by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender, additional amounts as are sufficient to compensate such Lender for such increased costs; provided, that the Borrowers shall not be required to compensate any Lender pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers in writing of the increased costs or reductions and of such Lender's intention to claim compensation thereof; provided, further, that if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender shall have determined that any Change in Law regarding any Capital Adequacy Regulation has or would have the effect of reducing the rate of return on such Lender's capital to a level below that which such lender could have achieved but for such Change in Law (taking into consideration such Lender's or such Person's policies with respect to capital adequacy and such Lender's desired return on capital) and such

determination is applied to other borrowers of such Lender or its Affiliates, then, within thirty (30) days of demand therefor by such Lender to the Borrowers through the Administrative Agent, the Borrowers shall pay to such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender for such reduction; provided, that the Borrowers shall not be required to compensate any Lender pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers in writing of the increased costs or reductions and of such Lender's intention to claim compensation thereof; provided, further, that if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(c) Before giving notice to the Administrative Agent under **Section 2.16(a)**, the affected Lender shall designate a different Applicable Lending Office with respect to its Loans if such designation will avoid the need for giving such notice or making such demand and will not, in the sole judgment of such Lender, be illegal or otherwise disadvantageous to such Lender.

2.17 **Funding Losses.** The Borrower shall reimburse each Lender and hold each Lender harmless from any loss or expense which such Lender may sustain or incur as a consequence of:

- (a) the failure of either Borrower to make on a timely basis any scheduled payment of principal of any Loan;

49

(b) the failure of either Borrower to borrow or convert a Loan after such Borrower has given (or is deemed to have given) a Notice of Borrowing or a Notice of Conversion or Continuation;

- (c) the failure of either Borrower to make any prepayment in accordance with any notice delivered under **Section 8.2**;

(d) subject to **Section 8.7(d)**, the prepayment or repayment (including pursuant to **Section 8.1, 8.2** or **8.3**) or other payment (including after acceleration thereof) of a Eurodollar Loan on a day that is not the last day of the applicable Interest Period; or

- (e) the conversion of any Eurodollar Loan to a Base Rate Loan on a day that is not the last day of the applicable Interest Period;

including any such loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain its Loan or from fees payable to terminate the deposits from which such funds were obtained.

2.18 **Inability to Determine Rates.** If the Administrative Agent reasonably determines that for any reason adequate and reasonable means do not exist for determining the Eurodollar Rate for any Interest Period with respect to any Eurodollar Loans, or that the Eurodollar Rate applicable for any Interest Period with respect to a Eurodollar Loan does not adequately and fairly reflect the cost to the Lenders of funding such Eurodollar Loan and such determination is applied to other borrowers of the Administrative Agent and its Affiliates, the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, the obligation of the Lenders to make or continue Eurodollar Loans or to convert any Base Rate Loan into a Eurodollar Loan hereunder shall be suspended until the Administrative Agent revokes such notice in writing. Upon the receipt of such notice, the Borrowers may revoke any Notice of Borrowing or Notice of Conversion or Continuation then submitted by them. If the Borrowers do not revoke any such notice, the Lenders shall make, convert or continue the Loans, as proposed by the Borrowers, in the amount specified in the applicable notice submitted by the Borrowers, but such Loans shall be made, converted or continued as Base Rate Loans instead of Eurodollar Loans.

2.19 **Survival.** The agreements and obligations of the Borrowers in **Sections 2.14** through **2.18** shall survive the payment of the Loans, the Notes and all other Obligations (other than Obligations under any Required Hedging Agreement).

2.20 **Replacement of Lenders.** If any Lender (x) is owed increased costs or other amounts under **Section 2.14, 2.15** or **2.16**, (y) shall have become a Defaulting Lender or (z) fails to consent to a requested amendment, waiver or modification to any Finance Document in which Required Lenders have already consented to such amendment, waiver or modification but the consent of each Lender (or each Lender directly affected thereby, as applicable) is required with respect thereto, the Borrowers shall have the right, if no Default or Event of Default then exists and (in the case of (x) above) such Lender has not changed its Applicable Lending Office with the effect of eliminating such increased cost or other amount, to replace such Lender (the "**Replaced Lender**") with one or more commercial banks or other financial institutions

50

(collectively, the "**Replacement Lender**") reasonably acceptable to the Administrative Agent; *provided* that (a) at the time of any replacement pursuant to this **Section 2.20**, the Replacement Lender shall enter into one or more Assignment and Acceptances pursuant to **Section 11.11** hereof pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of the Replaced Lender at par and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (i) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Replaced Lender and (ii) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender and (b) all obligations of the Borrowers owing to the Replaced Lender (other than those specifically described in clause (a) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon the execution of the respective assignment documentation pursuant to clause (a) above and the payment of the amounts referred to in clauses (a) and (b) above, the Replacement Lender shall become a Lender hereunder, and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to **Sections 11.1, 11.2** and **11.18** and any other indemnification or expense reimbursement provisions under this Agreement or any other Finance Document, which shall survive as to such Replaced Lender in accordance with their terms. Nothing in this **Section 2.20** shall be deemed to prejudice any other rights that the Borrower may have against any Lender that is a Defaulting Lender.

2.21 **Defaulting Lenders.**

(a) **Defaulting Lender Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth herein (including in the definition of Required Lenders).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by any Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to **Section 9** or otherwise) or received by any Agent from a Defaulting Lender pursuant to **Section 11.14** shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to any Agent hereunder; *second*, if requested by the Borrowers (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released *pro rata* in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent

51

jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided, however*, that if (i) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (ii) such Loans were made at a time when the conditions set forth in **Section 3.3** and, if applicable, **Section 3.2**, were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders *pro rata*. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this **Section 2.21(a)(ii)** shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto

(iii) Certain Fees. No Defaulting Lender shall be entitled to receive any fees pursuant to **Section 8.6(a)** for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held *pro rata* by the Lenders, whereupon such Lender will cease to be a Defaulting Lender; *provided, however*, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.22 Interest During Construction.

(a) Deemed Loan Requests. Unless a Borrower shall have otherwise notified Administrative Agent at least five Business Days prior to the relevant date on which an interest payment is due (such dates, "**Interest Payment Dates**") for loans of the applicable Tranche, such Borrower shall be deemed to have requested that the amount of interest due on each Interest Payment Date occurring prior to applicable Conversion Date be paid pursuant to this **Section 2.22**. Subject to the conditions set forth in **Section 2.22(b)**, each Lender agrees to effect payment of the interest due to such Lender on each such Interest Payment Date pursuant to **Section 2.22(c)**. If a Borrower advises the Administrative Agent that it elects not to have any such interest paid pursuant to this **Section 2.22**, or if the conditions for any such payment set forth in **Section 2.22(b)** are not satisfied, then Administrative Agent shall so advise the Lenders (and the Borrowers in the case of a failure to satisfy such conditions) in writing, in which case no Loans of such Tranche shall be made pursuant to this **Section 2.22** on the relevant Interest Payment Date and such Borrower shall pay the amount of interest due on such Interest Payment Date in cash.

52

(b) Conditions. The Borrowers shall not be entitled to make any payment of interest pursuant to this **Section 2.22** unless (i) the conditions precedent set forth in **Sections 3.3(b), (c), (h), and (k)** are determined by the Administrative Agent to have been satisfied with respect to the Loans to be funded to effect such payment pursuant to **Section 2.22(c)**, (ii) if and to the extent such Loans are to be Tranche A Construction Loans, the initial Tranche A Construction Loans have already been funded and made, and (iii) if and to the extent such Loans are to be Tranche B Construction Loans, the initial Tranche B Construction Loans have already been funded and made.

(c) Deemed Funding and Payment. Subject to **Sections 2.22(a) and (b)**, on each Interest Payment Date occurring before the Conversion Date, each Lender shall book a Loan of the applicable Tranche to each Borrower in an amount equal to the amount of interest due from such Borrower to such Lender on such Interest Payment Date, and shall apply the proceeds of such Loan to payment of the interest owed by such Borrower to such Lender on such Interest Payment Date. Each such Loan shall be a Eurodollar Loan with an Interest Period of one month unless converted pursuant to **Section 2.10**. Notwithstanding anything to the contrary contained herein, in no event shall any Loans made pursuant to this Section 2.22 shall (i) cause the amount of Tranche A Construction Loans or Tranche B Construction Loans disbursed by any Lender to exceed such Lender's Tranche A Construction Loan Commitment or Tranche B Construction Loan Commitment, as applicable or (ii) cause the amount of Total Funded Construction Loans to exceed the Total Construction Commitment.

SECTION 3. CONDITIONS PRECEDENT.

3.1 Conditions to Closing. The effectiveness of this Agreement and the other Finance Documents to be executed on the date hereof shall be subject to the conditions precedent that the Administrative Agent shall have received, or shall have waived receipt of, the following, each of which shall be in form and substance reasonably satisfactory to each Lender, and that the other conditions set forth below shall have been satisfied or waived by each Lender:

(a) Transaction Documents. Each of the following Transaction Documents shall have been executed and delivered by each party thereto, and the Administrative Agent shall have received a copy thereof executed by all parties thereto:

(i) This Agreement;

(ii) The Security Agreement;

(iii) To the extent requested by any Lender, an original Tranche A Construction Note or Tranche B Construction Note for the account of such Lender, which Notes shall be appropriately completed with the name of the payee, the maximum principal amount thereof and the date of issuance (which shall be the Closing Date) inserted therein;

(iv) The Pledge Agreement;

53

(v) The Equity Contribution Agreement;

(vi) The Sponsor Guaranty;

(vii) The Warrant

(viii) The Warrant Agreement;

(ix) The Registration Rights Agreement; and

(x) The Closing Date Project Documents and the Consent Agreements related thereto.

(b) [Reserved]

(c) Charter Documents. The Administrative Agent shall have received the following documents, each certified as indicated below:

(iii) to provide that the insurance shall be primary and not excess to or contributing with any insurance or self-insurance maintained by the applicable Borrower or the Secured Parties.

(c) Waiver of Subrogation. Each Borrower hereby waives any and every claim for recovery from the Secured Parties for any and all loss or damage covered by any of the insurance policies to be maintained under this Agreement to the extent that such loss or damage is recovered under any such policy. Inasmuch as the foregoing waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise), to an insurance company (or other Person), such Borrower shall give written notice of the terms of such waiver to each insurance company which has issued, or which may issue in the future, any such policy of insurance (if such notice is required by the insurance policy) and shall cause each such insurance policy to be properly endorsed by the issuer thereof to, or to otherwise contain one or more provisions that, prevent the invalidation of the insurance coverage provided thereby by reason of such waiver.

(d) Amendment of Requirements. The Administrative Agent (acting on the instruction of the Required Lenders) may at any time, upon written notice to the Borrowers, amend the requirements (including the amount and scope of insurance coverage) and approved insurance companies described in this **Section 5.9** due to (i) new information (Project exposure or insurance products) not known on the Closing Date which in the reasonable judgment of the Administrative Agent (acting on the instruction of the Required Lenders) either renders required coverage materially inadequate (when compared to insurance carried by prudent operators and owners of facilities similar to the Project) or materially reduces the financial ability of the approved insurance companies to pay claims, (ii) changed circumstances after the Closing Date which in the reasonable judgment of the Administrative Agent (acting on the instruction of the Required Lenders) either render required coverage materially inadequate (when compared to insurance carried by prudent operators and owners of facilities similar to the Project) or materially reduce the financial ability of the approved insurance companies to pay claims, or (iii) more appropriate insurance heretofore unavailable or unaffordable becomes available on commercially reasonable terms; provided that in the case of this clause (iii), such changes shall be limited to requiring the Borrowers to obtain such insurance.

(e) Additional Provisions.

Each Borrower shall promptly notify the Administrative Agent of any Event of Loss likely to give rise to any claim exceeding \$500,000, under any builders all risk, delay in startup, marine cargo, marine cargo delay in startup, machinery breakdown, physical damage and business interruption insurance policies.

85

(iii) Loss Adjustment and Settlement. A loss under any builders all risk, delay in startup, marine cargo, marine cargo delayed in startup, machinery breakdown, physical damage or business interruption insurance policies shall be adjusted with the insurance companies, including the filing in a timely manner of appropriate proceedings, by the applicable Borrower, subject to the approval of the Administrative Agent if such loss is in excess of \$500,000. In addition the applicable Borrower may in its reasonable judgment consent to the settlement of any loss, provided that in the event that the amount of the loss exceeds \$500,000 the terms of such settlement are approved by the Administrative Agent (acting on the instructions of the Required Lenders).

(iv) Policy Cancellation and Change. Subject to the exceptions set forth on Appendix A (if any) and with the exception of any builders all risk policy which shall be non-cancelable except for nonpayment of premiums (10 days) or for non-compliance with an insurance company's recommendations, all policies of insurance required to be maintained pursuant to this Section 5.9 shall be endorsed so that if at any time they should be canceled, or coverage be reduced in any manner, such cancellation or reduction shall not be effective as to the Secured Parties for forty-five (45) days, except for non-payment of premium which shall be for ten (10) days, after receipt by the Administrative Agent of written notice from such insurer of such cancellation or reduction.

(v) Miscellaneous Policy Provisions. Subject to the exceptions set forth on Appendix A (if any), any builders all risk, delay in startup, marine cargo, marine cargo delay in startup, machinery breakdown, physical damage or business interruption insurance policies shall (A) not include any annual or term aggregate limits of liability or clause requiring the payment of an additional premium to reinstate the limits after loss except as regards the insurance applicable to the perils of flood, earth movement, sabotage and terrorism, (B) include the Secured Parties as additional named insureds as their interests may appear, and (C) include a clause requiring the insurer to make final payment on any claim within ninety (90) days after the submission of proof of loss and its acceptance by the insurer.

(vi) Separation of Interests. Subject to the exceptions set forth on Appendix A (if any), all policies shall insure the interests of the Secured Parties regardless of any breach or violation by a Borrower or any other Person of warranties, declarations or conditions contained in such policies, or any action or inaction of a Borrower or others. This provision may be satisfied through the use of an acceptable multi-insured endorsement.

86

(vii) Acceptable Policy Terms and Conditions. Except as otherwise agreed by the Administrative Agent in its sole discretion, all policies of insurance required to be maintained pursuant to this Section 5.9 shall be the same in all material respects as the policies furnished to the Insurance Advisor prior to the applicable Initial Funding Date.

(viii) Waiver of Subrogation. Subject to the exceptions set forth on Appendix A (if any) and with the exception of workers compensation insurance, all policies of insurance required to be maintained by the provisions of this Section 5.9 shall (A) provide for waivers by the insurers of subrogation in favor of the Secured Parties and their respective officers and employees and (B) provide that there shall be no recourse against any Secured Party for payment of premiums or other amounts with respect thereto.

(f) Evidence of Insurance. On or before the applicable Initial Funding Date and on an annual basis prior to each policy anniversary, each Borrower shall furnish the Administrative Agent with (i) certification of all required insurance marked "premium paid" or accompanied by other evidence of payment satisfactory to the Administrative Agent and (ii) a schedule of the insurance policies held by or for the benefit of such Borrower and required to be in force by the provisions of this Section 5.9. Such certification shall be executed by each insurer or by an authorized representative of each insurer where it is not practical for such insurer to execute the certificate itself. Such certification shall identify underwriters, the type of insurance, the insurance limits and the policy term and shall specifically list the special provisions enumerated for such insurance required by this Section 5.9. The schedule of insurance shall include the name of the insurance company, policy number, type of insurance, major limits of liability and expiration date of the insurance policies. Upon request by the Administrative Agent, each Borrower shall promptly furnish the Administrative Agent with copies of all insurance policies, binders and cover notes or other evidence of such insurance relating to the insurance required to be maintained hereunder.

(g) Reports. Concurrently with the furnishing of the certification referred to in Section 5.9(f) above, each Borrower shall furnish the Administrative Agent with a report of a nationally recognized independent insurance broker, signed by an officer of the broker, stating that in the opinion of such broker, the insurance then carried or to be renewed is in accordance with the terms of this Section 5.9.

(h) Failure to Maintain Insurance. In the event a Borrower fails, or fails to cause any Contractor, to take out or maintain the full insurance coverage required to be taken out and maintained by such Party by this Section 5.9, the Administrative Agent, upon thirty (30) days' prior notice (unless the aforementioned insurance would lapse within such period, in which event notice should be given as soon as possible) to such Borrower of any such failure, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same. All amounts so advanced therefor by the Administrative Agent shall become an additional Obligation, and the Borrowers shall forthwith pay such amounts to the Administrative Agent, together with interest thereon at the Default Rate from the date so advanced until fully paid.

87

(i) No Duty of Administrative Agent to Verify or Review. No provision of this **Section 5.9** or any provision of any other Transaction Document shall impose on any Secured Party any duty or obligation to verify the existence or adequacy of the insurance coverage maintained pursuant to this **Section 5.9**, nor shall any Secured Party be responsible for any representations or warranties made by or on behalf of the Borrowers to any insurance company or underwriter. Any failure on the part of any Secured Party to pursue or obtain the evidence of insurance required by this Agreement and/or failure of any Secured Party to point out any non-compliance of such evidence of insurance shall not constitute a waiver of any of the insurance requirements in this Agreement.

(j) Waivers of Insurance Requirements.

(i) If at any time the Administrative Agent determines in its reasonable judgment (after consultation with the Insurance Advisor) that any insurance (including the limits or deductibles thereof) required to be maintained by this **Section 5.9** is not available on commercially reasonable terms due to prevailing conditions in the commercial insurance market at such time, then upon the written request of the Borrowers together with a written report of the Borrowers' insurance broker or another independent insurance broker of nationally recognized standing in the insurance industry (x) certifying that such insurance is not available on commercially reasonable terms (and, in any case where the required maximum coverage is not reasonably available, certifying as to the maximum amount which is so available), (y) explaining in detail the basis for such broker's conclusions, and (z) containing such other information as the Administrative Agent or the Insurance Advisor may reasonably request, the Administrative Agent may (after consultation with the Insurance Advisor) temporarily waive such requirement; *provided, however*, that the Administrative Agent may, in its sole judgment, decline to waive any such insurance requirement without the consent of the Required Lenders.

(ii) At any time after the granting of any temporary waiver pursuant to clause (i) above, but not more than once in any calendar year, the Administrative Agent may request, and the Borrowers shall furnish to the Administrative Agent within fifteen (15) days after such request, an updated insurance report reasonably acceptable to the Administrative Agent and the Insurance Advisor from the Borrowers' independent insurance broker.

(iii) Any waiver granted pursuant to clause (i) above shall expire, without further action by any party, immediately upon (A) such waived insurance requirement becoming available on commercially reasonable terms, as reasonably determined by the Administrative Agent (in consultation with the Insurance Advisor) or (B) failure of the Borrowers to deliver an updated insurance report pursuant to clause (ii) above.

5.10 Events of Loss and Project Document Claims.

(a) If an Event of Loss shall occur with respect to any Collateral, the Borrowers shall (i) diligently pursue all its rights to compensation against any Person with

(b) The Administrative Agent shall be entitled to participate in any compromise, adjustment or settlement in connection with any Event of Loss under any policy or policies of insurance or in respect of any proceeding with respect to any Taking of Property of the Borrowers involving in excess of \$500,000.

(c) If either Borrower shall have a Project Document Claim against any Project Participant, such Borrower shall (i) diligently pursue all its rights to compensation against such Project Participant with respect to such Project Document Claim and (ii) cause the Net Available Amount received in respect of any such Project Document Claim to be deposited in the applicable Collateral Account as required by the Collateral Account Agreement and, in the case of Project Document Claims other than indemnity claims and delay liquidated damages, applied to prepay the Obligations, such prepayment to be made no later than the date which is three (3) days after the receipt of such proceeds. To the extent that any such amounts are paid to a Borrower, such amounts shall be held in trust for the Collateral Agent for the benefit of the Secured Parties segregated from other funds of such Borrower, and such Borrower shall cause such amounts to be deposited in the applicable Collateral Account as contemplated above as promptly as possible.

5.11 Application of Loss Proceeds.

(a) If an Event of Loss shall occur with respect to any Collateral, the applicable Borrower shall cause any Net Available Amount of any Loss Proceeds to be applied to the payment of Obligations within three (3) days of the receipt of such proceeds in accordance with **Section 8.3(b)** hereof; *provided* that, with the consent of the Required Lenders, such Borrower shall be permitted to apply such proceeds to the costs of Restoring the portion of the Project that was the subject of such Event of Loss; and *provided, further*, that, so long as no Default or Event of Default shall then exist, if such proceeds are \$500,000 or less, such Borrower shall be permitted (without the consent of the Required Lenders) to apply such proceeds to the payment of the costs of Restoring the portion of the Project that was the subject of such Event of Loss (and such proceeds shall be delivered to such Borrower in accordance with the following sentence and **Section 4.8** of the Collateral Account Agreement). If any Loss Proceeds are to be applied to the payment of Restoration costs pursuant to the preceding sentence, the Net Available Amount of such Loss Proceeds shall be remitted to the applicable Borrower from time to time as the Restoration Work progresses and shall be applied by such Borrower to the payment of the costs of Restoration, such remittance to be made pursuant to the terms of the Collateral Account Agreement and subject to the following conditions:

(i) In the opinion of the Project Engineer, the Net Available Amount of the Loss Proceeds (together with all other funds reasonably expected to be available to

89

such Borrower) is sufficient to Restore the applicable Facility and to pay all Operation and Maintenance Expenses and Tranche A Debt Service and/or Tranche B Debt Service, as applicable, and to meet its other obligations hereunder and under the other Finance Documents both prior to and following completion of the Restoration Work;

(ii) The Restoration Work shall be supervised by an architect or engineer who is satisfactory to the Administrative Agent and the Project Engineer and, before any Restoration Work is commenced, other than temporary Restoration Work to protect property or persons, to comply with governmental regulations, or to prevent interference with business, the Administrative Agent and the Project Engineer shall have approved the plans and specifications for the Restoration Work, it being understood that after giving effect to the completion of such proposed Restoration Work, the Project shall be at least equal in value and utility to the Project prior to the damage or destruction;

(iii) Each request for payment shall be made by the delivery, at least five (5) Business Days prior to the proposed payment date, of a Restoration Requisition to the Depositary Agent (with a copy to the Administrative Agent), accompanied by a certificate signed by the supervising architect or engineer and a certificate signed by the Project Engineer, in each case concurring with the statements made in such Restoration Requisition;

(b) Neither Borrower shall, without the prior written consent of the Administrative Agent, amend, revise or modify a Construction Budget to increase or decrease or otherwise change the number or type of Construction Budget categories, or request any Loans for the purpose of funding any Project Costs in excess of the amount contained in such Construction Budget for such category of Project Costs or request any Loans in respect of the Contingency in an amount which would result in the Contingency being reduced to less than 3% of the total of such Construction Budget.

The Borrowers shall cause each Project to be operated, serviced, maintained and repaired so that the condition and operating efficiency thereof will be maintained and preserved (ordinary wear and tear excepted) in all material respects in accordance and in compliance with (i) Prudent Industry Practices, (ii) such operating standards as shall be required to enforce any material warranty claims against dealers, manufacturers, vendors, contractors and sub-contractors, (iii) the terms and conditions of all insurance policies maintained with respect to such Project at any time, (iv) all requirements of Law and all Governmental Approvals applicable to such Project and (v) the terms of the Project Documents (other than any Immaterial Additional Project Documents).

5.16 Performance of Project Documents.

(a) Each Borrower shall perform and observe all of its covenants and agreements contained in any of the Project Documents (other than any Immaterial Additional Project Documents) to which it is or becomes a party, to the extent that the failure of such Borrower to perform or observe such covenant or agreement would permit any other party to such Project Document (other than such Borrower) to terminate such Project Document.

(b) Each Borrower shall take all commercially reasonable action to prevent the early termination of any Project Document (other than any Immaterial Additional Project Document), (unless such early termination is the result of the completion of performance thereunder) and shall take any and all action as may be reasonably necessary promptly to enforce its rights and to collect any and all sums due to it under the Project Documents.

(c) Each Borrower shall instruct all applicable Project Participants to make all payments payable to such Borrower to the Depositary Agent for deposit in the appropriate Collateral Account in accordance with the Collateral Account Agreement.

5.17 Operating Plan and Budget.

(a) On or before the Facility A Project Completion Date or the Facility B Project Completion Date, as applicable, the applicable Borrower shall adopt an operating plan and a budget of Operation and Maintenance Expenses in respect of the applicable Facility for the period from such date to the end of the first Operating Year of such Facility, and, no less than thirty (30) days in advance of the beginning of each Operating Year of such Facility thereafter, it shall similarly adopt an operating plan and a budget of Operation and Maintenance Expenses for such Operating Year for such Facility (such operating plan and budget for an Operating Year, an “**Operating Budget**”). Copies of the proposed Operating Budget for each Operating Year shall be furnished at least thirty (30) days before final adoption thereof to the Administrative Agent, and no Operating Budget shall be adopted without the prior written approval of the Administrative Agent and the Project Engineer. Copies of the final Operating Budget so adopted shall be furnished to the Administrative Agent promptly upon the adoption thereof.

93

(b) The applicable Borrower may at any time propose an amended annual budget for the remainder of the then current Operating Year for a Facility and, when so adopted, it shall be deemed to be and shall be effective as the annual Operating Budget for such Facility. Copies of any such

Copies of the final amended Operating Budget shall be furnished to the Administrative Agent promptly after adoption thereof.

(c) The amounts provided in the annual Operating Budget for each item and classification of Operation and Maintenance Expenses for each month of each Operating Year shall not exceed the amounts reasonably expected to be necessary therefor, and the applicable Borrower shall not expend (or submit a Transfer Date Certificate which contemplates the expenditure of) any amount for Operation and Maintenance Expenses during any month if such expenditure would cause the aggregate amount of Operation and Maintenance Expenses expended by the Borrower in such Operating Year for such Facility, after taking into account amounts theretofore paid in such Operating Year, to exceed by more than 10% the aggregate amount budgeted to be expended through such month in the applicable Operating Budget for such Facility, unless such expenditure could not reasonably be anticipated and failure to make such expenditure would have created an abnormal risk of personal injury to employees or significant physical damage to the applicable Project and, in any such event, such Borrower shall immediately advise the Administrative Agent of such excess expenditures and, within ten (10) days of the making of any such expenditure, prepare and file with the Administrative Agent an amended Operating Budget to reflect such changes.

, or pursuant to such other instructions as the Administrative Agent shall designate to the Borrowers in writing. 8.5 Net Payments. All payments made by the Borrowers hereunder or under any Note shall be made without setoff, counterclaim or other defense.

8.6 Fees.

(a) Construction Loan Commitment Fee. The Borrowers agree (jointly and severally) to pay to the Administrative Agent, for the account of each Lender that is not a Defaulting Lender, (i) a commitment fee from the Closing Date through the end of the Tranche A Construction Loan Availability Period, computed at a rate equal to 0.50% *per annum* on the daily average Modified Unutilized Tranche A Construction Loan Commitment Amount of such Lender during such period and (ii) a commitment fee from the Closing Date through the end of the Tranche B Construction Loan Availability Period, computed at a rate equal to 0.50% *per annum* on the daily average Modified Unutilized Tranche B Construction Loan Commitment Amount of such Lender during such period. Such fees shall be due and payable in arrears on (x) each Quarterly Date from the Closing Date through the end of the Tranche A Construction Loan Availability Period and through the end of the Tranche B Construction Loan Availability Period, as applicable and (y) the last day of the Tranche A Construction Loan Availability Period and the Tranche B Construction Loan Availability Period, as applicable.

(b) Upfront Commitment Fees. As set forth in the Warrant Agreement, Sponsor will issue on the Closing Date (as defined in the Warrant Agreement) to GE Energy Financial Services, Inc., on behalf of the Borrowers, warrants to purchase 500,000 shares of Sponsor common stock as an upfront commitment fee.

(c) Additional Fees. The Borrowers agree (jointly and severally) to pay to the Lenders and the Agents, for their respective accounts, such other fees as have been agreed to in writing by the Borrowers and such Persons.

8.7 Application of Payments; Sharing

(a) Subject to the provisions of this Section 8.7, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrowers in respect of any Obligations, it shall promptly distribute such payment to the Lenders and the other Secured Parties, as applicable, *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

106

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Transaction Documents, or otherwise), which, in any such case, is in excess of its ratable share of payments on account of the Obligations (other than Obligations under any Required Hedging Agreement) obtained by all Lenders, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations (other than Obligations under any Required Hedging Agreement) of the Borrowers to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; *provided, however*, that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) All prepayments of Obligations pursuant to Sections 8.3(a) through (i) shall be applied as follows: (i) in the case of the Tranche A Borrower (A) *first* to prepay all outstanding Tranche A Obligations until all such Obligations have been paid in full and (B) *second* to prepay all outstanding Tranche B Obligations until all such Obligations have been paid in full; and (ii) in the case of the Tranche B Borrower (A) *first* to prepay all outstanding Tranche B Obligations until all such Obligations have been paid in full and (B) *second* to prepay all outstanding Tranche A Obligations until all such Obligations have been paid in full.

(d) Notwithstanding the foregoing or anything to the contrary herein, but only in respect of any mandatory prepayment under Section 8.3, the Borrowers shall have the right, by giving five Business Days' notice to Administrative Agent, in lieu of prepaying a Eurodollar Loan on a day other than the last day of an Interest Period for such Eurodollar Loan, to deposit or cause Administrative Agent to deposit into the applicable Debt Service and Related Payments Account an amount equal to the Eurodollar Loans to be prepaid. Such funds shall be held in the applicable Debt Service and Related Payments Account until the expiration of the Interest Period applicable to the Eurodollar Loan to be prepaid at which time such amount shall be used to prepay such Eurodollar Loan and any interest accrued on such amount shall be deposited into the Project Revenues Account. The deposit of amounts into the applicable Debt Service and Related Payments Account shall be deemed to satisfy Borrower's obligation to make the relevant mandatory prepayment on its due date, but shall not, however, constitute a prepayment of Loans and all Loans to be prepaid using the proceeds from the applicable Debt Service and Related Payments Account shall continue to accrue interest at the then applicable interest rate for such Loans until actually prepaid. All amounts in the applicable Debt Service and Related Payments Account shall only be invested in Permitted Investments as directed in the sole discretion of Administrative Agent. Borrower shall bear the expense and risk of any such investment.

(a) Either Agent may exercise any or all rights and remedies at law or in equity (in any combination or order that such Agent may elect), including, without prejudice to such Agent's other rights and remedies, any and all rights and remedies available under any of the Finance Documents (other than any Required Hedging Agreement).

(b) With the prior written consent of the Required Lenders, which consent may be given or withheld in the Required Lenders' sole discretion, any Contractor or any subcontractor thereof may submit an invoice on behalf of the applicable Borrower, and the Lenders may, in their sole discretion, make payments directly to such Person or any other Person. All sums advanced and disbursed pursuant to this paragraph shall be deemed to be Construction Loans of the applicable Tranche disbursed pursuant to the Finance Documents.

(c) Each Borrower hereby appoints the Administrative Agent and/or the Collateral Agent (acting on the instruction of the Required Lenders) as the attorney-in-fact of such Borrower, with full power of substitution, and in the name of such Borrower, if the Administrative Agent and/or the Collateral Agent elects to do so at any time upon the occurrence and during the continuance of any Event of Default, to (i) make such changes in the Plans and Specifications, employ such engineers and contractors as may be required, and advance and apply such sums as are necessary, including any proceeds of the Loans, for the purpose of completing the construction of the Facilities, (ii) disburse and directly apply the proceeds of any Loan to the satisfaction of any of such Borrower's obligations hereunder or under any other Finance Document, (iii) hold, use, disburse and apply the Loans for payment of any Project Costs, and/or the payment or performance of any obligation of such Borrower under any Project Document, (iv) advance and incur such expenses as the Required Lenders deem necessary for the completion of construction of the Facilities and to preserve the Projects, (v) disburse any portion of any Loan, from time to time, to Persons other than the Borrowers for the purposes specified herein or in any other Transaction Document, (vi) construct, maintain or operate the Facilities, (vii) execute all applications and certificates in the name of such Borrower as may be required for construction and operation of the Facilities, (viii) endorse the name of such Borrower on any checks or drafts representing proceeds of any insurance policies, or other checks or instruments payable to such Borrower with respect to the Projects, (ix) do every act with respect to the Transaction Documents and the construction and operation of the Projects that such Borrower may do, and (x) prosecute or defend any action or proceedings incident to the Projects. The power-of-attorney granted hereby is a power coupled with an interest and is irrevocable. The Administrative Agent and the Collateral Agent shall have no obligation to undertake any of the foregoing actions, and, if it takes any such action it shall have no liability to the Borrowers to continue the same or for the sufficiency or adequacy thereof. At the request of the Administrative Agent or the Collateral Agent, each Borrower shall ratify all actions taken by the Administrative Agent or the Collateral Agent (as applicable) hereunder.

113

(d) Any funds of any Lender or the Administrative Agent (including the proceeds of any Loans) used for any purpose referred to in this Section 9.3, whether or not in excess (without obligating any Lender to fund any Loans in excess of its Commitment) of the relevant Commitments shall (i) be governed hereby, (ii) constitute a part of the Obligations secured by the Security Documents, (iii) bear interest at the Default Rate, and (iv) be payable upon demand by such Lender or the Administrative Agent, as applicable.

SECTION 10. THE AGENTS

10.1 Appointment.

(a) Each Lender hereby irrevocably (subject to Section 10.9 hereof) designates and appoints General Electric Capital Corporation as Administrative Agent and Collateral Agent of such Lender under this Agreement and the other Finance Documents, and each such Lender irrevocably authorizes each of the Administrative Agent and the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and each other Finance Document to which the Administrative Agent or the Collateral Agent (as applicable) is a party and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent or the Collateral Agent (as applicable) by the terms of this Agreement or any such other Finance Document, together with such other powers as are reasonably incidental thereto.

(b) Each Lender hereby irrevocably (subject to Section 6.4 of the Collateral Account Agreement and Section 10.9 hereof) consents to the appointment by the Administrative Agent of the Depositary Agent under the Collateral Account Agreement and each other Finance Document to which it is a party, and hereby authorizes such Depositary Agent to take such actions on its behalf under the provisions of the Finance Documents, and to exercise such powers and perform such duties as are expressly delegated to it by the terms thereof, together with such powers as are reasonably incidental thereto.

(c) Each of the Lenders authorizes and directs, respectively, each Agent to execute, deliver and perform each of the Finance Documents to which such Agent is or is intended to be a party and each Lender agrees to be bound by all of the agreements of such Agent contained in the Finance Documents.

(d) Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Finance Document, none of the Agents shall have any duties or responsibilities except those expressly set forth herein and in the other Finance Documents to which such Agent is a party, nor shall any of the Agents have or be deemed to have any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Finance Document or otherwise exist against any of the Agents. Without limiting the generality of the foregoing sentence, the use of the terms “Administrative Agent”, “Collateral Agent” and “Depositary

Agent” in this Agreement with reference to the Administrative Agent, the Collateral Agent and the Depositary Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such terms are used merely as a matter of market custom, and are intended to create or reflect only a relationship between independent contracting parties.

10.2 Delegation of Duties. Any of the Agents may execute any of its duties under this Agreement or any other Finance Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. None of the Agents shall be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects with reasonable care.

10.3 Liability of the Agents. None of the Agents or any Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Transaction Document (other than any Project Document to which it is a party) or the transactions contemplated hereby including, without limitation, any consents, approvals or objections provided by any Agent under the Collateral Account Agreement (except for its own gross negligence or willful misconduct) or (b) be responsible in any manner to any of the Secured Parties or any other Person for any recital, statement, representation or warranty made by a Borrower or any Affiliate of a Borrower, or any officer thereof, contained in this Agreement or in any other Transaction Document, or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Transaction Document, or for the value of or title to any Collateral, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Transaction Document, or for any failure of a Borrower or any other party to any Transaction Document (other than itself) to perform its obligations hereunder or thereunder. None of the Agents or any Agent-Related Person shall be under any obligation to any Secured Party to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Transaction Document, or to inspect the Properties, books or records of a Borrower or any Affiliate of a Borrower. Notwithstanding any other provision of the Finance Documents, in no event shall the Collateral Agent be required to foreclose on or take possession of the Collateral, if, in the judgment of the Collateral Agent, such action would be in violation of any applicable Law, rule or regulation, or if the Collateral Agent reasonably believes that such action would result in the incurrence of liability by the Collateral Agent for which it is not fully indemnified.

10.4 Reliance by the Agents. Each of the Agents shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, e-mail, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telecopy, telex, teletype, or telephone message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to a Borrower), independent accountants and other experts selected by any such Agent. Each Agent may deem and treat the payee of any note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each of the Agents shall be fully justified in failing or refusing to take any action under this Agreement or any other Transaction Document (other than any Project Document to which it or any of its Affiliates is a party) unless such Agent shall first

receive such advice or concurrence of the Required Lenders (or, where unanimous consent of the Lenders is expressly required hereunder, all of the Lenders) as such Agent deems appropriate or such Agent shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each of the Agents shall in all cases be fully protected by the Lenders in acting, or in refraining from acting, under this Agreement or any other Transaction Document in accordance with a request or consent of the Required Lenders (or, where unanimous consent of the Lenders is expressly required hereunder, all of the Lenders) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Secured Parties.

10.5 Notice of Default. No Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless such Agent shall have actually received written notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “Notice of Default.” If any Agent actually receives any such notice of the occurrence of a Default or an Event of Default, it shall give notice thereof to each other Agent and the Lenders. Each Agent shall take such action with respect to such Default or Event of Default as may be reasonably requested by the Required Lenders in accordance with this Section 10; provided, however, that unless and until such Agent has received any such request, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders.

10.6 Credit Decision. Each Lender expressly acknowledges that none of the Agents or the Agent-Related Persons has made any representation or warranty to it, and that no act by any of the Agents hereafter taken, including any review of the Projects or of the affairs of the Borrowers, shall be deemed to constitute any representation or warranty by any Agent or Agent-Related Person to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, Property, financial and other condition and creditworthiness of each Borrower, the Projects, the value of and title to any Collateral, and all applicable bank regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent or Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Transaction Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, Property, financial and other condition and creditworthiness of each Borrower and the Projects. Except for notices, reports and other documents expressly required pursuant to any Finance Document to be furnished to the Lenders by the Agents, the Agents shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, Property, financial and other condition or creditworthiness of the Projects or of any Borrower which may come into the possession of any Agent or any of the Agent-Related Persons.

116

10.7 Indemnification of Agents.

(a) Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent (in its capacity as such) and the Agent-Related Persons (to the extent not reimbursed by or on behalf of the Borrowers and without limiting the obligation of the Borrowers to do so), *pro rata* in accordance with the aggregate principal amount of the Loans held by such Lender, from and against any and all Indemnified Liabilities; provided, however, that no Lender shall be liable for the payment to any Agent or the Agent-Related Persons of any portion of such Indemnified Liabilities to the extent determined in the final, non-appealable judgment of a court of competent jurisdiction to have resulted solely from such Agent's gross negligence or willful misconduct.

(b) Without limitation of the foregoing, each Lender shall reimburse each Agent (in its capacity as such) upon demand for its ratable share as provided above of any costs or out-of-pocket expenses (including reasonable Attorney Costs) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Transaction Document or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Borrower.

(c) The undertakings of the Lenders in this Section 10.7 shall survive the payment of all Obligations hereunder and the resignation or replacement of any Agent.

10.8 Agents in Individual Capacities. Each of the Agents and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each Borrower or its respective Affiliates as though such Agent were not an Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding a Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Borrower or such Affiliates) and acknowledge that the Agents shall be under no obligation to provide such information to them. Any Agent which is also a Lender hereunder shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include such Agent in its individual capacity.

10.9 Successor Agents.

(a) The Administrative Agent may, on the instructions of the Required Lenders, remove and replace the Depositary Agent pursuant to the terms and conditions of the Collateral Account Agreement and may, on the instructions of the Required Banks, direct the Depositary Agent according to the terms of this Agreement and the relevant Finance Documents.

(b) Subject to the appointment and acceptance of a successor as provided below, following the Conversion Date, the Administrative Agent or the Collateral Agent may resign at any time by giving notice thereof to the Lenders and the Borrowers, and the

117

Administrative Agent or the Collateral Agent may be removed at any time following the Conversion Date with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor Administrative Agent or the Collateral Agent. If no successor Administrative Agent or Collateral Agent shall have been appointed by the Required Lenders and shall have accepted such appointment with thirty (30) days after the resigning Administrative Agent's or Collateral Agent's giving of notice of resignation or the giving of any notice of removal of the Administrative Agent or the Collateral Agent, then the Borrowers may appoint a successor to such Administrative Agent or Collateral Agent. If the Collateral Agent shall resign or be removed pursuant to the foregoing provisions, upon the appointment of a successor Collateral Agent hereunder, the former Collateral Agent shall deliver all Collateral then in its possession to the successor Collateral Agent. Upon its appointment as a successor Administrative Agent or Collateral Agent hereunder, such successor Administrative Agent or Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of such resigning or removed Administrative Agent or Collateral Agent, and such resigning Administrative Agent or Collateral Agent or removed Administrative Agent or Collateral Agent shall be discharged from its duties and obligations hereunder.

(c) After any Agent's resignation or removal, the provisions of this Section 10 and of Sections 11.1 and 11.2 hereof shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent.

SECTION 11. MISCELLANEOUS

11.1 Costs and Expenses. The Borrowers shall pay, within five (5) Business Days after demand, (a) all reasonable costs and expenses of the Administrative Agent, the Collateral Agent and the Depositary Agent incurred after the Closing Date in connection with the preparation, issuance, execution, delivery, filing, recording and administration of this Agreement, the other Transaction Documents, and any other documents which may be delivered in connection herewith or therewith, including all reasonable costs and expenses with respect to the Platform, all reasonable engineers', architects', environmental, fuel, insurance and other consultants' fees (including any such fees incurred in connection with the preparation of any report referred to herein and any inspections pursuant hereto), all reasonable Attorney Costs (including the reasonable fees and expenses of any local counsel) incurred by the Administrative Agent, the Collateral Agent or the Depositary Agent with respect to the transactions contemplated by this Agreement, and (b) all costs and expenses incurred by any Secured Party (including Attorney Costs) in connection with (i) any and all amounts which any Secured Party has paid relative to curing any Event of Default resulting from the acts or omissions of the Borrower under this Agreement or any other Transaction Document, (ii) the enforcement or attempted enforcement of, or the investigation or preservation of any rights or remedies under, this Agreement or any other Transaction Document, or (iii) any amendment, waiver or consent with respect to any provision contained in this Agreement or any other Transaction Document.

11.2 Indemnity. Whether or not the transactions contemplated hereby are consummated:

118

(a) The Borrowers shall pay, indemnify, and hold each Secured Party and each of their respective Affiliates and each of its and their officers, directors, employees, counsel, agents and attorneys-in-fact (each, an "Indemnified Person") harmless from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, charges, expenses or disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time (including at any time following repayment of the Loans or the termination, resignation or replacement of any Agent or any Lender) be imposed on, incurred by or asserted against any such Person in any way relating to or arising out of this Agreement or any other Transaction Document (other than with respect to any Lender Affiliate Project Participant, any Lender Affiliate Project Document to which it is a party), including the Security Documents and any other document or instrument contemplated by or referred to herein or therein, or the transactions contemplated hereby and thereby, or any action taken or omitted by any such Person under or in connection with any of the foregoing, including with respect to the exercise by any Secured Party of any of its respective rights or remedies under any of the Finance Documents, and any investigation, litigation or proceeding (including any bankruptcy, insolvency, reorganization or other similar proceeding or appellate proceeding) related to this Agreement or any other Transaction Document (other than with respect to any Lender Affiliate Project Participant, any Lender Affiliate Project Document to which it is a party) or the Loans, or the use of the proceeds thereof, whether or not any Indemnified Person is a party thereto (all of the foregoing, collectively, the "Indemnified Liabilities"); provided that the Borrowers shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities to the extent determined in the final, non-appealable judgment of a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of such Indemnified Person.

(b) Environmental Indemnity.

(i) Without in any way limiting the generality of the other provisions contained in this Section 11.2, each Borrower agrees to defend, protect, indemnify, save and hold harmless each Indemnified Person, whether as beneficiary of any of the Security Documents, as a mortgagee in possession, or as successor-in-interest to such Borrower by foreclosure deed or deed in lieu of foreclosure, or otherwise, from and against any and all liabilities, obligations, losses, damages (including foreseeable and unforeseeable consequential damages and punitive claims payable to third parties pursuant to a final judgment in a third-party claim), penalties, fees, claims, actions, judgments, suits, costs, disbursements (including Attorney Costs and consultants' fees and disbursements) and expenses (collectively, "Losses") that may at any time be incurred by, imposed on, asserted or awarded against any such Indemnified Person directly or indirectly based on, or arising out of or resulting from, (A) the actual or alleged presence of Hazardous Materials on, in, under or affecting all or any portion of the Sites or the Projects whether or not the same originates or emanates from the Sites or the Projects or any property adjoining or adjacent to the Sites or from properties at which any Hazardous Materials generated, stored or handled at or by the Projects were Released or disposed of, (B) any Environmental Claim against an Indemnified Person relating to the Sites or the Projects, or (C) any liability incurred by an Indemnified Person under Environmental Laws as a result of the exercise of any Secured Party's rights under any of the provisions of the Security Documents (the "Indemnified Matters"), whether any of the Indemnified Matters arise before or after foreclosure of any of the Security Interests or other taking of

119

title to all or any portion of the Collateral by any Secured Party, including (x) the costs of remediation of Hazardous Materials required at any portion of the Sites or the Projects or any property adjoining or adjacent to the Sites pursuant to Environmental Law or as the result of the resolution of an Environmental Claim, (y) additional costs required to take reasonable precautions to protect against the Release of Hazardous Materials on, in, under or affecting the Sites or the Projects, into the air, any body of water, any other public domain or any surrounding areas, and (z) costs incurred to comply, in connection with all or any portion of the Sites or any surrounding areas, with all applicable Environmental Laws with respect to Hazardous Materials, regardless of whether any of the Indemnified Matters or Losses are caused by or result from the negligence or strict liability of any Indemnified Person, except with respect to any such Indemnified Matter to the extent determined in the final, non-appealable judgment of a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of such Indemnified Person.

(ii) In no event shall any site visit, observation, or testing by any Indemnified Person (or any representative of any such Person) be deemed to be a representation or warranty that Hazardous Materials are or are not present in, on, or under, the Sites or the Projects, or that there has been or shall be compliance with any Environmental Law. Neither the Borrowers nor any other Person is entitled to rely on any site visit, observation, or testing by any Indemnified Person. No Indemnified Person owes any duty of care to protect the Borrowers or any other Person against, or to inform the Borrowers or any other Person of, any Hazardous Materials or any other adverse condition affecting the Sites, the Facilities or the Projects. No Indemnified Person shall be obligated to disclose to the Borrowers or any other Person any report or findings made as a result of, or in connection with, any site visit, observation, or testing by any Indemnified Person.

(iii) Notwithstanding the foregoing, the provisions of this Section 11.2(b) shall not (i) require the Borrowers to indemnify any Lender Affiliate Project Participant for any Losses arising as a result of any action or inaction of such Lender Affiliate Project Participant under the applicable Lender Affiliate Project Document or (ii) release any Lender Affiliate Project Participant from any of its obligations under any Lender Affiliate Project Document.

(c) Survival; Defense. The obligations in this Section 11.2 shall survive payment of the Loans and all other Obligations. At the election of any Indemnified Person, each Borrower's indemnification obligations under this Section 11.2 shall include the obligation to defend such Indemnified Person using legal counsel satisfactory to such Indemnified Person, at the sole cost and expense of the Borrowers. All amounts owing under this Section 11.2 shall be paid within five (5) days after demand.

(d) Contribution. To the extent that any undertaking in the preceding paragraphs of this Section 11.2 may be unenforceable because it is violative of any law or public policy, each Borrower will contribute the maximum portion that it is permitted to pay and satisfy under applicable Law to the payment and satisfaction of such undertaking.

120

(e) Settlement. So long as the Borrowers are in compliance with their obligations under this Section 11.2, the Borrowers shall not be liable to any Indemnified Person under this Section 11.2 for any settlement made by such Indemnified Person without the Borrowers' consent.

(f) Limitation on Liability. Each Borrower agrees not to assert any claim against any Agent, any Lender or any of their Affiliates, or any of their respective officers, directors, employees, agents, and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to this Agreement or any of the other Transaction Documents (other than against a Lender Affiliate Project Party pursuant to a Lender Affiliate Project Document), the actual or proposed use of the proceeds of the Loans or any of the transactions contemplated by the Transaction Documents (other than against a Lender Affiliate Project Party pursuant to a Lender Affiliate Project Document).

11.3 Notices.

(a) All notices, requests, demands, documents, reports, information, financial statements, certificates, materials and other communications (collectively, the "Communications") provided for hereunder shall be in writing including, unless the context expressly otherwise provides, by facsimile or other electronic transmission (including by email and, with respect to Communications by a Borrower to the Lenders, as a result of the same having been posted on the Platform by the Administrative Agent following delivery thereof by a Borrower to the Administrative Agent as provided herein); provided that any matter transmitted by a Borrower by facsimile or other electronic transmission (other than any such transmissions which were posted on the Platform for the benefit of the Lenders) (i) shall be immediately confirmed by a telephone call to the recipient at the number specified on the applicable signature page hereof and (ii) shall be followed promptly by a hard copy original thereof to the Administrative Agent by express courier. All Communications shall be transmitted or delivered to the address, facsimile number or email address specified on the applicable signature page hereof or to such other address, facsimile number or email address as shall be designated by such party in a written notice to the other parties hereto.

(b) All Communications (i) sent by express courier will be effective upon delivery to or refusal to accept delivery by the addressee and (ii) transmitted by facsimile or other electronic transmission will be effective when sent and confirmation of receipt received by the sender; except that all Communications to any Agent shall not be effective until actually received.

(c) Each Borrower acknowledges and agrees that any agreement of the Secured Parties to receive certain Communications by telephone, facsimile or other electronic transmission is solely for the convenience and at the request of such Borrower. The Secured Parties shall be entitled to rely on the authority of any Person purporting to be a Person authorized by a Borrower to give such Communications and the Secured Parties shall not have any liability to the Borrowers or other Person on account of any action taken or not taken by any of the Secured Parties in reliance upon such telephonic, facsimile or other electronically transmitted Communications.

121

(d) Each Borrower further acknowledges and agrees that any Agent may make any Communications received from the Borrowers available to the Lenders by posting such Communications on a secure electronic transmission system (the "Platform"). The Platform is provided "as is" and "as available." The Agents do not warrant the accuracy or completeness of any Communications or the adequacy of the Platform and expressly disclaim liability for errors or omissions in any Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Agent in connection with any Communications or the Platform. In no event shall any Agent or any of its officers, directors, employees, counsel, agents, attorneys-in-fact and Affiliates have any liability to the Borrowers, any Lender or any other Person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of a Borrower's or such Agent's transmission of any Communications through the Internet, except to the extent the liability of such Person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Person's gross negligence or willful misconduct.

11.4 Benefit of Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the parties hereto. The Borrowers may not assign or otherwise transfer any of its rights or obligations under this Agreement or any of the other Finance Documents.

11.5 No Waiver; Remedies Cumulative. No failure or delay on the part of any of the Secured Parties or the holder of any Note or Loan in exercising any right, power or privilege hereunder or under any other Finance Document and no course of dealing between any Borrower and any Secured Party or the holder of any Note or Loan shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Finance Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. No notice to or demand on a Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Secured Party or the holder of any Note or Loan to take any other or further action in any circumstances without notice or demand. All remedies, either under this Agreement or any other Finance Document or pursuant to any applicable Law or otherwise afforded to any Secured Party, shall be cumulative and not alternative.

11.6 No Third Party Beneficiaries. The agreement of each Lender to make extensions of credit to the Borrowers on the terms and conditions set forth in this Agreement and the other Finance Documents is solely for the benefit of the Borrowers, and no other Person (including any other Project Participant, or any contractor, sub-contractor, supplier, worker, carrier, warehouseman, materialman or vendor furnishing supplies, goods or services to or for

11.7 Reinstatement. To the extent that any Secured Party receives any payment by or on behalf of a Borrower, which payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to such Borrower or to its estate, trustee, receiver, custodian or any other party under any Bankruptcy Law or otherwise, then to the extent of the amount so required to be repaid, the obligation or part thereof which has been paid, reduced or satisfied by the amount so repaid shall be reinstated by the amount so repaid and shall be included within the Obligations as of the date such initial payment, reduction or satisfaction occurred.

11.8 No Immunity. To the extent that a Borrower may be entitled, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to this Agreement or any other Finance Document, to claim for itself or its revenues, assets or Properties any immunity from suit, the jurisdiction of any court, attachment prior to judgment, attachment in aid of execution of judgment, set-off execution of a judgment or any other legal process, and to the extent that in any such jurisdiction there may be attributed to such Person such an immunity (whether or not claimed), the Borrower hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity to the fullest extent permitted by the law of the applicable jurisdiction.

11.9 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

11.10 Amendment or Waiver.

(a) No provision of this Agreement or any other Finance Document may be amended, supplemented, modified or waived, except by a written instrument signed by the Required Lenders (taking into account the provisions in Section 2.21 hereof) and each Finance Party party thereto, and, to the extent its rights or obligations may be affected thereby, the Agent or Agents party thereto. Notwithstanding the foregoing provisions, no such waiver and no such amendment, supplement or modification shall (i) increase or extend the Commitment of any Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Construction Loan Commitments of all Lenders or the Term Loan Commitments of all Lenders, shall not constitute an increase or extension of any Commitment of any Lender), without the prior written consent of such Lender, (ii) postpone or delay any date fixed by this Agreement or any other Finance Document for any payment of principal, interest, fees or other amounts due to any Lender hereunder or under any other Finance Document, without the prior written consent of such Lender, (iii) reduce the principal of, or the rate of interest (other than the application of Default Interest, which may be waived by the Required Lenders) specified in any Finance Document on, any Loan of any Lender, without the prior written consent of such Lender, (iv) release all or substantially all of the Collateral except as shall be otherwise provided in any Security Document or other Finance Document or consent to the assignment or transfer by either Borrower of any of its respective obligations under this Agreement or any other Finance Document, without the prior written consent of each Lender, (v) amend, modify or waive any condition precedent contained in Section 3 hereof, without the prior written consent of each Lender, (vi) amend, modify or

waive any provision of this Section 11.10 or Section 11.1 or 11.2 hereof, without the prior written consent of each Lender, or (vii) reduce the percentage specified in or otherwise amend the definition of Required Lenders without the prior written consent of each Lender; provided that no provision of this Agreement or any other Finance Document may be amended, supplemented, modified or waived without the prior written consent of each Secured Swap Counterparty or, in the case of a Required Hedging Agreement provided or arranged by GE Capital or an Affiliate of GE Capital, GE Capital, if such amendment, supplement, modification or waiver would alter the ratable treatment of the Obligations owing to any Secured Swap Counterparty arising under Required Hedging Agreements resulting in such Obligations being junior in right of payment to principal on the Loans or would result in such Obligations becoming unsecured (other than releases of Liens affecting all Lenders and otherwise permitted in accordance with the terms hereof) in each case in a manner adverse to any Secured Swap Counterparty; provided, further, that any reference to "Finance Documents" in this Section 11.10(a) shall be deemed to exclude any Required Hedging Agreement.

(b) Any waiver and any amendment, supplement or modification made or entered into in accordance with Section 11.10(a) hereof shall be binding upon the Borrowers and the Secured Parties.

11.11 Assignments, Participations, etc.

(a) Prior to the occurrence of the Conversion Date with respect to both Tranche A Loans and Tranche B Loans, so long as no Event of Default has occurred and is continuing, each Lender agrees that it shall not be permitted to assign its interest in the Loans or its other rights and obligations hereunder and under the other Finance Documents. On or after the occurrence of such Conversion Dates (and at any time after the occurrence and during the continuance of an Event of Default), any Lender may, with the written consent of the Administrative Agent and, unless an Event of Default has occurred and is continuing, the Borrowers, in each case not to be unreasonably withheld, at any time assign to one or more Eligible Assignees (each, an "Assignee") (provided that no written consent of the Administrative Agent shall be required in connection with any assignment and delegation by a Lender to (i) an entity that is an Affiliate of such Lender or (ii) another Lender and provided that if any Borrower fails to respond to any such request for written consent within five (5) Business Days, such Borrower shall be deemed to have consented to such assignment) all or any part of any Loan and the other rights and obligations of such Lender hereunder and under the other Finance Documents; provided that (A) (x) each such assignment by a Lender of its Loans, its Notes or its Commitments shall be made in such a manner so that the same portion of its Loans, its Notes and Commitments is assigned to the Assignee, (y) each such assignment by a Lender of its Loans, its Notes or its Commitments of a particular Tranche shall be made in such a manner so that the same portion of its Loans, its Notes and Commitments of each other Tranche is assigned to the Assignee and (z) Construction Loans, Construction Notes, and Construction Loan Commitments of a particular Tranche shall only be assigned contemporaneously with Term Loan Commitments of the same Tranche, (B) in the case of an assignment of any part of a Loan or share of an assignor's commitments to any Assignee, such assignment shall not be for an amount less than \$5,000,000 or, if less, such assignor's entire interest in the Loans and/or the Commitments (provided that, in connection with simultaneous assignments to two or more related Approved Funds, such Approved Funds shall be treated as one Assignee for purposes of determining

compliance with the minimum assignment size referred to above), and (C) the Borrower and the Agents may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned until (1) written notice of such assignment, together with payment instructions, addresses and related information with respect to the Assignee, shall have been given to the Borrowers and the Administrative Agent by such assigning Lender and the Assignee, (2) the assigning Lender or Assignee has paid to the Administrative Agent a processing fee in the amount of \$3,500 (provided that only one processing fee shall be payable in connection with simultaneous assignments to two or more related Approved Funds), and (3) the assigning Lender shall have delivered to the Borrowers and the Administrative Agent an Assignment and Acceptance substantially in the form of **Exhibit F** hereto (an “Assignment and Acceptance”) with respect to such assignment from the assigning Lender.

(b) From and after the date that the Administrative Agent notifies the assigning Lender and the Borrowers that it has received (and provided its consent with respect to) an executed Assignment and Acceptance and payment of the above-referenced processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall have the rights and obligations of a Lender hereunder and under the other Finance Documents, and this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to effect the addition of the Assignee, and any reference to the assigning Lender hereunder or under the other Finance Documents shall thereafter refer to such Lender and to the Assignee to the extent of their respective interests and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Finance Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under the Finance Documents.

(c) Within five (5) Business Days after its receipt of notice from the Administrative Agent that (i) it has received an executed Assignment and Acceptance and payment of the processing fee and (ii) the Assignee has required a Note or Notes evidencing the Assignee’s assigned Commitments and Loans, the Borrowers shall execute and deliver to the Administrative Agent a new Note or Notes evidencing the Assignee’s assigned Commitments and Loans and, if the assigning Lender has retained a portion of its Loans, a replacement Note or Notes reflecting the Commitment and the principal amount of the Loans retained by the assigning Lender (such Note or Notes to be in exchange for, but not in payment of, the Note or Notes held by such Lender).

(d) Notwithstanding the foregoing provisions of this **Section 11.11** or any other provision of this Agreement, the Administrative Agent has the right, but not the obligation, to effectuate assignments of Loans and Commitments via an electronic settlement system acceptable to the Administrative Agent as designated in writing from time to time to the Lenders by the Administrative Agent (the “Settlement Service”). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be consistent with the other provisions of this **Section 11.11**. Each assigning Lender and proposed Eligible Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans and Commitments pursuant to the Settlement Service. With the prior

125

approval of the Administrative Agent, the Administrative Agent’s approval of such Eligible Assignee shall be deemed to have been automatically granted with respect to any transfer effected through the Settlement Service. Assignments and assumptions of the Loans and the Commitments shall be effected by the provisions set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full pro rata share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Any Lender may at any time on or after the occurrence of the Conversion Date with respect to both Tranche A Loans and Tranche B Loans, without the consent of, or notice to, the applicable Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person or the Borrowers or any of the Borrowers’ Affiliates or Subsidiaries) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under **Sections 2.14(d)** and **10.7** with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver with respect to **Section 11.10** that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of **Sections 2.17**, and **Section 2.14** (subject to the requirements and limitations therein, including the requirements under **Section 2.14(f)** (it being understood that the documentation required under **Section 2.14(f)** shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of **Section 2.20** as if it were an assignee under paragraph (a) of this Section; and (B)

126

shall not be entitled to receive any greater payment under **Sections 2.17** or **2.14** with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant

acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.20 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.14 as though it were a Lender; provided that such Participant agrees to be subject to Section 8.7 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Finance Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Finance Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Notwithstanding any other provision contained in this Agreement or any other Transaction Document to the contrary, any Lender may assign all or any portion of the Loans held by it as collateral security; provided that any payment in respect of such assigned Loans or Notes made by the Borrowers to or for the account of the assigning or pledging Lender in accordance with the terms of this Agreement shall satisfy the Borrowers' obligations hereunder in respect to such assigned Loans or Notes to the extent of such payment. No such assignment shall release the assigning Lender from its obligations hereunder.

11.12 Survival. All indemnities set forth herein, including Sections 11.1, 11.2, 11.13 and 11.18 hereof, shall survive the execution and delivery of this Agreement and the Notes and the making and repayment of the Loans. In addition, each representation and warranty made or deemed to be made pursuant hereto shall survive the making of such representation and warranty, and no Lender shall be deemed to have waived, by reason of making any extension of credit, any Default or Event of Default which may arise by reason of such representation or warranty proving to have been false or misleading, notwithstanding that such Lender may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time such extension of credit was made.

11.13 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT ANY OF THEM MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH, THIS AGREEMENT, THE NOTES OR ANY OTHER FINANCE DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY RELATING HERETO OR THERETO. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE SECURED PARTIES TO ENTER INTO THIS AGREEMENT.

127

11.14 Right of Set-off. In addition to any rights now or hereafter granted under applicable Law or otherwise, and not by way of limitation of any such rights, upon the occurrence of an Event of Default, each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Borrowers or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by such Lender (including by branches and agencies of any Lender wherever located), to or for the credit or the account of a Borrower against and on account of the Obligations or liabilities of such Borrower to such Lender under this Agreement or any of the other Finance Documents, including all claims of any nature or description arising out of or connected with this Agreement or any other Finance Document, irrespective of whether such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. Each Secured Party agrees promptly to notify the Borrowers and the Administrative Agent after any such application made by such Secured Party, provided that the failure to give such notice shall not affect the validity of such application. Notwithstanding the foregoing, in the event that any Defaulting Lender shall exercise any right of setoff pursuant to this Section 11.14, (a) all amounts so set off shall be promptly paid over to the Administrative Agent for further application in accordance with the provisions of Section 2.21 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff.

11.15 Severability. Any provision hereof which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and without affecting the validity or enforceability of any provision in any other jurisdiction.

11.16 Domicile of Loans. Subject to Sections 2.14(e), 2.15(d) and 2.16(c), each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender.

11.17 [Reserved]

11.18 Governing Law; Submission to Jurisdiction

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) Each Borrower hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State

128

court sitting in New York County for the purposes of all legal proceedings arising out of or relating to this Agreement, any other Finance Document or the transactions contemplated hereby or thereby. Each Borrower hereby irrevocably waives, to the fullest extent permitted by applicable Law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Nothing herein shall affect the right to serve process in any other manner permitted by applicable

Law or any right to bring legal action or proceedings in any other competent jurisdiction, including judicial or non-judicial foreclosure of real property interests which are part of the Collateral. To the extent permitted by applicable Law, each Borrower further irrevocably agrees to the service of process of any of the aforementioned courts in any suit, action or proceeding by the mailing of copies thereof by certified mail, postage prepaid, return receipt requested, to such Borrower at the address referenced in **Section 11.3** hereof, such service to be effective upon the date indicated on the postal receipt returned from such Borrower.

11.19 **Patriot Act Notification.** The Administrative Agent (for itself and not on behalf of any Lender) and each Lender hereby notifies each Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify, and record certain information and documentation that identifies such Borrower, which information includes the name and address of such Borrower and such other information that will allow the Administrative Agent or such Lender, as applicable, to identify such Borrower in accordance with the Patriot Act.

11.20 **Complete Agreement.** THIS AGREEMENT AND THE OTHER FINANCE DOCUMENTS REPRESENT THE FINAL AND COMPLETE AGREEMENT OF THE PARTIES HERETO, AND ALL PRIOR NEGOTIATIONS, REPRESENTATIONS, UNDERSTANDINGS, WRITINGS AND STATEMENTS OF ANY NATURE ARE HEREBY SUPERSEDED IN THEIR ENTIRETY BY THE TERMS OF THIS AGREEMENT AND THE OTHER FINANCE DOCUMENTS.

11.21 **No Strict Construction.** The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

11.22 **Release of Collateral.** Notwithstanding anything to the contrary contained herein or in any other Finance Document, the Administrative Agent and Collateral Agent are hereby irrevocably authorized by each Secured Party (without requirement of notice to or consent of any Secured Party or Affiliate thereof except as expressly required by **Section 11.10**) to take any action requested by the Borrowers having the effect of releasing any Collateral to the extent necessary or appropriate to permit consummation of any transaction not prohibited by any Finance Document or that has been consented to in accordance with **Section 11.10**.

11.23 **Confidentiality.**

(a) Each Secured Party agrees to keep confidential all information provided to it by any Finance Party or other Secured Party pursuant to or in connection with any Transaction

129

Document; provided that nothing herein shall prevent any such Person from disclosing any such information (i) to a Secured Party or any Affiliate thereof, (ii) subject to an agreement to comply with the provisions of this **Section 11.23**, to any actual or prospective Eligible Assignee or Participant, (iii) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its Affiliates (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (iv) upon the request or demand of any Governmental Authority or regulatory authority (including any self-regulatory authority), (v) in response to any order of any court or other Governmental Authority or regulatory authority (including any self-regulatory authority) or as may otherwise be required pursuant to any applicable Law, (vi) if requested or required to do so in connection with any litigation or similar proceeding, (vii) that has been publicly disclosed other than as a result of a breach of this **Section 11.23**, (viii) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Secured Party's investment portfolio in connection with ratings issued with respect to such Secured Party, (ix) to any insurance or reinsurance company for the purpose of obtaining insurance in respect of its Loans or Commitments hereunder (provided such persons are informed of the confidential nature of such information), (x) in connection with the exercise of any remedy hereunder or under any other Transaction Document, (xi) solely with respect to the existence of the transactions contemplated in the Finance Documents, the parties thereto and the maximum amounts thereof, to market data collectors and similar service providers to the lending industry, and (xii) solely with respect to the existence of the transactions contemplated in the Finance Documents, the parties thereto and the maximum amounts thereof, to advertisers for placement in financial and other newspapers and journals or on a home page or similar place for dissemination of information on the Internet.

(b) Each Secured Party acknowledges that information furnished to it pursuant to this Agreement or the other Transaction Documents may include material non-public information concerning the Borrowers and their Affiliates and their respective directors, officers, employees, agents or advisors or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

(c) Notwithstanding the foregoing clause (a) of this Section, any party to this Agreement (and each Affiliate, director, officer, employee, agent or representative of the foregoing or such Affiliate) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated herein and all materials of any kind (including opinions or other tax analyses) that are provided to such party relating to such tax treatment or tax structure. The foregoing language is not intended to waive any confidentiality obligations otherwise applicable under this Agreement except with respect to the information and materials specifically referenced in the preceding sentence. This authorization does not extend to disclosure of any other information, including (i) the identity of participants or potential participants in the transactions contemplated herein (and no party shall disclose any information relating to such tax treatment and tax structure to the extent nondisclosure is reasonably necessary in order to comply with applicable securities laws (it being understood that, for such purpose, the tax treatment of the transactions contemplated by this Agreement is the

130

purported or claimed U.S. Federal income tax treatment of such transactions and the tax structure of such transaction is any fact that may be relevant to understanding the purported or claimed U.S. Federal income tax treatment of such transactions)), (ii) the existence or status of any negotiations, or (iii) any financial, business, legal or personal information of or regarding a party or its affiliates, or of or regarding any participants or potential participants in the transactions contemplated herein (or any of their respective affiliates), in each case to the extent such other information is not related to the tax treatment or tax structure of the transactions contemplated herein.

11.24 **Joint and Several Liability of the Borrowers.**

(a) Notwithstanding anything in this Agreement or any other Finance Document to the contrary, each Borrower hereby accepts joint and several liability hereunder and under the other Finance Documents in consideration of the financial accommodations to be provided by the Secured Parties under this Agreement and the other Finance Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrower to accept joint and several liability for the Obligations. Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this **Section 11.24**), it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction between them. If and to the extent either Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrower will make such payment with respect to, or perform, such Obligation. Subject to the terms and conditions hereof, the Obligations of each Borrower under the provisions of this **Section 11.24** constitute the absolute and unconditional, full recourse Obligations of each Borrower, enforceable against each such Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Finance Documents or any other circumstances whatsoever.

(b) The provisions of this **Section 11.24** are made for the benefit of the Secured Parties and their successors and assigns, and may be enforced by them from time to time against either or both of the Borrowers as often as occasion therefor may arise and without requirement on the part of the Secured Parties or such successors or assigns first to marshal any of their claims or to exercise any of their rights against the other Borrower or to exhaust any remedies available to them against the other Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this **Section 11.24** shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied.

(c) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrower with respect to any liability incurred by it hereunder or under any of the other Finance Documents, or any payments made by it to the Secured Parties with respect to any of the Obligations or any Collateral, until such time as all of the Obligations have been paid in full in cash. Any claim which either Borrower may have

131

against the other Borrower with respect to any payments to the Secured Parties hereunder or under any other Finance Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations.

11.25 **No Fiduciary Duty.** Each Agent, each Lender and their respective Affiliates (each, a “**Bank Party**”) may have economic interests that conflict with those of the Borrowers. The Borrowers agree that nothing in the Finance Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Bank Parties and the Borrowers, their stockholders or Affiliates. The Borrowers acknowledge and agree that (i) the transactions contemplated by the Finance Documents are arm’s-length commercial transactions between the Bank Parties, on the one hand, and the Borrowers, on the other hand, (ii) in connection therewith and with the process leading to such transactions, each Bank Party is acting solely as a principal and not the agent or fiduciary of the Borrowers, their management, stockholders, creditors or any other person, (iii) no Bank Party has assumed an advisory or fiduciary responsibility in favor of the Borrowers with respect to the transactions contemplated hereby or in any other Finance Document or the process leading thereto (irrespective of whether any Bank Party or any of its Affiliates has advised or is currently advising the Borrowers on other matters) or any other obligation to the Borrowers except the obligations expressly set forth in the Finance Documents and (iv) the Borrowers have consulted their own legal and financial advisors to the extent it deemed appropriate. The Borrowers further acknowledge and agree that they are responsible for making their own independent judgment with respect to such transactions and the process leading thereto. The Borrowers agree that they will not claim that any Bank Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrowers, their stockholder or Affiliates, in connection with such transactions or the process leading thereto.

(d) The execution and delivery of this Consent and the Assigned Agreement by the Contracting Party did not, and the fulfillment and compliance with the respective provisions hereof and thereof by the Contracting Party do not and will not, conflict with or result in a breach of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien, security interest, charge or encumbrance upon any of the properties or assets of the Contracting Party pursuant to the provisions of, or result in any violation of, the articles, by-laws or any other charter document of the Contracting Party, or any applicable law, statute, rule or regulation, or any agreement, instrument, order, judgment or decree, to which the Contracting Party is subject.

(a) From and after the date hereof and unless and until the Contracting Party shall have received written notice from the Collateral Agent that the lien of the Security Agreement has been released in full, the Collateral Agent shall have the right, but not the obligation, to pay all sums due under the Assigned Agreement by Tranche [A] [B] Borrower and to perform any other act, duty or obligation required of Tranche [A] [B] Borrower thereunder at any time; provided, that no such payment or performance shall be construed as an assumption by the Collateral Agent or any Secured Party of any covenants, agreements or obligations of Tranche [A] [B] Borrower under or in respect of the Assigned Agreement.

(b) The Contracting Party agrees that it will not terminate or suspend its obligations under the Assigned Agreement without first giving the Collateral Agent notice and opportunity to cure as provided below.

(c) If a Termination Event shall occur, and the Contracting Party shall desire to terminate or suspend its obligations under the Assigned Agreement, the Contracting Party first shall give written notice to the Collateral Agent of such Termination Event (which notice shall not be given pursuant to this paragraph until the date upon which the Contracting Party is entitled to terminate or suspend its obligations under the Assigned Agreement). If the Collateral Agent elects to exercise its right to cure as herein provided, it shall, within thirty (30) days after the receipt by it of the notice from the Contracting Party referred to in the preceding sentence, deliver to the Contracting Party a written notice stating that it has elected to exercise such right to cure, together with a written statement of the Collateral Agent that it will promptly commence to cure the Termination Event(s) described in the Contracting Party's notice, and that it will, during the cure period, diligently attempt in good faith to complete the curing of such Termination Event(s).

(d) The Collateral Agent shall have ninety (90) days after the delivery of the notice by the Collateral Agent referred to in paragraph 3(c) in which to cure the Termination Event(s) specified in such notice; provided that in the case of termination due to monetary defaults, such period to cure the Termination Event(s) shall be thirty (30) days. In the event that any such Termination Event (except monetary defaults) shall be incurable by the Collateral Agent within such ninety (90) day period, the Contracting Party shall not exercise any remedies under the Assigned Agreement if the Collateral Agent shall, within such ninety (90) day period, initiate action to cure such Termination Event and diligently attempt to complete the curing thereof. Any curing of or attempt to cure any Termination Event shall not be construed as an assumption by the Collateral Agent or the other Secured Parties of any covenants, agreements or obligations of Tranche [A] [B] Borrower under or in respect of the Assigned Agreement.

(e) If, before the Collateral Agent shall have cured any Termination Event pursuant to paragraph 3(d), Tranche [A] [B] Borrower shall have cured such Termination Event, the Contracting Party promptly shall provide the Collateral Agent with notice of such cure and the discontinuance of such Termination Event.

4. (a) Notwithstanding any provision in the Assigned Agreement to the contrary, in the event of the rejection of the Assigned Agreement by a receiver of Tranche [A] [B] Borrower or otherwise pursuant to bankruptcy or insolvency proceedings, at the Collateral Agent's request, the Contracting Party will enter into a new agreement with the Collateral Agent's nominee, for the remainder of the originally scheduled term of the Assigned Agreement, effective as of the date of such rejection, with the same covenants, agreements, terms, provisions and limitations as are contained in the Assigned Agreement.

(b) If the Collateral Agent or its nominee is prohibited by any process or injunction issued by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Tranche [A] [B] Borrower, from continuing the Assigned Agreement in place of Tranche [A] [B] Borrower or

from otherwise exercising any of its rights or remedies hereunder or under the Security Agreement in respect of the Assigned Agreement, then the times specified herein for the exercise by the Collateral Agent of any right or benefit

granted to it hereunder (including without limitation the time period for the exercise of any cure rights granted hereunder) shall be extended for the period of such prohibition; provided that the Collateral Agent is diligently pursuing such rights or remedies (to the extent permitted) in such bankruptcy or insolvency proceeding or otherwise.

1.2 **Interpretation.** **Sections 1.2** and **1.3** of the Credit Agreement shall apply to this Agreement as if set forth in this Agreement, *mutatis mutandis*.

1.3 **No Strict Construction.** The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

Section 2. **Equity Commitments.**

2.1 **Primary Equity Contributions.**

(a) The Equity Investor hereby agrees to make during the Support Period capital contributions to the Borrowers in immediately available funds when, as and to the extent expressly required pursuant to **Section 2.1(b)** in an aggregate amount not to exceed the Equity Commitment as determined on the Closing Date (each such capital contribution, a “**Primary Equity Contribution**”).

(b) Subject to the limitations contained in **Section 2.1(a)**, during the Support Period and in accordance with **Section 3.3(k)** of the Credit Agreement, the Equity Investor shall make, or shall cause to be made, at any time when a Borrower requests that the Lenders make a Construction Loan pursuant to a Notice of Borrowing and at least two (2) Business Days prior to each Disbursement Date, Primary Equity Contributions to such Borrower in an amount such that the ratio of (i) the aggregate amount of all Construction Loans made to such Borrower (including the Construction Loans to be advanced on such Disbursement Date) to (ii) the Funded Equity Amount (including the Primary Equity Contribution then being made) does not exceed 75:25. The Equity Investor and the Borrowers hereby acknowledge and agree that the making of such Primary Equity Contributions shall be a condition precedent to the Lenders’ obligations to make each requested Construction Loan pursuant to the Credit Agreement.

(c) At any time that an Event of Default has occurred and is continuing, the Equity Investor shall, upon the written request of the Collateral Agent (at the direction of the Required Lenders), make Primary Equity Contributions in an amount equal to the unfunded Equity Commitment existing at such time on the first Business Day following such written request, such Primary Equity Contributions to be allocated between the Borrowers as directed by the Collateral Agent. Such Primary Equity Contributions shall be deposited directly into the applicable Construction Account and shall be applied in accordance with the terms of the Collateral Account Agreement.

2.2 **Contingent Equity Contributions.** In addition to the Primary Equity Contributions described in **Section 2.1** above, the Equity Investor hereby agrees to make additional capital contributions to each Borrower in immediately available funds as follows:

(a) (i) On the first Business Day of each month, an amount equal to any reduction in the Monthly Liquefaction Charge set forth in the invoice for such Monthly Liquefaction Charge pursuant to Section 10.1(b)(ii) of the applicable LNG Purchase Agreement and (ii) on the Business Day following the date that any Take or Pay Payment Obligation is not paid by the LNG Purchaser when due in accordance with the applicable LNG Purchase Agreement, in an amount equal to such unpaid Take or Pay Payment Obligation (each such capital contribution, a “**LNG Purchase Agreement Equity Contribution**”). Each LNG Purchase Agreement Equity Contribution shall be deposited directly into the applicable Project Revenues Collection Account and shall be applied in accordance with the terms of the Collateral Account Agreement.

4

(b) On or prior to the date that such Borrower is expected to be unable to make a payment under any Project Document due to a mismatch in the timing of payments expected to be received under other Project Documents, in an amount equal to the amount required to be paid (each such capital contribution, a “**WC Equity Contribution**”). Each WC Equity Contribution shall be deposited directly into the applicable Operating Account and shall be applied in accordance with the terms of the Collateral Account Agreement.

(c) On or prior to the date that any payment is required to be made for the acquisition, purchase, construction or completion of any capital expenditure required to be made by such Borrower to a Project in order to comply with any Law (other than any such capital expenditure provided for as a Project Cost in the Construction Budget for such Project or any payment for which an insurance or warranty provider has assumed responsibility), in an amount equal to such required payment (each such capital contribution, a “**CapEx Equity Contribution**”). Each CapEx Equity Contribution shall be made by direct payment to the Person to whom such payment is due. The Equity Investor shall promptly provide a copy of each payment requisition or invoice with respect to such capital expenditure, together with evidence of making each such payment, to the Administrative Agent.

Section 3. **Specific Provisions.**

3.1 **Reinstatement.** This Agreement and the obligations of the Equity Investor hereunder shall automatically be reinstated if and to the extent that for any reason any Primary Equity Contribution or Contingent Equity Contribution made pursuant to this Agreement is rescinded or otherwise restored to the Equity Investor, whether as a result of any Insolvency Proceeding or otherwise with respect to the Borrowers or any other Person or as a result of any settlement or compromise with any Person (including the Equity Investor) in respect of such payment, and the Equity Investor shall pay the Collateral Agent on demand all of its reasonable out-of-pocket costs and expenses (including reasonable fees of outside counsel) incurred by the Collateral Agent in connection with such rescission or restoration.

3.2 **Specific Performance.** To the extent it may do so under applicable legal requirements, the Collateral Agent may demand specific performance of this Agreement. The Equity Investor hereby irrevocably waives, to the extent the Equity Investor may do so under applicable legal requirements, any defense based on the adequacy of a remedy at law that may be asserted as a bar to the remedy of specific performance in any action brought against the Equity Investor for specific performance of this Agreement by the Collateral Agent or any successor or assign thereof or for its benefit by a receiver, custodian or trustee appointed for the Borrowers or in respect of all or a substantial part of their assets, under the Bankruptcy Laws of any jurisdiction to which the Borrowers or their assets are subject.

Section 4. **Unconditionality; Waivers; Subrogation.**

4.1 **Obligations Unconditional.** The liability of the Equity Investor hereunder shall be irrevocable, absolute and unconditional irrespective of, and the Equity Investor hereby irrevocably waives any defenses (other than a defense of payment in full) it may now have or hereafter acquire in any way relating to, any or all of the following:

5

(a) any lack of validity or enforceability of any Finance Document or any other agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of the Equity Investor or any other Finance Party or any other amendment or waiver of or any consent to departure from any Finance Document, including any increase in the Obligations resulting from the extension of additional credit to the Equity Investor, any other Finance Party or otherwise; provided that the amount of the Equity Commitment shall not be increased unless consented to in accordance with **Section 10.2**;

- (c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any guaranty, for all or any of the Obligations;
- (d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Obligations or any other Property of the Equity Investor or any other Finance Party;
- (e) any change, restructuring or termination of the corporate structure or existence of the Equity Investor or any other Finance Party;
- (f) any failure of any Secured Party to disclose to the Equity Investor or any other Finance Party any information relating to the business, condition (financial or otherwise), operations, performance, Properties or prospects of the Equity Investor or any other Finance Party now or hereafter known to such Secured Party (the Equity Investor waiving any duty on the part of the Secured Parties to disclose such information);
- (g) the failure of any other Person to execute or deliver this Agreement, any guaranty or other agreement or the release or reduction of liability of the Equity Investor or any guarantor or surety with respect to the obligations hereunder; or
- (h) any other circumstance (including any statute of limitations), whether or not similar to any of the foregoing, or any existence of or reliance on any representation by any Secured Party that might otherwise constitute a defense available to, or a discharge of, the Equity Investor, any other Finance Party or any guarantor or surety other than payment in full of the Obligations.

4.2 Waiver and Acknowledgments.

(a) The Equity Investor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to its obligations hereunder and this Agreement except as expressly provided herein and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any Property subject thereto or exhaust any right or take any action against the Equity Investor, any other Finance Party or any other Person or any Collateral.

6

(b) The Equity Investor hereby unconditionally and irrevocably waives any right to revoke this Agreement and acknowledges that its obligations hereunder are continuing in nature and apply to all Obligations, whether existing now or in the future.

(c) The Equity Investor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense (other than the defense of payment in full) based upon an election of remedies by any Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Equity Investor or other rights of the Equity Investor to proceed against any of the other Finance Parties, any guarantor or any other Person or any Collateral and (ii) any defense (other than the defense of payment in full) based on any right of set-off or counterclaim against or in respect of the obligations of the Equity Investor hereunder.

(d) [Intentionally Omitted].

(e) The Equity Investor hereby unconditionally and irrevocably waives any duty on the part of any Secured Party to disclose to the Equity Investor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, Properties or prospects of any other Finance Party now or hereafter known by such Secured Party.

(f) The Equity Investor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Finance Documents, and that the waivers set forth in **Section 4.1** and this **Section 4.2** are knowingly made in contemplation of such benefits.

4.3 Subrogation. Notwithstanding any payment or payments made by the Equity Investor under **Section 2** hereof, prior to the payment in full in cash of all the Obligations (other than contingent indemnity obligations in respect of which no claim has been made) and the expiration or termination of the Commitments of the Lenders to make Loans under the Credit Agreement (the “**Discharge of Obligations**”), the Equity Investor waives any claim, right or remedy which it may now have or hereafter acquire against the Borrowers that arises hereunder and/or from the performance by the Equity Investor of its obligations hereunder, whether or not such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise. Any amount paid by the Borrowers to the Equity Investor in violation of the immediately preceding sentence prior to the date of Discharge of Obligations shall be held in trust for the benefit of the Collateral Agent (on behalf of the Secured Parties) and shall promptly thereafter be paid to the Collateral Agent for application in accordance with the Finance Documents.

Section 5. Grant of Security Interest.

5.1 Grant of Security Interest. As collateral security for the payment in full when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, each Borrower hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing Lien on all of such Borrower’s right, title and interest in, to and under this Agreement and all “Proceeds” (as defined in the UCC) of this Agreement (collectively, but excluding any such “Proceeds” that are distributed or otherwise transferred by such Borrower in

7

accordance with the Finance Documents, the “**ECA Collateral**”). Each Borrower agrees that it shall not create or suffer to exist any Lien or security interest in any of its rights under this Agreement, except the Lien and security interest hereby created in favor of the Collateral Agent and Permitted Liens. Each Borrower authorizes the Collateral Agent to file UCC financing statements with respect to the ECA Collateral, naming such Borrower as “debtor” and the Collateral Agent as “secured party”, in the State of Delaware.

5.2 Remedies. Each of the Borrowers and the Equity Investor agrees that the Collateral Agent, acting for the benefit of the Secured Parties, shall be entitled, following the occurrence and during the continuance of an Event of Default, to foreclose on and exercise any and all rights of each Borrower with respect to such Borrower's interest in the ECA Collateral in accordance with the terms hereof and the other Security Documents (in its own name or in the name of such Borrower), and each of the Borrowers and the Equity Investor shall comply with any such exercise.

Section 6. Bankruptcy; Setoff.

6.1 Bankruptcy Code Waiver by the Equity Investor. The Equity Investor hereby irrevocably waives, to the extent it may do so under applicable legal requirements, any protection to which it may be entitled under Sections 365(c)(1), 365(c)(2) and 365(e)(2) of the Bankruptcy Code or equivalent provisions of the laws or regulations of any other jurisdiction with respect to any proceedings, or any successor provision of law or similar import, in the event of any proceeding, voluntary or involuntary, involving the bankruptcy, reorganization, insolvency, receivership, liquidation or arrangement (an "Insolvency Proceeding") with respect to any other Finance Party. Specifically, in the event that the trustee (or similar official) in an Insolvency Proceeding with respect to any other Finance Party or the debtor-in-possession takes any action (including the institution of any action, suit or other proceeding for the purpose of enforcing the rights of such Finance Party under this Agreement), the Equity Investor shall not assert any defense, claim or counterclaim denying liability hereunder on the basis that this Agreement is an executory contract or a "financial accommodation" that cannot be assumed, assigned or enforced or on any other theory directly or indirectly based on Section 365(c)(1), 365(c)(2) or 365(e)(2) of the Bankruptcy Code, or equivalent provisions of the laws or regulations of any other jurisdiction with respect to any proceedings or any successor provision of law of similar import. If an Insolvency Proceeding with respect to any other Finance Party shall occur, the Equity Investor agrees, after the occurrence of such Insolvency Proceeding, to reconfirm in writing, to the extent permitted by applicable legal requirements, its pre-petition waiver of any protection to which it may be entitled under Sections 365(c)(1), 365(c)(2) and 365(e)(2) of the Bankruptcy Code or equivalent provisions of the laws or regulations of any other jurisdiction with respect to proceedings and, to give effect to such waiver, the Equity Investor consents, to the extent permitted by applicable legal requirements, to the assumption and enforcement of each provision of this Agreement by the debtor-in-possession or the applicable Finance Party's trustee in bankruptcy.

6.2 Insolvency Proceedings. None of the obligations of the Equity Investor under this Agreement shall be altered, limited or affected by any Insolvency Proceeding relating to any Finance Party, or by any defense which any Finance Party may have by reason of any order, decree or decision of any court or administrative body resulting from any such proceeding.

8

6.3 Set-Off. In addition to any rights now or hereafter granted under applicable legal requirements or otherwise, and not by way of limitation of any such rights, upon the failure of the Equity Investor to make any Primary Equity Contribution or Contingent Equity Contribution as and when required hereunder, the Collateral Agent is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Equity Investor or to any other person, any such notice being hereby expressly waived, to set-off and to appropriate and apply any and all deposits (general or special) at any time held by the Collateral Agent or any other Secured Party (including by branches and agencies of the Collateral Agent and each Secured Party wherever located) to or for the credit or the account of the Equity Investor, against and on account of the obligations of the Equity Investor under this Agreement, irrespective of whether or not the Collateral Agent or any other Secured Party shall have made any demand hereunder.

Section 7. Purchase of Participating Interests.

7.1 Required Purchase of Participating Interests. If by reason of an Insolvency Proceeding with respect to any Finance Party, or any act of a Governmental Authority, (a) any Primary Equity Contribution due hereunder has not been deposited in the applicable Construction Account or transferred to the Collateral Agent, as the case may be, within five (5) Business Days after the date on which such amount is payable hereunder, or (b) any Primary Equity Contribution theretofore deposited or transferred pursuant to Section 2.1 is rescinded or otherwise restored to the Equity Investor and five (5) Business Days have elapsed after the date that such Primary Equity Contribution was rescinded or otherwise restored (such Primary Equity Contribution, whether required but not made as provided in clause (a) or made and returned as provided in clause (b), being herein called the "Defaulted Payment"), the Equity Investor shall, without any further notice or demand by the Collateral Agent, purchase an undivided participating interest in each of the Loans and Commitments then outstanding, as provided in the following sentence, in an aggregate principal amount equal to the amount of the Defaulted Payment. The Equity Investor's purchase of an undivided participating interest in such Loans and Commitments shall be made pro rata among such Loans and Commitments based on the respective outstanding amounts thereof. The Equity Investor shall effect its purchase of undivided participating interests in such Loans and Commitments pursuant to this Section 7.1 by paying to the Collateral Agent, for the account of the holders of such Loans and Commitments, in immediately available funds in Dollars, the amount of the Defaulted Payment.

7.2 Effect of Purchase of Participating Interests. The Equity Investor's purchase of an undivided participating interest in the Loans and Commitments in the full amount (if any) required pursuant to Section 7.1 following a Defaulted Payment in respect of Primary Equity Contributions, shall satisfy the Equity Investor's obligation pursuant to Section 2.1 to make Primary Equity Contributions to the extent of the amount of such Loans and Commitments so purchased by the Equity Investor.

7.3 Subordinate Nature of Participating Interest. The Equity Investor hereby agrees that its participating interest in the Loans and Commitments purchased by it pursuant to Section 7.1 shall be subordinate in all respects to the interest in such Loans and Commitments retained by the holders (other than the Equity Investor) thereof (the "Retained Interest"), so that all payments received or collected on account of such Loans and Commitments and applied to the

9

payment or termination thereof, whether received or collected through repayment of such Loans and Commitments by any other Finance Party or through right of set-off with respect thereto or realization upon any collateral security therefor or otherwise, shall first be applied to the payment of the principal, interest, fees and other amounts then due (whether at its stated maturity, by acceleration or otherwise) on the Retained Interest until such principal, interest, fees and other amounts are paid in full, before any such payments are applied on account of the Equity Investor's participating interest in such Loans and Commitments.

7.4 Rights of Lenders. Notwithstanding the purchase and ownership by the Equity Investor of participating interests in the Loans and Commitments, and notwithstanding the rights of participants under the Credit Agreement and the other Finance Documents, each Lender shall have the right,

in its sole discretion in each instance and without any notice to the Equity Investor, (a) to agree to the modification or waiver of any of the terms of any of the Finance Documents or any other agreement or instrument relating thereto (but not to reduce any amount payable in respect of the portion of the Loans and Commitments subject to participations purchased pursuant to Section 7.1), (b) to consent to any action or failure to act by any Finance Party or any other Person party to a Finance Document, and (c) to exercise or refrain from exercising any rights or remedies which any Lender may have under the Finance Documents or any other agreement or instrument relating thereto, including the right at any time to declare, or refrain from declaring, the Obligations due and payable upon the occurrence of any Event of Default, and to rescind and annul any such declaration, and to foreclose and sell or exercise any other remedy, or refrain from foreclosing and selling or exercising any other remedy, with respect to any collateral securing the Obligations. No Lender shall be liable to the Equity Investor for any error in judgment or for any action taken or omitted to be taken by it while the Equity Investor holds a participating interest in the Loans and Commitments, except for its gross negligence or willful misconduct. No Lender shall have any duty or responsibility to provide the Equity Investor with any credit or other information concerning the affairs, financial condition or business of any other Finance Party or any other party to a Finance Document which may come into their possession or the possession of any of their respective Affiliates, or to notify the Equity Investor of any Default or Event of Default, or any default by any other Finance Party or any other Person under any of the Finance Documents.

7.5 No Voting Rights. Without limiting the generality of the provisions of Section 7.4, in determining whether the required consent of the Lenders (or any portion thereof) has been obtained for all purposes under the Finance Documents, the participating interests in the Loans and Commitments purchased by the Equity Investor pursuant to Section 7.1 shall not be deemed to be outstanding.

7.6 Obligations Unconditional. The obligations of the Equity Investor under this Section 7 to purchase participating interests in or purchase and take an assignment of the Loans and Commitments, as the case may be, are absolute and unconditional and shall not be affected by the occurrence of any Default or Event of Default or any other circumstance, including any circumstance of the nature described in Sections 4.1 or 4.2.

Section 8. Representations and Warranties of the Equity Investor. The Equity Investor hereby represents and warrants, as of the Closing Date, to the Administrative Agent and the Collateral Agent, which representations and warranties shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby:

10

(a) The Equity Investor (i) is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, (ii) is duly qualified to do business as a foreign entity and in good standing under the laws of each jurisdiction in which it owns or leases Property or in which the conduct of its business requires it so to qualify, except the failure of which that could not reasonably be expected to result in a Material Adverse Effect, and (c) has all requisite power and authority to own or lease and operate its Properties, to carry on its business as contemplated by this Agreement and to execute, deliver and perform each Transaction Document to which it is or will be a party.

(b) The execution, delivery and performance by the Equity Investor of each Transaction Document to which it is a party, and the transactions contemplated thereby (i) have been duly authorized by all necessary corporate action (including any necessary shareholder action), (ii) will not breach, contravene, violate, conflict with or constitute a default under (A) any of the Equity Investor's Charter Documents, (B) any material applicable Law, or (C) any material contract, loan agreement, indenture, mortgage, lease or other instrument to which the Equity Investor is a party or by which it or any of its Properties may be bound or affected, including all Governmental Approvals and the Transaction Documents, and (iii) will not result in or require the creation or imposition of any Lien upon or with respect to any of the Properties of the Equity Investor.

(c) Each Transaction Document to which the Equity Investor is a party has been duly executed and delivered by the Equity Investor, is the legal, valid and binding obligation of the Equity Investor and enforceable against the Equity Investor in accordance with its terms, except as such enforcement may be limited by (i) the effect of bankruptcy, insolvency, reorganization, receivership, conservatorship, arrangement, moratorium or other laws affecting or relating to the rights of creditors generally, or (ii) the rules governing the availability of specific performance, injunctive relief or other equitable remedies and general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(d) No Governmental Approval has been, is or will be required to be obtained or made (i) in connection with the due execution, delivery or performance by the Equity Investor of its obligations, and the exercise of its rights under, any of the Transaction Documents to which it is a party or any transaction contemplated thereby or (ii) to ensure the legality, validity and binding effect or enforceability of any such Transaction Document, except for the Governmental Approvals that have been duly obtained or made, were validly issued, and are in full force and effect, are final, not subject to any pending appeal, intervention or similar proceeding, are held in the name of the Equity Investor and are free from conditions or requirements the compliance with which the Equity Investor does not reasonably expect to be able to satisfy. No event has occurred that could reasonably be expected to result in the revocation, termination or adverse modification of any such Governmental Approval or adversely affect any rights of the Equity Investor under any such Governmental Approval.

(e) The Equity Investor is in compliance with its Charter Documents and is in compliance in all material respects with all Laws and Governmental Approvals applicable to it.

11

(f) The Equity Investor has filed all federal, state and material foreign income tax returns which are required to be filed by it, and the Equity Investor has paid all taxes as shown on said returns and on all assessments received by it to the extent that such taxes have become due, except such taxes, if any, as are being contested in good faith and by proper proceedings as to which adequate reserves have been provided in accordance with GAAP.

(g) The Equity Investor is Solvent.

(h) There is no action, suit, other legal proceeding, arbitral proceeding, inquiry or investigation pending or, to the best of the Equity Investor's knowledge, threatened, by or before any Governmental Authority or in any arbitral or other forum, nor any order, decree or judgment in effect, pending, or, to the best of the Equity Investor's knowledge, threatened, against or affecting the Equity Investor or any of its Properties or rights, that relates to the Projects, to any of the Transaction Documents or to any of the transactions contemplated thereby.

Section 9. Equity Letters of Credit. The Equity Investor hereby agrees as follows:

(a) On the Initial Funding Date of the Tranche A Loans the Equity Investor shall deliver to the Collateral Agent one or more letters of credit (the “**Tranche A Equity Letters of Credit**”) naming the Collateral Agent as beneficiary (which letters of credit shall be in form and substance reasonably acceptable to the Collateral Agent and shall each be issued by an Acceptable Issuing Bank) in an aggregate face amount equal to the lesser of (i) the excess of (A) 33% of the Tranche A Construction Loan Commitments over (B) the portion of the Funded Equity Amount allocable to the Tranche A Borrower (including any Primary Equity Contributions being made on such Initial Funding Date) and (ii) the excess of (A) 33% of the Total Construction Commitment over (B) the Funded Equity Amount (including any Primary Equity Contributions being made on such Initial Funding Date).

(b) On the Initial Funding Date of the Tranche B Loans the Equity Investor shall deliver to the Collateral Agent one or more letters of credit (the “**Tranche B Equity Letters of Credit**”) naming the Collateral Agent as beneficiary (which letters of credit shall be in form and substance reasonably acceptable to the Collateral Agent and shall each be issued by an Acceptable Issuing Bank) in an aggregate face amount equal to the lesser of (i) the excess of (A) 33% of the Tranche B Construction Loan Commitments over (B) the portion of the Funded Equity Amount allocable to the Tranche B Borrower (including any Primary Equity Contributions being made on such Initial Funding Date) and (ii) the excess of (A) 33% of the Total Construction Commitment over (B) the Funded Equity Amount (including any Primary Equity Contributions being made on such Initial Funding Date).

(c) From the first Initial Funding Date and until the earliest of (A) the later of the Facility A Conversion Date and the Facility B Conversion Date, (B) the date falling thirty (30) days after the later of the Facility A Date Certain and the Facility B Date Certain and (C) the date on which the Equity Commitment equals \$0.00, the Equity Investor shall maintain one or more Equity Letters of Credit (which may include the Tranche A Equity Letters of Credit and the Tranche B Equity Letters of Credit) with an aggregate face amount equal the full amount of the then-effective unfunded Equity Commitment; provided that if the expiration date of an Equity

12

Letter of Credit will occur before the earliest of the dates described in clauses (A) through (C) above, the Equity Investor must, at least thirty (30) days prior to such expiration date (the “**Expiration Date Limit**”), provide at its own expense (y) evidence, in form and substance reasonably satisfactory to the Collateral Agent, that such expiration date has been extended for a period of time equal to no less than six (6) months or (z) one or more replacement Equity Letters of Credit, in each case on terms substantively identical to such expiring Equity Letter of Credit, with a face amount of the then-effective unfunded Equity Commitment and an expiration date no less than six (6) months thereafter; and provided, further, that, for the avoidance of doubt, the Equity Investor may, from time to time after the first Initial Funding Date, (i) reduce the face amount of the Equity Letters of Credit or (ii) provide replacement Equity Letters of Credit, so long as, in each case, the aggregate face amount of the Equity Letters of Credit remains sufficient to satisfy the requirements of this **Section 4(c)**. If such evidence of extension or replacement does not occur prior to any Expiration Date Limit, then the Collateral Agent shall have the right, in its sole discretion, to draw upon such Equity Letter of Credit at any time thereafter.

(d) The Equity Investor agrees that if at any time the issuer of any Equity Letter of Credit shall cease to be an Acceptable Issuing Bank, then, within ten (10) days of such occurrence, the Equity Investor shall replace any Equity Letters of Credit issued by such issuer with Equity Letters of Credit issued by an Acceptable Issuing Bank. If such replacement does not occur within such fifteen (15) day period, then the Collateral Agent shall have the right, in its sole discretion, to draw upon such Equity Letters of Credit at any time thereafter.

(e) The Equity Investor agrees that the Collateral Agent may proceed directly to draw under the Equity Letters of Credit in respect of any of the obligations of the Equity Investor under **Section 2.1** hereof as and when they become due (including obligations that are due as a result of the acceleration thereof) without first proceeding against the Equity Investor. Any amounts paid to the Collateral Agent under an Equity Letter of Credit shall be immediately credited against and shall discharge the obligations of the Equity Investor hereunder in respect of which such payment was made.

Section 10. Miscellaneous.

10.1 No Waiver; Cumulative Remedies. No failure or delay on the part of any Person in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The remedies prescribed in this Agreement or by Law shall be cumulative and not in limitation of or substitution for any other remedies available hereunder or otherwise, all of which shall be available to the parties hereto and their respective successors and permitted assigns.

10.2 Amendments. None of the terms and conditions of this Agreement may be amended, supplemented, modified or waived, nor may any consent under or with respect to such terms and conditions be granted, unless (a) each of the parties hereto agrees thereto in writing, and (b) such amendment supplement, modification, waiver or consent is executed in accordance with the provisions of **Section 11.10** of the Credit Agreement.

13

10.3 Notices. Except as otherwise expressly provided herein, all notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and shall be deemed to have been duly given or made when delivered by hand, or upon actual receipt if deposited in the United States mail, postage prepaid, or, in the case of telecopy notice, when confirmation of successful transmission is received, or, in the case of a nationally recognized overnight courier service, charges prepaid, one (1) Business Day after delivery to such courier service, addressed, in the case of each party hereto, at its address specified opposite its name on **Schedule 10.3** hereto, or to such other address as may be designated by any party in a written notice to the other party hereto.

10.4 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto, all future holders of the Obligations and their respective successors and assigns. The Administrative Agent and the Collateral Agent may assign or transfer their obligations and rights hereunder only to their respective permitted successors under the Credit Agreement. The Equity Investor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Collateral Agent (acting at the direction of the Required Lenders).

10.5 No Waiver; Remedies Cumulative. No failure or delay on the part of the Collateral Agent or any other Secured Party in exercising any right, power or privilege hereunder and no course of dealing between or among the Equity Investor and the Collateral Agent or any other Secured Party shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or

the exercise of any other right, power or privilege hereunder or thereunder. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Collateral Agent or any other Secured Party would otherwise have. No notice to or demand on the Equity Investor in any case shall entitle the Equity Investor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Collateral Agent or any other Secured Party to any other or further action in any circumstances without notice or demand.

10.6 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING AGAINST THE BORROWERS OR THE EQUITY INVESTOR WITH RESPECT TO THIS AGREEMENT AND ANY ACTION FOR ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE EQUITY INVESTOR AND EACH BORROWER HEREBY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE NON-EXCLUSIVE JURISDICTION OF THE AFORESAID

14

COURTS AND APPELLATE COURTS FROM ANY APPEAL THEREOF. THE EQUITY INVESTOR AND EACH BORROWER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE EQUITY INVESTOR OR SUCH BORROWER, AS APPLICABLE, AT THE ADDRESS PROVIDED FOR IT IN SECTION 10.3. THE EQUITY INVESTOR AND EACH BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT BROUGHT IN THE COURTS REFERRED TO ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. As of the Closing, GE shall have been granted a Warrant to purchase 5,000,000 Shares (subject to adjustment as provided therein) for \$0.01 per Share in the form attached hereto as Exhibit A. Such Warrant shall be validly issued and fully paid on the Closing Date.

2.2 Closing. The issuance of the Warrant contemplated hereby shall be held or take place concurrently with and at the same location as the closing of the Credit Agreement. Such closing is hereinafter referred to as the “**Closing**.”

2.3 Deliveries at Closing. Subject to the terms of this Agreement, at the Closing:

(a) The Issuer shall duly execute and deliver to GE a Warrant in the form attached hereto as Exhibit A; and

(b) The Issuer and GE shall duly execute and deliver counterparts to the Registration Rights Agreement in the form attached hereto as Exhibit B.

3. REPRESENTATIONS AND WARRANTIES OF THE ISSUER.

In order to induce GE to enter into this Agreement, the Issuer hereby represents and warrants to GE that:

3.1 Organization and Qualification. The Issuer is an entity duly incorporated and validly existing in good standing under the laws of the jurisdiction in which it is incorporated and

4

has the requisite power and authority to own its properties and to carry on its business as now being conducted. The Issuer is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not reasonably be expected to have a Material Adverse Effect.

3.2 Authorization; Enforcement; Validity. The Issuer has the requisite corporate power and authority to enter into and perform its obligations under the Warrant Documents and to issue the Warrant Shares in accordance with the terms of the Warrant Documents. The execution and delivery of the Warrant Documents by the Issuer and the consummation by the Issuer of the transactions contemplated by the Warrant Documents have been duly authorized by all required corporate action, and no further filing, consent or authorization is required by the Issuer, the Board or the Issuer's stockholders. The Warrant Documents have been duly executed and delivered by the Issuer, and constitute the legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

3.3 Issuance of Securities; No Registration Required. The Warrant Shares have been duly reserved for issuance, are duly authorized and, upon issuance in accordance with the terms hereof, will be validly issued and free from all preemptive or similar rights, taxes, liens and charges with respect to the issue thereof and will be fully paid and nonassessable with the holders being entitled to all rights accorded to a holder of Common Stock. Assuming the accuracy of each of the representations and warranties of GE set forth in Section 4, the offer and issuance by the Issuer of the Warrants and the Warrant Shares are exempt from registration under the Securities Act and will be issued in compliance with all applicable federal and state securities laws subject to any filings which may be required to be made by the Issuer with the SEC, state securities administrators or NASDAQ, subsequent to Closing.

3.4 No Conflicts. The execution, delivery and performance of the Warrant Documents by the Issuer and the consummation by the Issuer of the transactions contemplated hereby and thereby will not (a) result in a violation of any certificate of incorporation, certificate of formation, certificate of designations or other constituent documents of the Issuer, any capital stock of the Issuer or bylaws of the Issuer; (b) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Issuer is a party; or (c) result in a violation of any applicable law, rule, regulation, order, judgment or decree, including without limitation, federal and state securities laws and regulations and the rules and regulations of NASDAQ or any other national securities exchange applicable to the Issuer or by which any property or asset of the Issuer is bound or affected, except in the cases of clauses (b) and (c) such as would not reasonably be expected to have a Material Adverse Effect.

3.5 Consents. Assuming the accuracy of the representations and warranties of GE set forth in Section 4, the Issuer is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court, governmental agency or any regulatory or self-

5

regulatory agency or any other Person in order for it to execute, deliver or perform any of its obligations under or contemplated by the Warrant Documents, in each case in accordance with the terms thereof, other than (a) any consent, authorization or order that has been obtained as of the date hereof; (b) any filing or registration that has been made as of the date hereof; or (c) any filings which may be required to be made by the Issuer with the SEC, state securities administrators or NASDAQ, subsequent to the Closing. The Issuer is not in violation of the listing requirements of NASDAQ.

3.6 No General Solicitation. Neither the Issuer nor, to the Issuer's knowledge, any Person acting on its behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Warrants and the Warrant Shares. The Issuer will be responsible for the payment of any placement agent's fees, financial advisory fees, or brokers' commissions (other than for Persons engaged by GE) relating to or arising out of the transactions contemplated hereby.

3.7 No Integrated Offering. None of the Issuer, or any Person acting on its behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of the issuance of the Warrants and the Warrant Shares under the Securities Act, whether through integration with prior offerings or otherwise, or cause this offering of the Warrants and the Warrant Shares to require approval of stockholders of the Issuer for purposes of any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of NASDAQ.

3.8 SEC Documents; Financial Statements. During the two (2) years prior to the date hereof, the Issuer has timely filed all SEC Documents. As of their respective filing dates, the SEC Documents complied in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC (solely to the extent any information contained in such SEC Documents has not been amended, modified, supplemented, corrected, rescinded or otherwise withdrawn in subsequent material filed by the Issuer with the SEC), contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective filing dates, the financial statements of the Issuer included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (a) as may be otherwise indicated in such financial statements or the notes thereto; or (b) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Issuer as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments and to the extent that such unaudited statements exclude footnotes). To the Issuer's knowledge, no other information provided by the Issuer to GE in connection with the transactions contemplated by the Warrant Documents which is not included in the SEC Documents contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they are or were made not misleading; provided,

6

however, the Issuer makes no representations or warranties regarding any projections, forecasts or other forward looking statements. KPMG LLP, which has reported on the consolidated financial statements and schedules contained in the SEC Documents, are registered independent public accountants as required by the Securities Act and the rules and regulations promulgated thereunder and by the rules of the Public Accounting Oversight Board.

3.9 Absence of Certain Changes. Since December 31, 2011, other than as disclosed in the SEC Documents, (a) there has been no Material Adverse Effect; (b) the Issuer has not paid or declared any dividends or other distributions with respect to its capital stock; and (c) there has not been any change in the capital stock of the Issuer other than grants, exercises, terminations, or forfeitures of securities under the Issuer's equity or compensation plans.

3.10 Foreign Corrupt Practices. Neither the Issuer nor, to the Issuer's knowledge, any director, officer, agent, employee or other Person acting on behalf of the Issuer has, in the course of its actions for, or on behalf of, the Issuer: (a) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (b) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (c) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended; or (d) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

3.11 OFAC. Neither the Issuer nor, to the Issuer's knowledge, any director, officer, agent, employee, Affiliate or Person acting on behalf of the Issuer is currently subject to any U.S. sanctions administered by OFAC; and the Issuer will not directly or indirectly use the proceeds of this offering, or lend, contribute or otherwise make available such proceeds to any Subsidiary, joint venture partner or other Person or entity, for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

3.12 Equity Capitalization. As of September 30, 2012, the authorized capital stock of the Issuer consisted of 149,000,000 shares of Common Stock and 1,000,000 shares of preferred stock. As of September 30, 2012, (a) 87,232,094 shares of Common Stock were issued and outstanding; and (b) 14,144,330 shares of Common Stock were reserved for issuance pursuant to outstanding Options or Convertible Securities (including 12,013,648 shares of Common Stock reserved for future grant under equity incentive plans). As of September 30, 2012, zero shares of preferred stock were issued and outstanding. All of such outstanding shares have been, or upon issuance will be, validly issued and are fully paid and nonassessable. Except as set forth above in this Section 3.12, or as disclosed in the SEC Documents:

(a) none of the Issuer's capital stock is subject to preemptive rights or any other similar rights or any liens or encumbrances suffered or permitted by the Issuer;

(b) there are no outstanding Options, Convertible Securities, rights to subscribe to, calls or commitments of any character whatsoever relating to any capital stock of the Issuer, or contracts, commitments, understandings or arrangements by which the Issuer is or may become bound to issue additional capital stock of the Issuer;

7

(c) there are no agreements or arrangements under which the Issuer is obligated to register the sale of any of their securities under the Securities Act;

(d) there are no outstanding securities or instruments of the Issuer which contain any redemption or similar provisions, and there are no contracts, commitments, understandings or arrangements by which the Issuer is or may become bound to redeem a security of the Issuer;

(e) there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by the issuance of the Warrants; and

(f) the Issuer does not have any stock appreciation rights or "phantom stock" plans or agreements or any similar plan or agreement. The Issuer has furnished or made available to GE upon GE's request, true, correct and complete copies of the certificate of incorporation and bylaws of the Issuer and the terms of all Options and Convertible Securities and the material rights of the holders thereof in respect thereto.

3.13 Absence of Litigation. Except as disclosed in the SEC Documents, there is no action, suit, proceeding, inquiry or investigation before or by NASDAQ, any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer that would reasonably be expected to have a Material Adverse Effect.

3.14 Internal Accounting and Disclosure Controls. The Issuer maintains a system of internal accounting controls sufficient to provide reasonable assurance that (a) transactions are executed in accordance with management's general or specific authorizations; (b) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset and liability accountability; (c) access to assets or incurrence of liabilities is permitted only in accordance with management's general or specific authorization; and (d) the recorded accountability for assets and liabilities is compared with the existing assets and liabilities at reasonable intervals and appropriate action is taken with respect to any difference. The Issuer maintains disclosure controls and procedures (as such term is defined in Rule 13a-15 under the Exchange Act) that are effective at the reasonable assurance level to ensure that information required to be disclosed by the Issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the rules and forms of the SEC, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Issuer's management, including its principal executive officer or officers and its principal financial officer or officers, as appropriate, to allow timely decisions regarding required disclosure.

3.15 Off Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Issuer and an unconsolidated or other off balance sheet entity that is required to be disclosed by the Issuer in the SEC Documents or its financial statements and related footnotes according to GAAP and is not so disclosed.

3.16 Investment Company Status. The Issuer is not, and upon issuance of the Warrants will not be, an "investment company," a company controlled by an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

8

3.17 Form S-3 Eligibility. The Issuer is eligible to register the Warrant Shares for resale by the Holders using Form S-3 promulgated under the Securities Act.

4. REPRESENTATIONS AND WARRANTIES OF GE.

In order to induce the Issuer to issue the Warrants to GE, GE hereby represents and warrants to the Issuer:

4.1 Organization and Standing. GE is a corporation duly incorporated or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation.

4.2 Authorization; Power. GE has all requisite legal power to execute, deliver and perform this Agreement. GE has taken all necessary action for the authorization, execution, delivery and performance of this Agreement and the consummation of the transactions contemplated thereby. This Agreement constitutes a legal, valid and binding obligation of GE, which is enforceable against GE in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

4.3 Investment Representations. GE understands that the Warrants and the Warrant Shares to be issued upon an exercise of each Warrant are restricted securities which are not registered under the Securities Act. GE also understands that the Warrants are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon GE's representations contained in this Agreement. Without limiting the force and effect of the representations and warranties of the Issuer, GE hereby represents and warrants as follows:

(a) GE is acquiring the Warrants for its own account for investment purposes only, and does not intend to distribute the Warrants or Warrant Shares. GE has not solicited offers for, or offered or sold, and will not solicit offers for, or offer or sell, the Warrants or the Warrant Shares by means of any form of general solicitation or general advertising within the meaning of Rule 502(a) of Regulation D or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act (other than pursuant to the Registration Rights Agreement).

(b) GE represents that it: (i) is an accredited investor within the meaning of Regulation D promulgated under the Securities Act; and (ii) acknowledges and agrees that, to the extent it desires to resell the Warrants or the Warrant Shares, it will solicit offers for the Warrants or the Warrant Shares from, and will offer the Warrants or the Warrant Shares only (A) pursuant to an exemption from registration under the Securities Act, or (B) pursuant to an effective registration statement under the Securities Act.

(c) GE has: (i) received and read all information that GE has requested regarding the Issuer's business, management and financial affairs including the SEC Documents; (ii) had the opportunity to discuss such matters with directors, officers and management of the Issuer; (iii) had the opportunity to review the Issuer's operations and facilities; and (iv) had the opportunity to ask questions of and receive answers from the Issuer and its management regarding the terms and conditions of this investment.

9

5. COVENANTS.

5.1 Listing. The Issuer shall promptly secure the listing of all of the Warrant Shares upon each national securities exchange and automated quotation system, if any, upon which shares of Common Stock are then listed (subject to official notice of issuance) and shall maintain, so long as any other shares of Common Stock shall be so listed, such listing of all Warrant Shares from time to time issuable under the terms of the Warrant Documents. The Issuer shall pay all fees and expenses in connection with satisfying its obligations under this Section 5.1.

5.2 Certain Fees and Expenses. The Issuer shall pay all transfer agent fees, stamp or transfer taxes and other taxes (not including income or similar taxes) and duties levied in connection with the sale and issuance of the Warrant Shares.

5.3 Public Statements. The Issuer and GE agree not to issue or cause the publication of any press release or other announcement with respect to the transactions contemplated by this Agreement without the prior consent of the other party, which consent shall not be unreasonably withheld or delayed,

unless such party determines, after consultation with counsel, that it is required by an applicable statute, ordinance, rule or regulation or by any listing agreement with or the listing rules of a national securities exchange or trading market to issue or cause the publication of any press release or other announcement with respect to the transactions contemplated by this Agreement, in which event such party shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other parties to review and comment upon such press release or other announcement and shall give due consideration to all reasonable additions, deletions or changes suggested thereto.

5.4 Restrictions on Transfer of Warrant Shares. Warrant Shares issued upon exercise of a Warrant shall not be Transferred to any Person (other than an Affiliate of the Transferor) for 32 days following such issuance.

5.5 Right of First Refusal on Sale of Borrower.

(a) If the Issuer, Holdings or any Borrower receives a bona fide offer from a third party (a “**Third Party Offer**”) to purchase all or part of Holdings or the Borrowers, in one or more transactions or a series of transactions, whether by merger, consolidation, combination, amalgamation, transfer, spinoff, sale or other direct or indirect disposition of all or any part of the equity in Holdings or the Borrowers or all or substantially all of the Borrowers’ assets (the “**Borrower Sale**”), and the Issuer, Holdings or such Borrower, as applicable (the “**ROFR Seller**”), desires, and is permitted, to effect such proposed sale, the Issuer shall deliver or cause to be delivered to GE written notice of such Third Party Offer (the “**ROFR Notice**” and the date it is delivered, the “**ROFR Notice Date**”) to GE no less than 45 days prior to the date of the proposed Borrower Sale. The ROFR Notice shall set forth the name of the Third Party (including, if such information is not publicly available, information about the identity of the Third Party), the assets or equity to be sold and the price offered therefor (the “**ROFR Offer Price**”), all details of the payment terms and all other terms and conditions of the proposed Borrower Sale.

10

(b) GE shall have the right to purchase all, but not less than all, of the equity or assets proposed to be sold in the Borrower Sale. Within 30 days after the ROFR Notice Date (such 30th day, the “**ROFR Expiration Date**”), GE may deliver a written notice to the ROFR Seller and the Issuer of GE’s election to purchase such equity or assets, which notice of election shall constitute an irrevocable commitment to consummate such Borrower Sale. The Issuer shall thereafter set a reasonable place and time for the closing of the Borrower Sale, which shall be not less than 60 days nor more than 180 days after the ROFR Notice Date (subject to extension to the extent necessary to pursue any required regulatory or shareholder approvals, including to allow for the expiration or termination of all waiting periods under the HSR Act) unless otherwise agreed by all of the parties to such transaction (such period, the “**ROFR Closing Period**”).

(c) The purchase price and terms and conditions for the Borrower Sale shall be the ROFR Offer Price and the terms and conditions set forth in the applicable Third Party Offer; provided that the Issuer and the ROFR Seller shall make, at a minimum, customary representations and warranties to GE concerning (i) such ROFR Seller’s valid title to and ownership of equity or assets subject to the Borrower Sale, free and clear of all liens, claims and encumbrances (excluding those arising under applicable securities laws), (ii) such ROFR Seller’s authority, power and right to enter into and consummate the Borrower Sale, (iii) the absence of any violation, default or acceleration of any agreement to which such ROFR Seller is subject or by which its assets are bound as a result of the agreement to consummate or the consummation the Borrower Sale, and (iv) the absence of, or compliance with, any governmental or third party consents, approvals, filings or notifications required to be obtained or made by Issuer or such ROFR Seller in connection with Borrower Sale. The ROFR Seller also agrees to execute and deliver such instruments and documents and take such actions, including obtaining all applicable approvals and consents and making all applicable notifications and filings, as GE may reasonably request in order to effectively implement the Borrower Sale hereunder.

(d) Notwithstanding the foregoing, if GE (i) shall not have elected to consummate the Borrower Sale on or prior to the ROFR Expiration Date or (ii) fails to consummate the closing of the Borrower Sale within the ROFR Closing Period and the ROFR Seller has fully complied with the provisions of this Section 5.5, then GE shall not have the right to participate in the Borrower Sale and the ROFR Seller may consummate such Borrower Sale within 120 days after the expiration of the ROFR Closing Period, subject to the other applicable provisions of this Agreement. Any such Borrower Sale shall not be at less than the price or upon terms and conditions materially more favorable, individually or in the aggregate, to the third party purchaser than those specified in the Third Party Offer. If the Borrower Sale is not so consummated within such 120-day period, the ROFR Seller may not sell any of the equity or assets subject to such Borrower Sale without again complying in full with the provisions of this Section 5.5.

(e) Notwithstanding the foregoing provisions of this Section 5.5, the provisions of this Section 5.5 shall not apply to any Borrower Sale to which the provisions of Section 5.6 below apply.

11

(f) This Section 5.5 shall expire upon the first to occur of (i) the tenth (10th) anniversary of the first Initial Funding Date under the Credit Agreement or (ii) full repayment of all outstanding obligations of the Borrowers under the Credit Agreement.

5.6 Co-investment in Borrower MLP. From the Closing until the seventh (7th) anniversary of the first Initial Funding Date under the Credit Agreement, if the Issuer proposes to Transfer or contribute or cause to be Transferred or contributed, directly or indirectly, the Issuer’s equity interests in Holdings or the Borrowers or the Borrowers’ assets to, or otherwise restructure or reorganize Holdings or the Borrowers as, an entity with a view towards creating a master limited partnership or similar publicly traded entity (an “**MLP**”), GE shall have the right to invest in (i) the general partner or other sponsor entity of the MLP or (ii) in the securities in the MLP received by such general partner or sponsor entity, in each case, on the same terms as the Issuer (with (i) and (ii) collectively the “**MLP Securities**”) up to a maximum of the greater of (a) 35% of such MLP Securities, or (b) the amount of MLP Securities offered to any one third-party other than the Issuer or its Affiliates. In connection with any co-investment pursuant to this Section 5.6, GE agrees to execute and deliver to the Issuer any documents reasonably requested by the Issuer to be executed by GE, including, without limitation, a membership interest purchase agreement and a limited liability company agreement (or similar documents, as applicable). Notwithstanding the foregoing, if GE (i) shall not have elected to purchase MLP Securities within 30 days of its receipt of notice (the “**MLP Notice**”) that the Issuer proposes to Transfer or contribute or cause to be Transferred or contributed, directly or indirectly, the Issuer’s equity interests in Holdings or the Borrowers or the Borrowers’ assets to, or otherwise restructure or reorganize Holdings or the Borrowers as, an MLP or (ii) fails to consummate the closing of its purchase of MLP Securities by the later of (a) 60 days from the date on which GE receives the MLP Notice or (b) the date on which the Issuer completes the Transfer or contribution of the Issuer’s equity interests in Holdings or the Borrowers or the Borrowers’ assets to an MLP, then GE shall not have the right to purchase MLP Securities.

Warrant Agreement**

THIS WARRANT AND THE SECURITIES ISSUABLE UPON THE EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT.

FORM OF WARRANT

TO PURCHASE SHARES OF CLEAN ENERGY FUELS CORP.

THIS CERTIFIES THAT, pursuant to the Warrant Agreement dated November [], 2012 (the “**Warrant Agreement**”) by and between GE Energy Financial Services, Inc. (the “**Holder**”) and Clean Energy Fuels Corp. (the “**Issuer**”), the Holder, or its successor or permitted assign, is entitled, at any time during the Exercise Period (as defined herein), to purchase from the Issuer, an aggregate of up to 5,000,000 shares of Common Stock, par value \$0.0001 per share, of the Issuer (the “**Shares**”) (subject to adjustment and limitation as provided herein), in whole or in part, at a purchase price of \$0.01 per Share (the “**Exercise Price**”), all on the terms and conditions and pursuant to the provisions hereinafter set forth. This Warrant is issued in consideration of the execution of the Credit Agreement.

1. DEFINITIONS. All capitalized terms defined in the Warrant Agreement and not otherwise defined herein shall have the meanings ascribed to such terms in the Warrant Agreement.

2. EXERCISE OF WARRANT.

2.1 General. At any time and from time to time after the Closing Date and until 5:00 p.m., New York time, on the tenth (10th) anniversary of the Closing Date or such earlier date as provided in Section 4.2 below (the “**Exercise Period**”), the Holder may exercise this Warrant, on any Business Day, for all or any part of such number of Shares, at the stated Exercise Price, equal to the sum of:

(a) 10% of the aggregate number of Shares purchasable hereunder as an upfront commitment fee, *plus* (b) or (c)

(b)
(i) after the first Tranche A Loan (as defined in the Credit Agreement) is made, 25% of the aggregate number of Shares purchasable hereunder,

(ii) after the first Tranche B Loan (as defined in the Credit Agreement) is made, 25% of the aggregate number of Shares purchasable hereunder,

(iii) after Tranche A Loans in aggregate principal amount of at least \$15,000,000 have been made, 20% of the aggregate number of Shares purchasable hereunder, and

A-1

(iv) after Tranche B Loans in aggregate principal amount of at least \$15,000,000 have been made, 20% of the aggregate number of Shares purchasable hereunder, or (in the alternative)

(c) if no Borrowings (as defined in the Credit Agreement) are made prior to December 31, 2014, 10% of the aggregate number of Shares purchasable hereunder.

Upon the occurrence of any of the events described in the foregoing clauses (b) and (c), the Issuer shall deliver written notice thereof to Holder.

2.2 Cash Exercise. The Holder may exercise this Warrant, in whole or in part and at any time and from time to time during the Exercise Period, by delivering to the Issuer at the Issuer’s principal offices at the address set forth in the Warrant Agreement: (i) a written notice of the Holder’s election to exercise this Warrant specifying the number of Shares to be purchased, (ii) payment of the Warrant Price and (iii) this Warrant. “**Warrant Price**” shall mean an amount equal to (i) the number of Shares being purchased upon any exercise of the Warrant pursuant to this Section 2, multiplied by (ii) the Exercise Price as adjusted pursuant to the terms of the Warrant as of the date of such exercise. Such notice shall be substantially in the form of the subscription form appearing at the end of this Warrant as Annex A, duly executed by the Holder or its agent or attorney. Upon receipt thereof, the Issuer shall, as promptly as practicable, and in any event within five (5) Business Days thereafter, execute or cause to be executed and deliver or cause to be delivered to the Holder a certificate or certificates reflecting the Holder’s ownership of the aggregate number of Shares issuable upon such exercise, together with cash in lieu of any fraction of a Share, as hereinafter provided in Section 2.5. The Share certificate or certificates so delivered shall be in such denomination or denominations as the Holder shall request in the notice and shall be registered in the name of the Holder or, subject to any restrictions on Transfer, such other name as shall be designated in the notice. This Warrant shall be deemed to have been exercised and such Warrant Shares shall be deemed to have been issued, and the Holder or any other Person so designated to be named therein shall be deemed to have become a holder of record of such Shares for all purposes, as of the date of delivery of the Warrant Shares by the Issuer. If this Warrant has been exercised in part, the Issuer shall, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant, or, at the request of the Holder, appropriate notation may be made on this Warrant and the same returned to the Holder. Payment of the Warrant Price and all taxes required to be paid by the Holder, if any, pursuant to Section 2.4, shall be paid by the Holder prior to delivery of the Warrant Shares by the Issuer and shall be made at the option of the Holder by certified or official bank check or by wire transfer of immediately available funds.

2.3 Cashless Exercise.

(a) In lieu of the payment of the Warrant Price, the Holder shall have the right (but not the obligation), to require the Issuer to convert this Warrant, in whole or in part, into Shares as provided for in this Section 2.3 (the “**Conversion Right**”). Upon exercise of the Conversion Right, the Issuer shall deliver to the Holder (without payment by the Holder of any of the

Warrant Price) that number of Warrant Shares (the “**Conversion Shares**”) equal to the quotient obtained by dividing (x) the value of this Warrant (or portion thereof as to which the Conversion Right is being exercised if the Conversion Right is being exercised in part) at the time the Conversion Right is exercised (determined by subtracting the aggregate Warrant Price of the Warrant Shares as to which the Conversion Right is being exercised in effect immediately prior to the exercise of the Conversion Right from the aggregate Current Market Price of the Warrant Shares as to which the Conversion Right is being exercised immediately prior to the exercise of the Conversion Right) by (y) the Current Market Price of one (1) Warrant Share immediately prior to the exercise of the Conversion Right.

(b) The Conversion Rights provided under this Section 2.3 may be exercised in whole or in part and at any time and from time to time during the Exercise Period. In order to exercise the Conversion Right, the Holder shall surrender to the Issuer, at its offices, this Warrant, and the Notice of Conversion in the form attached hereto as Annex B duly executed. The presentation and surrender shall be deemed a waiver of the Holder’s obligation to pay all or any portion of the aggregate purchase price payable for the Warrant Shares as to which such Conversion Right is being exercised. This Warrant (or so much thereof as shall have been surrendered for conversion) shall be deemed to have been converted immediately prior to the close of business on the day of surrender of such Warrant for conversion in accordance with the foregoing provisions. If this Warrant has been exercised in part, the Issuer shall, at the time of delivery of the acknowledgement reflecting the ownership of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant, or, at the request of the Holder, appropriate notation may be made on this Warrant and the same returned to the Holder.

2.4 Payment of Taxes. When the Warrant Price is paid to the Issuer, all such Warrant Shares shall be validly issued, fully paid and nonassessable and without any preemptive rights. The Issuer shall pay all expenses in connection with, and all taxes and other governmental charges that may be imposed with respect to, the issue or delivery thereof, unless such tax or charge is imposed by law upon the Holder, in which case, the Holder shall pay such taxes or charges. The Issuer shall not be required to pay any tax or other charge imposed in connection with any Transfer involved in the issue or delivery of any certificate for Shares issuable upon exercise of this Warrant in any name other than that of the Holder, and in such case, the Issuer shall not be required to register such Shares in any name other than the Holder until such tax or other charge has been paid or it has been established to the reasonable satisfaction of the Issuer that no such tax or other charge is due.

2.5 Fractional Shares. The Issuer shall not be required to issue a fractional Share upon the exercise of this Warrant. As to any fraction of a Share which the Holder would otherwise be entitled to purchase upon such exercise, the Issuer shall pay a cash adjustment in respect of such final fraction (calculated on an aggregate basis for all Warrants exercised) in an amount equal to the same fraction of the Current Market Price per Share of a Warrant Share on the date of exercise.

2.6 Limitation on Conversion. Notwithstanding anything herein to the contrary, the Issuer shall not be obligated to affect any conversion of all or any portion of this Warrant, and the Holder shall not have the right to convert all or any portion of this Warrant, to the extent that, after giving effect to an attempted conversion, the Holder (together with its Affiliates and its permitted assignees and any other Person whose beneficial ownership of Shares would be aggregated with the Holder and its permitted assignees for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the Securities and Exchange Commission, including any “group” of which Holder and its permitted assignees is a member) would have acquired a number of Shares as a result of one or more conversions or otherwise in excess of 19.99% of the number of Shares outstanding immediately prior to the Closing Date. The Holder and each permitted assignee shall supply all information necessary to ensure compliance with this Section 2.6, and the Issuer shall be entitled to rely on representations made to it by the Holder and its permitted assignees regarding the ownership limitation set forth in this Section 2.6.

3. **TRANSFER, DIVISION AND COMBINATION.**

3.1 Transfer. Subject to compliance with all applicable securities laws, this Warrant may be Transferred to an Affiliate of the Holder at any time and from time to time, in whole or, in the case of a partial Transfer, in a Transfer of not less than 1,000,000 Shares subject to this Warrant. Such Transfer shall be registered on the books of the Issuer to be maintained for such purpose, upon surrender of this Warrant at the principal office of the Issuer at the address set forth in the Warrant Agreement, together with a written assignment of this Warrant duly executed by the Holder or its agent or attorney. Upon such surrender, the Issuer shall execute and deliver a new Warrant or Warrants in the name of the transferee or transferees and in the denomination specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Such Warrant, if properly assigned in compliance with any restrictions on Transfer and properly registered on the books of the Issuer, may be exercised by a new Holder for the purchase of Shares without having a new Warrant issued.

3.2 Maintenance of Books. The Issuer agrees to maintain, at its aforesaid office or agency, a ledger recording the Holder(s) of this Warrant and any subsequent Transfer of this Warrant in compliance with Section 3.1.

4. **ADJUSTMENTS.** The number of Shares for which this Warrant is exercisable shall be subject to adjustment from time to time as set forth in this Section 4. The Issuer shall give the Holder notice of any event described below, which requires an adjustment pursuant to this Section 4 at the time of such event.

4.1 Distributions, Subdivisions and Combinations. If, at any time, the Issuer:

- (a) takes a record of holders of its Shares for the purpose of entitling them to receive a distribution payable in, or other distribution of, Additional Shares,
- (b) subdivides its outstanding Shares into a larger number of Shares, or

- (c) combines its outstanding Shares into a smaller number of Shares,

then the number of Shares for which this Warrant is exercisable immediately after the occurrence of any such event shall be adjusted to equal the number of Shares that a record holder of the same number of Shares for which this Warrant is exercisable immediately prior to the occurrence of such event would own or be entitled to receive after the happening of such event. If the Issuer subdivides its outstanding Shares into a larger number of Shares, the Exercise Price shall be proportionately decreased. If the Issuer combines its outstanding Shares into a lesser number of Shares, the Exercise Price shall be proportionately increased.

4.2 Reorganization, Consolidation, Merger and Other Changes. In case of any capital reorganization or change in the Common Stock (other than as a result of a subdivision, combination, or stock dividend provided for in Section 4.1), or a spinoff, consolidation or merger of the Issuer with or into another entity, or the sale of all or substantially all of its assets to another entity shall be effected in such a way that holders of Common Stock shall be entitled to receive stock, securities or assets with respect to or in exchange for Common Stock, then, as a condition of such reorganization, change, spinoff, consolidation, merger or sale (each a “**Change**”), lawful provision shall be made, and duly executed documents evidencing the same from the Issuer or its successor shall be delivered to the Holder, so that the Holder shall have the right at any time prior to the Expiration Date to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such Change by a holder of the same number of Shares as were purchasable by the Holder immediately prior to such Change. In any such case appropriate provisions shall be made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per share payable hereunder, provided the aggregate purchase price shall remain the same; provided, however, that notwithstanding the foregoing, if as a result of such Change, holders of the Issuer’s Common Stock shall receive consideration other than solely in shares of stock or other securities in exchange for their Common Stock, the Issuer may, at its option, fulfill its obligations hereunder by causing a notice to be mailed to Holder at least 10 days prior to the record date for the Change, which notice shall (i) describe the nature of the proposed Change and any material terms applicable thereto, (ii) indicate the record date applicable to the Change and (iii) set forth the first and last date on which the Holder may exercise this Warrant. The Holder shall have the opportunity to exercise this Warrant in full before the applicable record date for the Change, and thereby receive consideration with respect to any such Change, on the same basis as other previously outstanding shares of Common Stock of the Issuer. If the notice specified above is provided to the Holder in accordance with this Section 4.2, this Warrant to the extent not exercised before the consummation of the Change shall be cancelled and become null and void on the effective date of the Change.

4.3 Adjustment upon Dilutive Issuance.

- (a) If the Issuer at any time, and from time to time, during the Exercise Period issues or sells any Shares, other than Exempted Securities, for a price per share less than a price equal to eighty percent (80%) of the Market Price on the day of such issue or sale (the foregoing a

A-5

“**Dilutive Issuance**”), then immediately after such Dilutive Issuance the number of Shares then purchasable hereunder shall be increased by an amount determined in accordance with the following formula:

$$S2 = [(A - B) * 0.93 * C] * (S1 \div D) \div A$$

For purposes of the foregoing formula, the following definitions shall apply:

“**S2**” means the number of additional Shares purchasable hereunder immediately after the Dilutive Issuance;

“**S1**” means the number of Shares purchasable hereunder immediately prior to the Dilutive Issuance;

“**A**” means the Market Price on the day of the Dilutive Issuance;

“**B**” means the per share price for which Shares were issued in the Dilutive Issuance;

“**C**” means the number of Shares issued pursuant to the Dilutive Issuance; and

“**D**” means the number of Shares deemed outstanding on a fully diluted basis immediately prior to the Dilutive Issuance (treating for this purpose as outstanding all Shares issuable upon exercise of Options outstanding immediately prior to such Dilutive Issuance or upon conversion or exchange of Convertible Securities outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such Dilutive Issuance).

- (b) Notwithstanding any other provision of this Warrant, (i) no adjustment in the number of Shares purchasable hereunder shall be made pursuant to this Section 4.3 if the Market Price on the date of the Dilutive Issuance is greater than or equal to the Market Price on the Closing Date, and (ii) no adjustment shall be made in respect of any Shares issued under this Warrant prior to the date of the Dilutive Issuance.

- (c) For purposes of this Section 4.3, the following terms shall have the following meanings:

(i) “**Exempted Securities**” means (1) Shares issued to (or issuable upon exercise of Options issued to) employees or directors of, or consultants or advisors to, the Issuer or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board of Directors of the Issuer; (2) Shares issued upon the exercise or exchange of or conversion of any Options or Convertible Securities outstanding on the Closing Date and (3) Shares issued pursuant to (or issuable upon the exercise or exchange or conversion of any Options or Convertible Securities issued pursuant to) mergers, consolidations, acquisitions or any other transactions with Persons with whom the Issuer has business relationships, provided such issuances are for other than primarily equity financing purposes.

A-6

(ii) “**Market Price**” shall mean, in respect of any Shares on any date herein specified, the last reported closing price on the Trading Market on which the Shares are listed.

4.4 **Timing of Issuance of Additional Shares Upon Adjustments.** In any case in which the provisions of this Section 4 shall require that an adjustment shall become effective immediately after a record date for an event, the Issuer, after such record date and before the occurrence of such event, may defer until the occurrence of such event issuing to the Holder the Additional Shares or other property issuable or deliverable upon exercise by reason of the adjustment required by such event over and above the Shares issuable or deliverable upon such exercise before giving effect to such adjustment; provided, however, that the Issuer shall, upon request of the Holder, deliver to the Holder a due bill or other appropriate instrument evidencing the Holder’s right to receive such Additional Shares or other property upon the occurrence of the event requiring such adjustment.

4.5 **When Adjustment Not Required.** If the Issuer takes a record of holders of its Shares for the purpose of entitling them to receive a distribution or subscription or purchase rights and, thereafter and before the distribution to holders thereof, legally abandons its plan to pay or deliver such distribution, subscription or purchase rights, then thereafter no adjustment shall be required by reason of the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

4.6 **Notice of Adjustments.** Whenever the number of Shares for which this Warrant is exercisable, or whenever the price at which such Shares may be purchased upon exercise of the Warrants, is adjusted pursuant to this Section 4, the Issuer shall prepare a certificate to be executed by its chief financial officer, if any, or its principal financial officer(s) in case there is no chief financial officer, setting forth, in reasonable detail, the event requiring the adjustment and the method by which such adjustment was calculated, specifying the number of Shares for which this Warrant is exercisable and describing the number and kind of any other Shares or Other Property for which this Warrant is exercisable, and any change in the purchase price or prices thereof, after giving effect to such adjustment or change. The Issuer shall promptly cause a signed copy of such certificate to be delivered to the Holder. The Issuer shall keep at its office or agency copies of all such certificates and cause the same to be available for inspection at said office during normal business hours by the Holder.

5. **NO IMPAIRMENT.** The Issuer shall not by any action, including, without limitation, through any amendment to its articles of incorporation, through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but shall at all times in good faith assist in carrying out all such actions as may be reasonably necessary or appropriate to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Issuer shall (a) take all such action as may be reasonably necessary or appropriate in order that the Issuer may validly and legally issue fully-paid and nonassessable Shares upon the exercise of this Warrant, and (b) use its reasonable best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Issuer to perform its obligations under this Warrant.

A-7

6. **RESERVATION AND AUTHORIZATION OF SHARES.** From and after the Closing Date, the Issuer shall at all times reserve and keep available for issue upon the exercise of Warrants such number of its authorized but unissued Shares as shall be sufficient to permit the exercise in full of all outstanding Warrants. All Shares, when issued upon exercise of this Warrant and payment therefor in accordance with the terms of this Warrant, shall be duly and validly issued and fully paid and nonassessable, and not subject to preemptive rights.

7. **TAKING OF RECORD; SHARES AND WARRANT TRANSFER BOOKS.** In the case of all distributions by the Issuer to holders of its Shares with respect to which any provision of Section 4 refers to the taking of a record of such holders, the Issuer shall in each such case take such a record as of the close of business on a Business Day. The Issuer shall not at any time, except upon dissolution, liquidation or winding up of the Issuer, close its transfer books so as to result in preventing or delaying the exercise or transfer of any Warrant.

8. **RESTRICTIVE LEGEND.** This Warrant and any Warrant issued upon transfer or partial exercise of this Warrant shall be imprinted with the following legend, in addition to any legend required under applicable state securities laws:

“THIS WARRANT AND THE SECURITIES ISSUABLE UPON THE EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT AND THE WARRANT AGREEMENT.”

Each Share certificate representing Warrant Shares shall bear the following legend:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, PLEDGED, TRANSFERRED OR OTHERWISE ASSIGNED IN VIOLATION OF SUCH ACT AND LAWS OR THE PROVISIONS OF THIS WARRANT AND THE WARRANT AGREEMENT.”

Upon request of the holder of a Share certificate, the Issuer shall issue to that holder a new certificate free of the foregoing legend, if, with such request, such holder provides the Issuer with an opinion of counsel (including in-house counsel) reasonably acceptable to the Issuer to the effect that the securities evidenced by such certificate may be sold without restriction under Rule 144 (or any other rule permitting resales of securities without restriction) promulgated under the Securities Act.

A-8

9. **SUPPLYING INFORMATION.** The Issuer shall cooperate with each Holder of a Warrant and each holder of Warrant Shares in supplying such information as may be reasonably necessary for such holder to complete and file any information reporting forms presently or hereafter required by the SEC as a condition to the availability of an exemption from the Securities Act for the sale or transfer of any Warrant or Warrant Shares.

10. LOSS OR MUTILATION. Upon receipt by the Issuer of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Warrant (which evidence shall be, in the case of an institutional investor, notice from such institutional investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the Holder of such Warrant has a minimum net worth of at least \$100,000,000, such Holder’s own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Issuer at its own expense shall execute and deliver, in lieu thereof, a new Warrant, dated the date of the original Warrant.

11. OFFICE OF THE ISSUER. As long as any Warrant remains outstanding, the Issuer shall maintain an office or agency (which may be the principal executive offices of the Issuer) where the Warrants may be presented for exercise, registration of transfer, division or combination as provided in this Warrant.

12. LIMITATION OF LIABILITY. No provision hereof, in the absence of affirmative action by holder to purchase Shares, and no enumeration of the rights or privileges of holder contained herein, shall give rise to any liability of holder for the purchase price of any Share or as a holder of Shares of the Issuer, whether such liability is asserted by the Issuer or by creditors of Company.

13. MISCELLANEOUS.

13.1 Nonwaiver and Expenses. If either party fails to comply with any provision of this Warrant, it shall pay to the other party such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys’ fees, including those of appellate proceedings, incurred by the other party in enforcing any of its rights, powers, or remedies hereunder. No course of dealing or any delay or failure to exercise any right hereunder on the part of a party shall operate as a waiver of such right or otherwise prejudice its rights, powers, or remedies.

13.2 Non-Survival. The parties hereby agree that all the provisions of this Warrant shall terminate and be of no further force or effect on the exercise in full of this Warrant.

13.3 Miscellaneous Provisions in Warrant Agreement. The provisions set forth in Section 6 of the Warrant Agreement shall apply to this Warrant, *mutatis mutandis*, and are hereby incorporated by reference herein.

Warrant Agreement**

FORM OF REGISTRATION RIGHTS AGREEMENT

This **REGISTRATION RIGHTS AGREEMENT** (this “**Agreement**”), dated as of November [], 2012, is entered into by and between Clean Energy Fuels Corp., a Delaware corporation (the “**Issuer**”) and GE Energy Financial Services, Inc., a Delaware corporation (the “**Holder**”).

RECITALS

WHEREAS, the Issuer and the Holder have entered into a Warrant Agreement dated as of November [], 2012 (the “**Warrant Agreement**”);

WHEREAS, the Warrant Agreement provides for the issuance of a warrant (the “**Warrant**”) to purchase shares of the Issuer’s Common Stock (“**Warrant Shares**”) on the terms and subject to the conditions set forth therein;

WHEREAS, in order to induce the Holder to enter into the Credit Agreement and the Warrant Agreement, the Issuer has agreed to provide certain rights to the Holder as set forth in this Agreement; and

WHEREAS, this Agreement is being executed and delivered in connection with the closing under the Warrant Agreement.

NOW, THEREFORE, the parties hereby agree as follows:

“**Filing Deadline**” means the date that is the earlier of (i) forty five (45) days following the date that the SEC has confirmed in writing to the Issuer that it has completed its current review of the Issuer’s filings with the SEC, which review is ongoing as of the date of this Agreement, and (ii) ninety (90) days following the date of this Agreement.

“**Liquidated Damages Amount**” means an amount equal to 0.25% of the product of the Base Price times the number of Restricted Warrant Shares (as defined in Section 1(d)(i)) then held by the Holder per 30-day period for the first sixty (60) days, with such payment amount increasing by an additional 0.25% of the product of the Base Price times the number of Restricted Warrant Shares then held by the Holder per 30-day period for each subsequent sixty (60) days, up to a maximum of 1.00% of the product of the Base Price times the number of Restricted Warrant Shares then held by the Holder per 30-day period; provided, however, that notwithstanding anything herein to the contrary, in no event shall the Issuer be liable for an aggregate Liquidated Damages Amount of more than four percent (4%) per annum of the product of the Base Price times the number of Restricted Warrant Shares then held by Holder or its assignees. The Liquidated Damages Amount for any period of less than 30-days shall be prorated by multiplying the Liquidated Damages Amount to be paid in a full 30-day period by a fraction, the numerator of which is the number of days for which such liquidated damages are owed, and the denominator of which is 30. The Base Price is subject to appropriate adjustments for any subdivision or combination of Common Stock after the date thereof.

“**Person**” means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

B-2

“**Rule 415**” means Rule 415 promulgated under the 1933 Act, as such rule may be amended or interpreted from time to time, or any similar rule or regulation hereunder adopted by the SEC.

“**SEC**” means the United States Securities and Exchange Commission.

(b) Mandatory Registration.

(i) The Issuer shall prepare and, no later than the Filing Deadline, file with the SEC, a Registration Statement on Form S-3 covering the resale of Warrant Shares. If Form S-3 is unavailable for such a registration, the Issuer shall use such other form as is available for such a registration (the Registration Statement filed pursuant to this Section 1(b)(i), the “**Resale Registration Statement**”).

(ii) The Issuer shall use its commercially reasonable efforts to have such Registration Statement declared effective by the SEC as soon as practicable, but in no event later than the Effectiveness Deadline, and shall use its commercially reasonable efforts to keep such Registration Statement continuously effective under the 1933 Act until the earlier of the date when all Registrable Securities covered by such Registration Statement (A) have been sold, thereunder or pursuant to Rule 144, or (B) may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 and without the requirement for the Issuer to be in compliance with the current public information requirement under Rule 144, as determined by counsel to the Issuer pursuant to a written opinion letter to such effect, addressed and acceptable to the Issuer’s transfer agent and the Holder (the “**Effectiveness Period**”).

(iii) Notwithstanding the registration obligation set forth in Section 1(b), if the SEC informs the Issuer that all of the Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Issuer agrees to promptly inform the Holder and use its commercially reasonable efforts to file amendments to the Registration Statement as required by the SEC, covering the maximum number of Registrable Securities permitted to be registered by the SEC, on Form S-3 or such other form available to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment, the Issuer shall be obligated to use diligent efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with any interpretive guidance provided by the SEC, including without limitation, Compliance and Disclosure Interpretation 612.09.

(c) Piggyback Registration.

(i) If (but without any obligation to do so), at any time during the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities and the Issuer proposes to register (including for this purpose a registration effected by the Issuer for stockholders other than the Holder) any of its capital stock or other securities under the 1933 Act in connection with a fully underwritten firm commitment public offering of such securities (other than a registration

B-3

on any form that does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities), the Issuer shall, at such time, give the Holder written notice of such registration (a “**Piggyback Registration**”) in accordance with Section 2(f). Upon the written request of the Holder given within five (5) Business Days after delivery of such notice by the Issuer, the Issuer shall, subject to the provisions of Section 1(c)(iii), use all commercially reasonable efforts to cause to be registered under the 1933 Act all of the Registrable Securities that the Holder requests to be registered.

(ii) The Issuer shall have the right to terminate or withdraw any registration initiated by it under this Section 1(c) prior to the effectiveness of such registration whether or not the Holder has elected to include securities in such registration. The expenses of such withdrawn registration shall be borne by the Issuer in accordance with Section 1(j) hereof.

(iii) The Issuer shall not be required under this Section 1(c) to include any of the Holder’s Registrable Securities in such underwriting unless the Holder accepts the terms of the underwriting as reasonably agreed upon between the Issuer and the underwriters selected by the Issuer (or by other Persons entitled to select the underwriters) and enters into an underwriting agreement in customary form with such underwriters, and then only in such quantity as the underwriters determine in their sole discretion will not jeopardize the success of the offering by the Issuer. If the total amount of securities, including Registrable Securities, requested to be included in such offering exceeds the amount of securities that the underwriters determine in their sole discretion is compatible with the success of the offering, then the Issuer shall be required to include in the offering only that number of Registrable Securities that the underwriters determine in their sole discretion will not jeopardize the success of the offering. Any reduction in the number of Registrable Securities will be made pro rata (based on the number of Warrant Shares then held by the Holder) with the other securities to be registered on behalf of third parties in such offering.

(d) Effect of Failure to File and Obtain Effectiveness of Registration Statement.

(i) If a Registration Statement covering all of the Registrable Securities required to be covered thereby (or such lesser amount as provided in Section 1(b)(iii)) and required to be filed by the Issuer pursuant to Section 1(b) of this Agreement has not been declared effective by the SEC on or before the Effectiveness Deadline (an “**Effectiveness Failure**”), then each Holder will be entitled to a payment, as liquidated damages

and not a penalty, of the Liquidated Damages Amount but only with respect to the number of Warrant Shares then held by the Holder and not included in an effective Registration Statement and not able to be resold pursuant to Rule 144 in the manner set forth in Section 1(b)(ii)(B) (“**Restricted Warrant Shares**”), for a period beginning on the Effectiveness Deadline and lasting until such time as such a Registration Statement is declared effective.

B-4

(ii) The aggregate Liquidated Damages Amount payable to each Holder shall be paid to each Holder in immediately available funds within 10 Business Days after the end of each applicable 30-day period. Any payments pursuant to this Section 2(b) shall constitute the Holder’s exclusive remedy for such events; *provided, however*, if the Issuer certifies that it is unable to pay aggregate Liquidated Damages Amount in cash or immediately available funds because such payment would result in a breach under any of the Issuer’s credit facilities or other indebtedness filed as exhibits to the Issuer’s reports filed under the Securities Act or the Exchange Act, then the Issuer may pay the aggregate Liquidated Damages Amount in kind in the form of the issuance of additional shares of Common Stock. Upon any issuance of shares of Common Stock as liquidated damages, the Issuer shall promptly prepare and file an amendment to the Resale Registration Statement prior to its effectiveness to include such shares of Common Stock issued as liquidated damages as additional Registrable Securities. If shares of Common Stock are issued as liquidated damages after the Resale Registration Statement has been declared effective, the Issuer shall have no obligation to prepare and file a post-effective amendment to the Resale Registration Statement to include such shares nor shall the Issuer be obligated in any way to file a new registration statement for such shares; however if the Issuer is a well-known seasoned issuer (as defined in the rules and regulations of the SEC) (“**WKSI**”), the Issuer shall be obligated to provide the Holder notice and offer to include such shares in any Piggyback Registration. All shares of Common Stock issued as Liquidated Damages Amounts shall be considered in the calculation of any subsequent Liquidated Damages Amounts. The determination of the number of shares of Common Stock to be issued as the aggregate Liquidated Damages Amount shall be equal to the aggregate Liquidated Damages Amount divided by the average of the closing sale price per share for the Common Stock (or if the Common Stock is not listed or traded on a national securities exchange, the average of the last reported bid and ask prices per share) for each of the 10 consecutive trading days ending on the trading day immediately preceding such date of determination.

(e) Request for Registration and/or Underwriting.

(i) If, at any time during the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities, the Issuer shall, at the request of the Holder, participate in an underwritten offering of Registrable Securities by the Holder under a Registration Statement effected pursuant to Section 1(b) hereof, and shall file any supplements and amendments to such Registration Statement as may be required by applicable law or rules of the SEC. If, at any time after the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities, and the Issuer receives a written request from the Holder that the Issuer effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities, the Issuer shall use commercially reasonable efforts to file a Registration Statement covering the Registrable Securities as soon as reasonably practicable after receipt of the request. For purposes of this Agreement, a “**Demand**” shall refer to the Holder’s request, pursuant to this Section 1(e), for the Issuer to (1) participate in an underwritten offering of Registrable Securities or (2) effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities. In any

B-5

underwritten offering under this Section 1(e), the investment banker or bankers and manager or managers that will administer the offering will be selected by, and the underwriting arrangements with respect thereto (including the size of the offering) will be approved by the requesting Holder; provided, however, that such investment bankers and managers and underwriting arrangements must be reasonably satisfactory to the Issuer. The Issuer shall not be required to participate in any underwritten offering contemplated hereby unless each participating Holder (A) agrees to sell its Registrable Securities to be included in the underwritten offering in accordance with any approved underwriting arrangements and (B) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such approved underwriting arrangements. Each participating Holder shall be responsible for any underwriting discounts and commissions and fees and expenses of its own counsel. The Issuer shall pay all expenses customarily borne by issuers in an underwritten offering, including, but not limited to, filing fees, the fees and disbursements of its counsel and independent public accountants and any printing expenses incurred in connection with such underwritten offering.

(ii) The Issuer shall not be required to participate in or effect any Demand pursuant to this Section 1(e):

(A) after the Issuer has participated in or effected two (2) Demands (the Holder shall be deemed to have forfeited its right to a Demand if (1) the Holder withdraws its request that the Issuer effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities and does not, within thirty (30) days of any such withdrawal, pay all of the Issuer’s expenses in connection with such registration or (2) an underwritten offering that is the subject of a Demand is terminated subsequent to the marketing thereof);

(B) if the Issuer has participated in or effected a Demand within the preceding twelve (12) months;

(C) during the period starting with the date sixty (60) days prior to the Issuer’s good faith estimate of the date of the filing of, and ending on a date one hundred eighty (180) days following the effective date of, an Issuer-initiated registration subject to Section 1(c), provided that the Issuer is actively employing in good faith all reasonable efforts to cause such registration statement to become effective; or

(D) if the Issuer shall furnish to the requesting Holder(s) a certificate signed by the Issuer’s Chief Executive Officer or Chairman of the Board stating that in the good faith judgment of the Board of Directors of the Issuer (the “**Board**”), it would be seriously detrimental to the Issuer and its stockholders for the Issuer to participate in or effect a Demand at such time, in which event the Issuer shall have the right to defer such Demand for a period of not more than one hundred twenty (120) days after receipt of the request of the Holder.

B-6

(f) Related Obligations. Whenever required under this Section 1 to effect the registration of any Registrable Securities, except as otherwise expressly provided herein, the Issuer shall:

- (i) prepare and file with the SEC a Registration Statement with respect to such Registrable Securities and use all commercially reasonable efforts to cause such Registration Statement to become and remain effective;
- (ii) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the 1933 Act with respect to the disposition of all securities covered by such Registration Statement;
- (iii) furnish to the Holder such number of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the 1933 Act, and such other documents as it may reasonably request in order to facilitate the disposition of Registrable Securities owned by it;
- (iv) if required by applicable law, use all commercially reasonable efforts to register and qualify the securities covered by such Registration Statement under such other securities or “blue sky” laws of such jurisdictions as shall be reasonably requested by the Holder, provided that the Issuer shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions;
- (v) with a view to making available to the Holder the benefits of Rule 144:
 - (A) make and keep public information available, as those terms are understood and defined in Rule 144;
 - (B) file with the SEC in a timely manner all reports and other documents required of the Issuer under the 1933 Act and the 1934 Act so long as the Issuer remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and
 - (C) furnish or otherwise make available, as applicable, to the Holder so long as the Holder owns Registrable Securities, promptly upon request, (1) a written statement by the Issuer, if true, that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (2) a copy of the most recent annual or quarterly report of the Issuer and such other reports and documents so filed by the Issuer and (3) such other information as may be reasonably requested to permit the Holder to sell such securities without registration pursuant to Rule 144;

B-7

- (D) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering; and
- (E) notify the holder of Registrable Securities covered by such Registration Statement at any time when a prospectus relating thereto is required to be delivered under the 1933 Act of the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

Notwithstanding the provisions of this Section 1, the Issuer shall be entitled to postpone or suspend the filing, effectiveness or use of, or trading under, any Registration Statement during any period when (i) the SEC or the national securities exchange upon which shares of Common Stock are then listed requests that the Issuer amend or supplement the Registration Statement or the prospectus included therein or requests additional information relating thereto, (ii) the SEC or the national securities exchange upon which shares of Common Stock are then listed issues a stop order or similar order suspending the effectiveness or restricting the use of the Registration Statement or initiates proceedings to issue a stop order or similar order, (iii) the Board in good faith determines that the Registration Statement, the prospectus included therein, any amendment or supplement thereto or any document incorporated or deemed to be incorporated therein contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, in light of the circumstances then existing; provided, however, that the Issuer uses commercially reasonable efforts to prepare and file with the SEC such amendments and supplements to the such Registration Statement or amendment as shall be reasonably necessary to cure such untrue statement or omission, or (iv) the Issuer’s management or the Board in good faith determines that the failure to so postpone or suspend would require disclosure of material nonpublic information that, if disclosed at such time, would be materially harmful to the interests of the Issuer and its stockholders; provided, further, that such postponement or suspension (A) shall not exceed a period of forty-five (45) days and (B) shall be exercised by the Issuer not more than twice in any twelve (12) month period (for a maximum of ninety (90) days within any such twelve (12) month period) (each, an “**Allowable Grace Period**”).

(g) Information from the Holder. It shall be a condition precedent to the obligations of the Issuer to take any action pursuant to this Section 1 with respect to the Registrable Securities of the Holder that the Holder shall furnish to the Issuer such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as shall be reasonably required to effect the registration of such Registrable Securities.

- (h) Indemnification. If any Registrable Securities are included in a Registration Statement under this Agreement:

B-8

- (i) To the fullest extent permitted by law, the Issuer will, and hereby does, indemnify, hold harmless and defend the Holder, the directors, officers, members, partners, employees, agents, representatives of, and each Person, if any, who controls the Holder within the meaning

of the 1933 Act or the 1934 Act (each, a “**Holder Indemnified Person**”), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, reasonable attorneys’ fees, amounts paid in settlement or expenses, joint or several, (collectively, “**Claims**”) incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto (“**Indemnified Damages**”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (A) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “blue sky” laws of any jurisdiction in which Registrable Securities are offered, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus if used prior to the effective date of such Registration Statement, or contained in the final prospectus (as amended or supplemented, if the Issuer files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading, or (C) any violation or alleged violation by the Issuer of the 1933 Act, the 1934 Act, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement (the matters in the foregoing clauses (A) through (C) being, collectively, “**Violations**”). Subject to Section 1(h)(iii), the Issuer shall reimburse the Holder Indemnified Persons, promptly as such expenses are incurred and are due and payable, for any legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 1(h)(i): (A) shall not apply to a Claim by a Holder Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Issuer by such Holder Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto, and (B) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Holder Indemnified Person.

(ii) In connection with any Registration Statement in which Holder is participating, the Holder agrees to indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 1(h)(i), the Issuer, each of its directors, officers, employees and agents and each Person, if any, who controls the Issuer within the meaning of the 1933 Act or the 1934 Act (each, an “**Issuer Indemnified Person**”), against any Claim or Indemnified Damages to which any of them may become

B-9

subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information furnished to the Issuer by the Holder expressly for use in connection with such Registration Statement; and, subject to Section 1(h)(iii), the Holder will reimburse any legal or other expenses reasonably incurred by an Issuer Indemnified Person in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 1(h)(i) and the agreement with respect to contribution contained in Section 1(i) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Holder, which consent shall not be unreasonably withheld or delayed; provided, further, however, that the Holder shall be liable under this Section 1(h)(i) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Holder as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Issuer Indemnified Person.

(iii) Promptly after receipt by a Holder Indemnified Person or an Issuer Indemnified Person (each, an “**Indemnified Person**”) under this Section 1(h) of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 1(h), deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person; provided, however, that an Indemnified Person shall have the right to retain its own counsel with the fees and expenses of not more than one counsel for such Indemnified Person to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person and any other party represented by such counsel in such proceeding. In the case of a Holder Indemnified Person, legal counsel referred to in the immediately preceding sentence shall be selected by the Holder. The Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Person reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Person, consent to entry of any judgment or enter into any settlement or

B-10

other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Person of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnified Person. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person under this Section 1(h), except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(iv) The indemnification required by this Section 1(h) shall be made by periodic payments of the amount thereof during the course of the investigation or defense, promptly following when bills are received or Indemnified Damages are incurred, and in each case submitted

to the indemnifying party for payment subject to and in accordance with this Section 1(h).

The indemnity agreements contained herein shall be in addition to (A) any cause of action or similar right of the Indemnified Person against the indemnifying party or others, and (B) any liabilities the indemnifying party may be subject to pursuant to the law.

(i) Contribution. To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 1(h) to the fullest extent permitted by law; provided, however, that: (i) no Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) in connection with such sale shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by the Holder shall be limited in amount to the excess of the net amount of proceeds received by the Holder from the sale of such Registrable Securities pursuant to such Registration Statement over the amount of any damages that the Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

(j) Expenses of Registration. All expenses (other than (i) underwriting discounts and commissions relating to the Registrable Securities that are being sold by the Holder and (ii) fees of any counsel for the Holder) that are incurred in connection with registrations, filings or qualifications pursuant to Sections 1(b) and 1(c), including (without limitation) all registration, filing and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Issuer, shall be borne by the Issuer.

2. MISCELLANEOUS.

(a) Governing Law; Jurisdiction; Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of Delaware. Each party hereby irrevocably submits to the exclusive jurisdiction of the Delaware Court of Chancery, or, if no such state court has proper jurisdiction, the United States District Court for the District of Delaware, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

(b) Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties; provided that a facsimile signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original, not a facsimile signature.

(c) Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

(d) Severability. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

(e) Entire Agreement; Amendments. This Agreement, the Warrant Agreement and the other Warrant Documents supersede all other prior oral or written agreements between the Holder, the Issuer, their affiliates and Persons acting on their behalf with respect to the matters discussed herein, and this Agreement, the Warrant Agreement, the other Warrant Documents and the instruments referenced herein and therein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Issuer nor the Holder makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be amended other than by an instrument in writing signed by the Issuer and the Holder. No provision hereof may be waived other than by an instrument in writing signed by the party against whom enforcement is sought.

REGISTRATION RIGHTS AGREEMENT

This **REGISTRATION RIGHTS AGREEMENT** (this “**Agreement**”), dated as of November 7, 2012, is entered into by and between Clean Energy Fuels Corp., a Delaware corporation (the “**Issuer**”) and GE Energy Financial Services, Inc., a Delaware corporation (the “**Holder**”).

RECITALS

WHEREAS, the Issuer and the Holder have entered into a Warrant Agreement dated as of November 7, 2012 (the “**Warrant Agreement**”);

WHEREAS, the Warrant Agreement provides for the issuance of a warrant (the “**Warrant**”) to purchase shares of the Issuer’s Common Stock (“**Warrant Shares**”) on the terms and subject to the conditions set forth therein;

WHEREAS, in order to induce the Holder to enter into the Credit Agreement and the Warrant Agreement, the Issuer has agreed to provide certain rights to the Holder as set forth in this Agreement; and

WHEREAS, this Agreement is being executed and delivered in connection with the closing under the Warrant Agreement.

NOW, THEREFORE, the parties hereby agree as follows:

1. REGISTRATION RIGHTS.

(a) Definitions.

Capitalized terms used herein and not otherwise defined herein shall have the respective meanings set forth in the Warrant Agreement. As used in this Agreement, the following terms shall have the following meanings:

“**1933 Act**” means the Securities Act of 1933, as amended.

“**1934 Act**” means the Securities Exchange Act of 1934, as amended.

“**Base Price**” means \$12.01.

“**Business Day**” means any day that is not a Saturday, Sunday or other day when commercial banks are required or permitted by law to be closed in New York, New York.

“**Common Stock**” means the shares of common stock of the Issuer, par value \$0.0001.

“**Effective Date**” means the date the Registration Statement has been declared effective by the SEC.

“**Effectiveness Deadline**” means the date that is (i) thirty (30) days after the Filing Deadline if the Registration Statement is not subject to review by the SEC, or (ii) ninety (90) days after the Filing Deadline if the Registration Statement is subject to review by the SEC.

“**Filing Deadline**” means the date that is the earlier of (i) forty five (45) days following the date that the SEC has confirmed in writing to the Issuer that it has completed its current review of the Issuer’s filings with the SEC, which review is ongoing as of the date of this Agreement, and (ii) ninety (90) days following the date of this Agreement.

“**Liquidated Damages Amount**” means an amount equal to 0.25% of the product of the Base Price times the number of Restricted Warrant Shares (as defined in Section 1(d)(i)) then held by the Holder per 30-day period for the first sixty (60) days, with such payment amount increasing by an additional 0.25% of the product of the Base Price times the number of Restricted Warrant Shares then held by the Holder per 30-day period for each subsequent sixty (60) days, up to a maximum of 1.00% of the product of the Base Price times the number of Restricted Warrant Shares then held by the Holder per 30-day period; provided, however, that notwithstanding anything herein to the contrary, in no event shall the Issuer be liable for an aggregate Liquidated Damages Amount of more than four percent (4%) per annum of the product of the Base Price times the number of Restricted Warrant Shares then held by Holder or its assignees. The Liquidated Damages Amount for any period of less than 30-days shall be prorated by multiplying the Liquidated Damages Amount to be paid in a full 30-day period by a fraction, the numerator of which is the number of days for which such liquidated damages are owed, and the denominator of which is 30. The Base Price is subject to appropriate adjustments for any subdivision or combination of Common Stock after the date thereof.

“**Person**” means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

“**register**,” “**registered**” and “**registration**” refer to a registration effected by preparing and filing one or more Registration Statements (as defined below) in compliance with the 1933 Act and the declaration or ordering of effectiveness of such Registration Statement(s) by the SEC.

“**Registrable Securities**” means the Warrant Shares and any shares of capital stock issued or issuable with respect to the Warrant Shares by reason of or in connection with any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, issued to or held by the Holder.

“**Registration Statement**” means a shelf registration statement, registration statements or Form S-3 of the Issuer filed under the 1933 Act covering the Registrable Securities.

“**Rule 144**” means Rule 144 promulgated under the 1933 Act or any successor rule or other similar rule or regulation of the SEC that may at any time permit the Holder to sell securities of the Issuer to the public without registration.

“**Rule 415**” means Rule 415 promulgated under the 1933 Act, as such rule may be amended or interpreted from time to time, or any similar rule or regulation hereunder adopted by the SEC.

“**SEC**” means the United States Securities and Exchange Commission.

(b) **Mandatory Registration.**

(i) The Issuer shall prepare and, no later than the Filing Deadline, file with the SEC, a Registration Statement on Form S-3 covering the resale of Warrant Shares. If Form S-3 is unavailable for such a registration, the Issuer shall use such other form as is available for such a registration (the Registration Statement filed pursuant to this Section 1(b)(i), the “**Resale Registration Statement**”).

(ii) The Issuer shall use its commercially reasonable efforts to have such Registration Statement declared effective by the SEC as soon as practicable, but in no event later than the Effectiveness Deadline, and shall use its commercially reasonable efforts to keep such Registration Statement continuously effective under the 1933 Act until the earlier of the date when all Registrable Securities covered by such Registration Statement (A) have been sold, thereunder or pursuant to Rule 144, or (B) may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 and without the requirement for the Issuer to be in compliance with the current public information requirement under Rule 144, as determined by counsel to the Issuer pursuant to a written opinion letter to such effect, addressed and acceptable to the Issuer’s transfer agent and the Holder (the “**Effectiveness Period**”).

(iii) Notwithstanding the registration obligation set forth in Section 1(b), if the SEC informs the Issuer that all of the Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Issuer agrees to promptly inform the Holder and use its commercially reasonable efforts to file amendments to the Registration Statement as required by the SEC, covering the maximum number of Registrable Securities permitted to be registered by the SEC, on Form S-3 or such other form available to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment, the Issuer shall be obligated to use diligent efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with any interpretive guidance provided by the SEC, including without limitation, Compliance and Disclosure Interpretation 612.09.

(c) **Piggyback Registration.**

(i) If (but without any obligation to do so), at any time during the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities and the Issuer proposes to register (including for this purpose a registration effected by the Issuer for stockholders other than the Holder) any of its capital stock or other securities under the 1933 Act in connection with a fully underwritten firm commitment public offering of such securities (other than a registration

on any form that does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities), the Issuer shall, at such time, give the Holder written notice of such registration (a “**Piggyback Registration**”) in accordance with Section 2(f). Upon the written request of the Holder given within five (5) Business Days after delivery of such notice by the Issuer, the Issuer shall, subject to the provisions of Section 1(c)(iii), use all commercially reasonable efforts to cause to be registered under the 1933 Act all of the Registrable Securities that the Holder requests to be registered.

(ii) The Issuer shall have the right to terminate or withdraw any registration initiated by it under this Section 1(c) prior to the effectiveness of such registration whether or not the Holder has elected to include securities in such registration. The expenses of such withdrawn registration shall be borne by the Issuer in accordance with Section 1(j) hereof.

(iii) The Issuer shall not be required under this Section 1(c) to include any of the Holder’s Registrable Securities in such underwriting unless the Holder accepts the terms of the underwriting as reasonably agreed upon between the Issuer and the underwriters selected by the Issuer (or by other Persons entitled to select the underwriters) and enters into an underwriting agreement in customary form with such underwriters, and then only in such quantity as the underwriters determine in their sole discretion will not jeopardize the success of the offering by the Issuer. If the total amount of securities, including Registrable Securities, requested to be included in such offering exceeds the amount of securities that the underwriters determine in their sole discretion is compatible with the success of the offering, then the Issuer shall be required to include in the offering only that number of Registrable Securities that the underwriters determine in their sole discretion will not jeopardize the success of the offering. Any reduction in the number of Registrable Securities will be made pro rata (based on the number of Warrant Shares then held by the Holder) with the other securities to be registered on behalf of third parties in such offering.

(d) **Effect of Failure to File and Obtain Effectiveness of Registration Statement.**

(i) If a Registration Statement covering all of the Registrable Securities required to be covered thereby (or such lesser amount as provided in Section 1(b)(iii)) and required to be filed by the Issuer pursuant to Section 1(b) of this Agreement has not been declared effective by the SEC on or before the Effectiveness Deadline (an “**Effectiveness Failure**”), then each Holder will be entitled to a payment, as liquidated damages and not a penalty, of the Liquidated Damages Amount but only with respect to the number of Warrant Shares then held by the Holder and not included in an effective Registration Statement and not able to be resold pursuant to Rule 144 in the manner set forth in Section 1(b)(ii) (B) (“**Restricted Warrant Shares**”), for a period beginning on the Effectiveness Deadline and lasting until such time as such a Registration Statement is declared effective.

(ii) The aggregate Liquidated Damages Amount payable to each Holder shall be paid to each Holder in immediately available funds within 10 Business Days after the end of each applicable 30-day period. Any payments pursuant to this Section 2(b) shall constitute the Holder's exclusive remedy for such events; *provided, however*, if the Issuer certifies that it is unable to pay aggregate Liquidated Damages Amount in cash or immediately available funds because such payment would result in a breach under any of the Issuer's credit facilities or other indebtedness filed as exhibits to the Issuer's reports filed under the Securities Act or the Exchange Act, then the Issuer may pay the aggregate Liquidated Damages Amount in kind in the form of the issuance of additional shares of Common Stock. Upon any issuance of shares of Common Stock as liquidated damages, the Issuer shall promptly prepare and file an amendment to the Resale Registration Statement prior to its effectiveness to include such shares of Common Stock issued as liquidated damages as additional Registrable Securities. If shares of Common Stock are issued as liquidated damages after the Resale Registration Statement has been declared effective, the Issuer shall have no obligation to prepare and file a post-effective amendment to the Resale Registration Statement to include such shares nor shall the Issuer be obligated in any way to file a new registration statement for such shares; however if the Issuer is a well-known seasoned issuer (as defined in the rules and regulations of the SEC) ("**WKSI**"), the Issuer shall be obligated to provide the Holder notice and offer to include such shares in any Piggyback Registration. All shares of Common Stock issued as Liquidated Damages Amounts shall be considered in the calculation of any subsequent Liquidated Damages Amounts. The determination of the number of shares of Common Stock to be issued as the aggregate Liquidated Damages Amount shall be equal to the aggregate Liquidated Damages Amount divided by the average of the closing sale price per share for the Common Stock (or if the Common Stock is not listed or traded on a national securities exchange, the average of the last reported bid and ask prices per share) for each of the 10 consecutive trading days ending on the trading day immediately preceding such date of determination.

(e) Request for Registration and/or Underwriting.

(i) If, at any time during the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities, the Issuer shall, at the request of the Holder, participate in an underwritten offering of Registrable Securities by the Holder under a Registration Statement effected pursuant to Section 1(b) hereof, and shall file any supplements and amendments to such Registration Statement as may be required by applicable law or rules of the SEC. If, at any time after the Effectiveness Period, a Registration Statement is not effective with respect to all of the Registrable Securities, and the Issuer receives a written request from the Holder that the Issuer effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities, the Issuer shall use commercially reasonable efforts to file a Registration Statement covering the Registrable Securities as soon as reasonably practicable after receipt of the request. For purposes of this Agreement, a "**Demand**" shall refer to the Holder's request, pursuant to this Section 1(e), for the Issuer to (1) participate in an underwritten offering of Registrable Securities or (2) effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities. In any

5

underwritten offering under this Section 1(e), the investment banker or bankers and manager or managers that will administer the offering will be selected by, and the underwriting arrangements with respect thereto (including the size of the offering) will be approved by the requesting Holder; provided, however, that such investment bankers and managers and underwriting arrangements must be reasonably satisfactory to the Issuer. The Issuer shall not be required to participate in any underwritten offering contemplated hereby unless each participating Holder (A) agrees to sell its Registrable Securities to be included in the underwritten offering in accordance with any approved underwriting arrangements and (B) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such approved underwriting arrangements. Each participating Holder shall be responsible for any underwriting discounts and commissions and fees and expenses of its own counsel. The Issuer shall pay all expenses customarily borne by issuers in an underwritten offering, including, but not limited to, filing fees, the fees and disbursements of its counsel and independent public accountants and any printing expenses incurred in connection with such underwritten offering.

(ii) The Issuer shall not be required to participate in or effect any Demand pursuant to this Section 1(e):

(A) after the Issuer has participated in or effected two (2) Demands (the Holder shall be deemed to have forfeited its right to a Demand if (1) the Holder withdraws its request that the Issuer effect a registration on Form S-3 with respect to an underwritten offering of Registrable Securities and does not, within thirty (30) days of any such withdrawal, pay all of the Issuer's expenses in connection with such registration or (2) an underwritten offering that is the subject of a Demand is terminated subsequent to the marketing thereof);

(B) if the Issuer has participated in or effected a Demand within the preceding twelve (12) months;

(C) during the period starting with the date sixty (60) days prior to the Issuer's good faith estimate of the date of the filing of, and ending on a date one hundred eighty (180) days following the effective date of, an Issuer-initiated registration subject to Section 1(c), provided that the Issuer is actively employing in good faith all reasonable efforts to cause such registration statement to become effective; or

(D) if the Issuer shall furnish to the requesting Holder(s) a certificate signed by the Issuer's Chief Executive Officer or Chairman of the Board stating that in the good faith judgment of the Board of Directors of the Issuer (the "**Board**"), it would be seriously detrimental to the Issuer and its stockholders for the Issuer to participate in or effect a Demand at such time, in which event the Issuer shall have the right to defer such Demand for a period of not more than one hundred twenty (120) days after receipt of the request of the Holder.

6

(f) Related Obligations. Whenever required under this Section 1 to effect the registration of any Registrable Securities, except as otherwise expressly provided herein, the Issuer shall:

(i) prepare and file with the SEC a Registration Statement with respect to such Registrable Securities and use all commercially reasonable efforts to cause such Registration Statement to become and remain effective;

(ii) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the 1933 Act with respect to the disposition of all securities covered by such Registration Statement;

(iii) furnish to the Holder such number of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the 1933 Act, and such other documents as it may reasonably request in order to facilitate the disposition of Registrable Securities owned by it;

(iv) if required by applicable law, use all commercially reasonable efforts to register and qualify the securities covered by such Registration Statement under such other securities or “blue sky” laws of such jurisdictions as shall be reasonably requested by the Holder, provided that the Issuer shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions;

(v) with a view to making available to the Holder the benefits of Rule 144:

(A) make and keep public information available, as those terms are understood and defined in Rule 144;

(B) file with the SEC in a timely manner all reports and other documents required of the Issuer under the 1933 Act and the 1934 Act so long as the Issuer remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and

(C) furnish or otherwise make available, as applicable, to the Holder so long as the Holder owns Registrable Securities, promptly upon request, (1) a written statement by the Issuer, if true, that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (2) a copy of the most recent annual or quarterly report of the Issuer and such other reports and documents so filed by the Issuer and (3) such other information as may be reasonably requested to permit the Holder to sell such securities without registration pursuant to Rule 144;

7

(D) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering; and

(E) notify the holder of Registrable Securities covered by such Registration Statement at any time when a prospectus relating thereto is required to be delivered under the 1933 Act of the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

Notwithstanding the provisions of this Section 1, the Issuer shall be entitled to postpone or suspend the filing, effectiveness or use of, or trading under, any Registration Statement during any period when (i) the SEC or the national securities exchange upon which shares of Common Stock are then listed requests that the Issuer amend or supplement the Registration Statement or the prospectus included therein or requests additional information relating thereto, (ii) the SEC or the national securities exchange upon which shares of Common Stock are then listed issues a stop order or similar order suspending the effectiveness or restricting the use of the Registration Statement or initiates proceedings to issue a stop order or similar order, (iii) the Board in good faith determines that the Registration Statement, the prospectus included therein, any amendment or supplement thereto or any document incorporated or deemed to be incorporated therein contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, in light of the circumstances then existing; provided, however, that the Issuer uses commercially reasonable efforts to prepare and file with the SEC such amendments and supplements to the such Registration Statement or amendment as shall be reasonably necessary to cure such untrue statement or omission, or (iv) the Issuer’s management or the Board in good faith determines that the failure to so postpone or suspend would require disclosure of material nonpublic information that, if disclosed at such time, would be materially harmful to the interests of the Issuer and its stockholders; provided, further, that such postponement or suspension (A) shall not exceed a period of forty-five (45) days and (B) shall be exercised by the Issuer not more than twice in any twelve (12) month period (for a maximum of ninety (90) days within any such twelve (12) month period) (each, an “**Allowable Grace Period**”).

(g) Information from the Holder. It shall be a condition precedent to the obligations of the Issuer to take any action pursuant to this Section 1 with respect to the Registrable Securities of the Holder that the Holder shall furnish to the Issuer such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as shall be reasonably required to effect the registration of such Registrable Securities.

(h) Indemnification. If any Registrable Securities are included in a Registration Statement under this Agreement:

(i) To the fullest extent permitted by law, the Issuer will, and hereby does, indemnify, hold harmless and defend the Holder, the directors, officers, members,

8

partners, employees, agents, representatives of, and each Person, if any, who controls the Holder within the meaning of the 1933 Act or the 1934 Act (each, a “**Holder Indemnified Person**”), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, reasonable attorneys’ fees, amounts paid in settlement or expenses, joint or several, (collectively, “**Claims**”) incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto (“**Indemnified Damages**”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (A) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or

other “blue sky” laws of any jurisdiction in which Registrable Securities are offered, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus if used prior to the effective date of such Registration Statement, or contained in the final prospectus (as amended or supplemented, if the Issuer files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading, or (C) any violation or alleged violation by the Issuer of the 1933 Act, the 1934 Act, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement (the matters in the foregoing clauses (A) through (C) being, collectively, “**Violations**”). Subject to Section 1(h)(iii), the Issuer shall reimburse the Holder Indemnified Persons, promptly as such expenses are incurred and are due and payable, for any legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 1(h)(i): (A) shall not apply to a Claim by a Holder Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Issuer by such Holder Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto, and (B) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Holder Indemnified Person.

(ii) In connection with any Registration Statement in which Holder is participating, the Holder agrees to indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 1(h)(i), the Issuer, each of its directors, officers, employees and agents and each Person, if any, who controls the Issuer within the meaning of the 1933 Act or the 1934 Act (each, an “**Issuer Indemnified Person**”), against any Claim or Indemnified Damages to which any of them may become

9

subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information furnished to the Issuer by the Holder expressly for use in connection with such Registration Statement; and, subject to Section 1(h)(iii), the Holder will reimburse any legal or other expenses reasonably incurred by an Issuer Indemnified Person in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 1(h)(ii) and the agreement with respect to contribution contained in Section 1(i) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Holder, which consent shall not be unreasonably withheld or delayed; provided, further, however, that the Holder shall be liable under this Section 1(h)(ii) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Holder as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Issuer Indemnified Person.

(iii) Promptly after receipt by a Holder Indemnified Person or an Issuer Indemnified Person (each, an “**Indemnified Person**”) under this Section 1(h) of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 1(h), deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person; provided, however, that an Indemnified Person shall have the right to retain its own counsel with the fees and expenses of not more than one counsel for such Indemnified Person to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person and any other party represented by such counsel in such proceeding. In the case of a Holder Indemnified Person, legal counsel referred to in the immediately preceding sentence shall be selected by the Holder. The Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Person reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Person, consent to entry of any judgment or enter into any settlement or

10

other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Person of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnified Person. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person under this Section 1(h), except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(iv) The indemnification required by this Section 1(h) shall be made by periodic payments of the amount thereof during the course of the investigation or defense, promptly following when bills are received or Indemnified Damages are incurred, and in each case submitted to the indemnifying party for payment subject to and in accordance with this Section 1(h).

The indemnity agreements contained herein shall be in addition to (A) any cause of action or similar right of the Indemnified Person against the indemnifying party or others, and (B) any liabilities the indemnifying party may be subject to pursuant to the law.

(i) Contribution. To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 1(h) to the fullest extent

permitted by law; provided, however, that: (i) no Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) in connection with such sale shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by the Holder shall be limited in amount to the excess of the net amount of proceeds received by the Holder from the sale of such Registrable Securities pursuant to such Registration Statement over the amount of any damages that the Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

(j) Expenses of Registration. All expenses (other than (i) underwriting discounts and commissions relating to the Registrable Securities that are being sold by the Holder and (ii) fees of any counsel for the Holder) that are incurred in connection with registrations, filings or qualifications pursuant to Sections 1(b) and 1(c), including (without limitation) all registration, filing and qualification fees, printers' and accounting fees, fees and disbursements of counsel for the Issuer, shall be borne by the Issuer.

11

GE and Clean Energy Fuels Partner to Expand 'America's Natural Gas Highway®'

- *Clean Energy to Use GE's MicroLNG Technology at Two New LNG Facilities*
- *New MicroLNG Technology Builds on GE Oil & Gas' Global Success in Large LNG Projects*

HOUSTON—November 13, 2012—GE (NYSE: GE) and Clean Energy Fuels (Nasdaq: CLNE) today announced a collaboration to expand the infrastructure for natural gas transportation in the United States. The agreement supports Clean Energy's efforts in developing "America's Natural Gas Highway®," a fueling network that will enable trucks to operate on Liquefied Natural Gas (LNG) coast to coast and border to border. Truck fleets often can reduce fuel costs by more than 25 percent and lower emissions with LNG.

As part of the collaboration, Clean Energy Fuels will initially purchase two ecomagination™-qualified MicroLNG plants from GE Oil & Gas. The plug-and-play modular units, which are designed to rapidly liquefy natural gas while minimizing a site's physical footprint, will support fueling stations along critical transportation corridors that run across the U.S. Further underscoring GE's commitment to expanding natural gas transportation infrastructure, GE Energy Financial Services is providing up to \$200 million in financing for the two GE MicroLNG plants.

"GE is proud to be partnering with Clean Energy Fuels to develop natural gas infrastructure in the U.S. Clean Energy is an industry leader in pioneering a new way for America to fuel its vehicles and to further gain energy independence," said GE Chairman and CEO Jeff Immelt. "With an abundance of cleaner, more affordable natural gas here in the U.S., this is an important opportunity for GE to join Clean Energy in changing the way America drives. It's also a critical step in developing a natural gas-for-transportation fuel model that can be easily exported to other countries interested in exactly these kinds of breakthrough projects."

Clean Energy expects to complete approximately 70 LNG stations by the end of 2012, with more planned for next year to serve the movement of goods along major transportation corridors throughout the U.S. While CNG, or compressed natural gas, is primarily used in cars, buses and smaller trucks, the LNG fueling being rolled out at Clean Energy's stations is targeted at long-haul, heavy-duty trucks, which will have the advantage of longer driving ranges while not impacting tractor weight and incremental costs. In 2013, four major manufacturers will introduce the Cummins Westport 12-liter LNG engine, which is the optimum size for long-haul Class 8 trucks.

Clean Energy plans to use a standardized design of the new GE MicroLNG plants to build additional MicroLNG plants. These first two MicroLNG plants will produce up to 250,000 gallons per day. The plant is designed to be expanded up to 1 million gallons per day as adoption and demand increases. The LNG produced by the MicroLNG plants will be used primarily at Pilot-Flying J truck stops that serve truckers across the country. The two GE MicroLNG plants are targeted to begin operation in 2015. The two companies are currently assessing the best locations for these first two LNG plants.

"The agreement announced today with GE is one of the most significant milestones in Clean Energy's history," said Andrew J. Littlefair, president and CEO of Clean Energy Fuels. "As the long-haul trucking industry begins its transition to natural gas, it will be critical to have a reliable supply of LNG. No other

company is as uniquely qualified as GE to help address this need due to its vast experience in energy, technology innovations and financing capabilities. GE partnering with Clean Energy on these two facilities will not only help ensure an adequate LNG supply for our stations, but it is another confirmation that the transition to natural gas as a transportation fuel is gaining momentum."

Natural gas is an abundant, reliable and cleaner-burning source of energy for consumers and commercial users. Clean Energy Fuels and GE are promoting the importance of natural gas to the U.S. economy, enabling energy independence and decreasing CO₂ emissions—in this case, by enabling long-haul trucks and fleets to move from diesel to cleaner, more efficient and readily available domestic natural gas.

"GE is committed to natural gas. From extraction to transport to power generation—we continue to develop solutions that infuse new technologies into the value chain and help improve every step of the natural gas development and deployment life cycle," said Dan Heintzelman, president and CEO of GE Oil & Gas. "Our ecomagination-qualified MicroLNG plant was born from the same turbomachinery technology that has made GE a success in large LNG compression such as in the world-scale plants in Qatar and Australia. By taking this technology and reengineering it so that it's modular and highly efficient, we are able to help customers such as Clean Energy deliver this abundant and cleaner fuel source to the market."

GE's MicroLNG plant can liquefy natural gas at any point along a gas distribution network, making it ideal for supporting the fueling of vehicles in remote locations by reducing the impact of long distance fuel transport. This MicroLNG technology is part of GE's expanding technology offerings in the natural gas-for-transportation sector.

The new GE MicroLNG system that will be used by Clean Energy will produce 250,000 gallons of LNG per day, or about 54 million DGEs (diesel gallon equivalents) per year with the built-in capability for further expansion, which is a 67 percent increase over the capacity of the breakthrough MicroLNG plant that GE Oil & Gas first introduced in January of 2012. The new system will help reduce a fleet operator's fuel costs by more than 25 percent compared to diesel fuel. LNG produced with this MicroLNG system can be used to fuel approximately 28,000 heavy trucks, replacing diesel-powered trucks with equivalent fuel economy. This could enable fleet operators to avoid more than 139,000 metric tons of CO₂e emissions per year, equivalent to the annual greenhouse gas emissions of approximately 27,000 cars using gasoline or 7,000 trucks using diesel on U.S. roads—assuming an average truck travels approximately 14,000 miles per year.

GE also is providing turnkey process/plant construction and consultations on optimal plant location and power partner. The scope of the agreement also includes project installation. It entails not only the liquefaction but also the complete process design from the pre-treatment of the gas to the storage system.
